## Resident Junior Mule Deer - Antlered - or - Antlerless Longbow Archery, Muzzleloader, or Any Legal Weapon Hunt 1107

The junior youth hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the longbow archery season when the unit is open for longbow archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon (including crossbow) when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt.

**Note:** Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 4 years of application for the junior hunt.

Youth must be 12 prior to the opening of the first hunt season applied for (usually longbow archery), and will not attain their 17th birthday until after the last day of the last season applied for (usually rifle). A person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt for not more than 4 years.

In addition to the criminal penalties, every person who unlawfully kills or possesses a big game mammal, bobcat, swan or eagle is liable for a civil penalty of not less than \$250 nor more than \$5,000.

For unlawfully killing or possessing fish or wildlife not mentioned above, the court may order the defendant to pay a civil penalty of not less than \$25 nor more than \$1,000.

For hunting, fishing or trapping without a valid license, tag or permit, the court may order the defendant to pay a civil penalty of not less than \$50 nor more than \$250.

Failure to pay a penalty within 90 days may result in license suspension or revocation and denial of privileges.

# Nonresident Guided Hunt Deer Tags

There are 100 licensed master guides in Nevada that provide guide services for big game, game birds, game fish and unprotected wildlife. Different hunters often desire to hire a guide for different reasons, ranging from a novice hunter who is a little uncomfortable with trekking into the remote Nevada outback, to an experienced hunter, who draws the tag of a lifetime, like a desert bighorn or bull elk tag.

When booking a guided hunt be sure that the master guide you hire is licensed to provide guide service in Nevada and be sure that you are provided with a contract before services are provided. If you are a nonresident of Nevada you may participate in the nonresident restricted guided deer draw, a program that allots a number of tags specifically for a guided deer hunt.

**Please Note:** Nonresident applicants who apply in the Restricted Nonresident Guided Deer Hunt will not be able to apply for deer tags in the big game main draw in the same year.

## Restricted Nonresident Deer Tags: Master Guide Tag Limits (NAC 502.4237)

1. If the Department conducts a drawing for the issuance of nonresident deer tags pursuant to the provisions of NRS 502.147, the Department shall provide to the master guides specified on the applications submitted notification by mail of the date, time and location of the drawing.
2. Not more than 30 successfully drawn applications for restricted nonresident deer tags upon which the same master guide is named may be granted by the Department. If 30 such applications have been approved by the Department, the Department shall deny all applications submitted which exceed that number.
3. An applicant who submits an application pursuant to this subsection may not apply for a nonresident deer tag in the main draw in the same year.

## Restricted Nonresident Deer Tags: Application; Fees; Eligibility for Other Tags (NRS 502.148)

**NOTE:** Applications are made available to master guides in February of each year.

1. Except as otherwise provided in this subsection, any person who wishes to apply for a restricted nonresident deer tag pursuant to NRS 502.147 must complete an application on a form prescribed and furnished by the Department. A licensed master guide may complete the application for an applicant. The application must be signed by the applicant and the master guide who will be responsible for conducting the restricted nonresident deer hunt.
2. The application must be accompanied by a fee for the tag of \$300, plus any other fees which the Department may require. The Commission shall establish the time limits and acceptable methods for submitting such applications to the Department.
3. Any application for a restricted nonresident deer tag which contains an error or omission must be rejected and the fee for the tag returned to the applicant.
4. A person who is issued a restricted nonresident deer tag is not eligible to apply for any other deer tag issued in this state for the same hunting season as that restricted nonresident deer hunt.
5. All fees collected pursuant to this section must be deposited with the state treasurer for credit to the wildlife account in the state general fund.

## Restricted Nonresident Deer Tags: Guide to accompany hunter during hunt (NRS 502.149)

A restricted nonresident deer hunter must be accompanied at all times during the restricted nonresident deer hunt by the licensed master guide who cosigned the application or one of his licensed subguides.
