

**CABMW RECOMMENDATIONS for the Sept, 2009 Wildlife Commission Meeting**

**WASHOE County Advisory Board to Manage Wildlife meeting results**

**Submitted by Chairman Rick Smith**

- 1. Action Item: CRG #368 LCB File # R040-09 Provisions pertaining to electronic access to the 48-hour release of draw results**

**Recommendation:**

**In Support  In Opposition \_\_\_\_\_**

**Other comments, including a dissenting viewpoint (different than majority) or issue brought up during discussion: voted unanimously to support, only comments made this year to this action were all positive.**

- 2. Action Item: CGR #369 LCB File #R041-09 Provisions pertaining to edible portions of big game mammals, other game mammals, game birds, and game fish**

**Recommendation:**

**In Support  In Opposition \_\_\_\_\_**

**Other comments, including a dissenting viewpoint (different than majority) or issue brought up during discussion: Voted unanimously to support; concern for no mention of neck meat with game mammals but concensus was to not identify as a need and leave the option open to the hunters" desire.**

- 3. Action Item: CRG #371 LCB File R083-09 Modifications to regulations concerning Crittenden Reservoir, Smith Creek Reservoir, and Dacey Reservoir**

**Recommendation:**

**In Support  In Opposition \_\_\_\_\_**

**Other comments, including a dissenting viewpoint (different than majority)**

or issue brought up during discussion: Voted unanimously to support

**4. Action Item: Commission Regulations Fishing Seasons & Bag Limits 09-09**

**Recommendation:**

**In Support X In Opposition\_\_\_\_\_**

**Other comments, including a dissenting viewpoint (different than majority)**

**Or issue brought up during discussion: Voted unanimously to support; question was raised for Washoe Co. concerning urban waters will now be 3 game fish limit with lower Truckee River remaining a 5 trout, 10 mountain whitefish, and 15 warmwater game fish not more than 5 being Black Bass. The Truckee is in close proximity to several urban ponds and if both waters are fished simultaneously which water determines the possession limit.**

**5. Action Item: Translocation of Desert Sheep to Utah**

**Recommendation:**

**In Support X In Opposition\_\_\_\_\_**

**Other comments, including a dissenting viewpoint (different than majority)**

**or issue brought up during discussion:voted 4-1 to support as long as Dept. biologists approve translocation will not have detrimental effect on Nv. Herds.; lone dissenting vote felt that we shouldn't translocate to another state until we have exhausted all possible release sites within Nevada.**

**6. Action Item: Methods of Mule Deer Restoration**

**Recommendation:**

**In Support X In Opposition\_\_\_\_\_**

**Other comments, including a dissenting viewpoint( different than majority)**

**or issue brought up during discussion: Context of this issue was sent via separate e-mail to commission noting major issues facing deer**

populations, and a determination to first focus on habitat restoration and riparian issues. Special meeting to be held in Oct to gain more insight from BLM, NDOW, public and any other concerned groups and then initiate further recommendations.
