

Nevada Department of Wildlife Angler Education

Angler Education - Life Science includes: Trout in the Classroom (Tank Buddies), the 5th Grade interdisciplinary module. Kids Clinics, regularly scheduled clinics for youngsters, include: Clubs, youth organizations (BSA, GSA, Boy's and Girl's Club, etc.) and NDOW sponsored clinics. Specialty clinics may include clinics for handicapped students, specific locations (E. Walker River, Desert Creek, Cave Lake, Ruby Marshes, Lake Mohave, Eagle Reservoir, etc.) or species-specific clinics (bass, carp, etc.) and advanced techniques such as fly-fishing.

Notice to applicants: Federal and state laws require that all applicants be considered without regard to race (EEO), sex, age, national origin or differently challenged individuals. We believe in and fully support these areas to enable NDOW to address items when we undergo Federal Aid compliance audits. Your application will be given every consideration whether or not this information is provided. This information is confidential.

I understand this application will be subjected to a background check through State and Federal Law Enforcement Agencies
