FUJI PARK POND

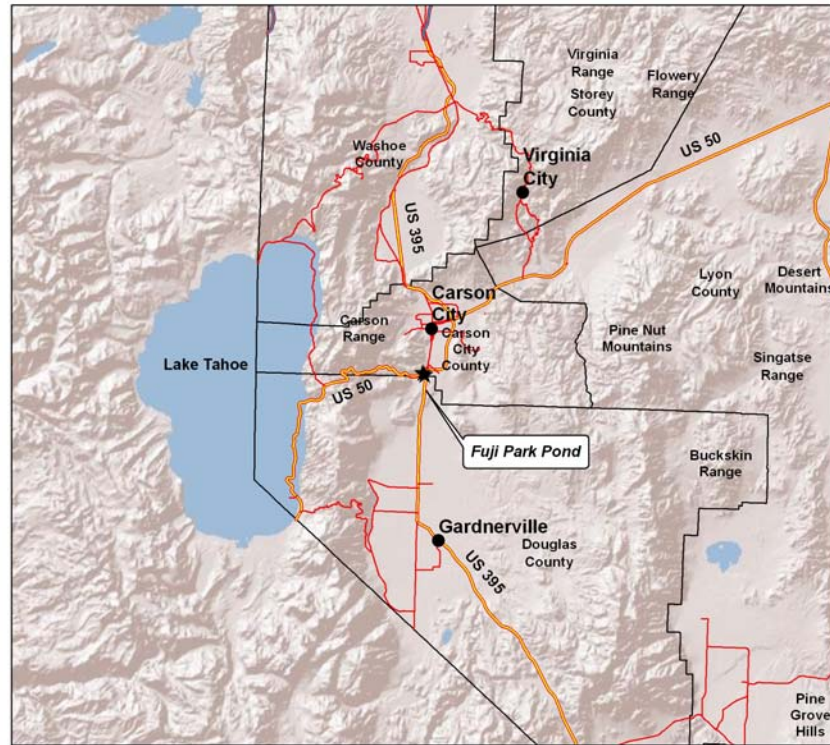

History – The Fuji Park Pond is scheduled to be constructed during the summer of 2008. The one acre, 15 feet deep pond will be located in Carson City at the bottom of Clear Creek in Fuji Park.

Pertinent Information – The one acre pond will be stocked in the spring and again in the fall. It has an annual allocation of 4,000 adult (9-inch) rainbow trout.

Stocking – A total of 4,000 catchable rainbow trout annually.

Regulations – Season is open year around during the hours the park is open to the public. Limit is 3 game fish.

Biologist Prediction for 2009 – Construction of the pond should begin in 2009 and possibly stocking late in the year.

No warranty is made by the Nevada Department of Wildlife as to the accuracy, reliability, or completeness of these data for individual use or aggregate use with other data.

Access – In Carson City, the southwest corner of Highway 395 and Highway 50 (Spooner Highway).
