

First-time Nevada Big Game Tag Applicants

Anyone born after January 1, 1960 must take hunter safety before purchasing a Nevada hunting or combination hunting and fishing license. NRS 502.330

If you are a first time applicant for tags in Nevada and are born after January 1, 1960, you need to pre-register your hunter safety card with Wildlife Administrative Services to satisfy the hunter safety requirement. Pre-register your hunter safety card at least one week prior to purchasing your hunting license online. This will allow sufficient time for Wildlife Administrative Services to process your request and determine if you have satisfied Nevada's hunter education requirement. (See Instructions below)

Or

If you wait until the last minute and want to apply online, you should purchase your hunting license from an NDOW office prior to applying online. This will also enter your hunter education certificate into the NWDS database for your future use.

How to Pre-register your Hunter Safety Card

- Go to: <http://www.huntnevada.com>
 - On the left-side column of Hunt Nevada's Web site click on "*Hunter Education Confirmation Look-up*"
 - Enter your personal information
 - Next a screen will come up informing you that:
 1. We have your complete client information recorded in our database. No further action is necessary.
- Or
2. We do not have your hunter education card number recorded in our big game application hunt database.
- If you get the second message, click on "*download form*", print form, then mail or fax the form with a copy of your hunter education certificate to Wildlife Administrative Services. The address and fax number are on the form.
