During the waterfowl season, hunting is permitted on the Moapa Valley portion of the area only on the opening day of the duck season, alternate days thereafter throughout the season, opening day of the goose season, and the closing two days of the duck and goose seasons. Before or after the waterfowl season, hunting is allowed every day for wildlife species upon which there is an established open season.
2. During the waterfowl season on the Moapa Valley portion of the area, hunters must hunt from assigned hunt locations (blinds) constructed by the Department of Wildlife. A maximum of up to four hunters are permitted at each hunt location. Assigned hunt locations are marked by numbered stakes. Hunters shall hunt only within their assigned hunt location and moving to vacant locations is prohibited. The only exception involves reasonable accommodation of the disabled.
3. During the opening day and the first weekend of the dove season the maximum capacity for the Moapa Valley portion of the area is 60 hunters by reservation. Vacancies will be filled by stand-by hunters on a first-come, first-served basis.
4. The hunting of upland game species is prohibited during the waterfowl season, except for persons possessing a valid tag for Hunt# 0131 or 0132 to hunt turkeys in the Moapa Valley of Clark County. Such persons wishing to pursue turkeys on the Overton WMA are prohibited from pursuing any other upland game during such time that the fall turkey season is concurrent with the waterfowl season.

1. To guarantee an opportunity to hunt, reservations must be made for the following specified days of each hunt listed: on the Moapa Valley portion of the Overton Wildlife Management Area - opening day and the first weekend of the dove season and the entire duck and goose seasons; on the Key Pittman Wildlife Management Area - the opening day of the duck and goose seasons. A reservation may be made for one hunt day only. On Overton Wildlife Management Area, a person or his representative applying for reservations for group hunting on either hunt area will be limited to up to four hunters per party.

2. A drawing will be held for reservations starting at 8:00 a.m. on the Monday prior to the opening of the above listed seasons. If the Monday prior to season opening is a state holiday, the drawing will be held on Tuesday. Reservations remaining after the drawing are available on a "first come, first served" basis, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, except for holidays, through the close of these seasons.
3. Reservations must be made in person (or by a representative) at the Las Vegas Office, the Henderson office or at the Overton or Key Pittman Wildlife Management Areas. The reservations must be in the hunter's possession and be shown to the check station attendant to constitute a valid reservation for the day specified. Reservations will not be accepted by mail or phone. At the Key Pittman Wildlife Management Area, reservations for hunting will be required only on the opening day of duck season and the opening day of goose season. On all other waterfowl hunt days, hunters must obtain a reservation card at the Frenchy Lake or Nesbitt check stations prior to hunting. This card must be filled out and returned to the check station upon completion of the hunt. Failure to turn in a completed card at the Key Pittman Wildlife Management Area or failure to check out at the Overton Wildlife Management Area may result in a citation being issued, and the loss of hunting privileges for the remainder of the season.
4. At the Overton Wildlife Management Area, during the waterfowl season an assigned hunt location program will be in effect. An individual may reserve no more than one assigned hunt location on the Moapa Valley portion of the area for no more than four individuals to hunt as a party and this reservation must be utilized prior to reserving another hunt day. Hunters will make a reservation for one of four types of hunt locations (field, pond, bulrush plot, or lake) and the specific hunt location will be determined by a drawing at the check station prior to each day's hunt.
5. A hunter with a reservation will be considered as a "no-show" if he does not present himself at the check station by one full hour before shooting time, except that at the Overton Wildlife Management Area, a hunter with a reservation will be considered a "no-show" if he does not present himself at the checking station one and one-half hours before shooting time during the waterfowl season.
6. Standby hunters must register at the check station upon arrival.
