Dr. Gerald Lent, Chairman
Nevada Board of Wildlife Commissioners
1100 Valley Road
Reno NV 89523

Dear Chairman Lent and Members of the Nevada Wildlife Commission,

I support the proposal by the Nevada Department of Wildlife (NDOW) that is listed on the agenda as item 9c and will be presented by NDOW as an informational item at the December 2009 meeting of the Nevada Wildlife Commission. The proposed changes will result in positive benefits for all Nevada waterfowl hunters. Thank you for your time.

Sincerely,

Theodore S. Hausladen
