Other comments, including a dissenting viewpoint (different than the majority) or issue brought up during discussion **The LCABMW is still against non residents having two chances at the draw, regardless of questionable revenue gains. In addition, we are certainly opposed to those who attain a bonus point on the restricted draw having the ability to then use that bonus point to their benefit in the same year on the general draw, PIW, or Silver State. Only one bonus should be accrued in a single year, even though multiple applications may be submitted.**
