### Thank You Voters

## Ray H. Williams, Jr.

I would like to express a sincere "Thank You" to the voters of Lander County for the votes of confidence that were cast for me in the Lander county Election on November 4th. I look forward to serving on the Commission on a day to day basis, and to do my level best to serve the interests of the people of Lander County for the next 4 years.

**I believe** that Government has become too big. It taxes too much, spends too loosely and regulates our lives too intrusively.

**The strongest** most powerful government is that which is closest to the people.
