1) Delineate measurable goals with timelines and benchmarks.

2) Provide a cost benefit analysis.

(e) Qualifications

1) Cite expertise, qualifications and references to conduct this study.

(f) Budget

1) Submit a budget and expenditure reports to be monitored by benchmarks.

~~3-4.~~ For a conservation or research project to be considered for funding for the next fiscal year, an application for the project must be substantially completed and received by the Secretary of the Commission at the headquarters of the Department between January 1 and March 1. If, at any other time of the year, the Commission determines that money is available to fund an additional project, the Commission may do one or more of the following:

- (a) Request;
- (b) Accept; or
- (c) Approve,

↳ applications at such time for conservation or research projects which are necessary~~urgent~~ and which present unique opportunities.

~~—(Added to NAC by Bd. of Wildlife Comm'rs by R066-00, eff. 8-18-2000)~~

NAC 501.310 Application for money from Account: Review and recommendations. (NRS 501.3575) Upon receipt of an application, the Department shall review the application, complete the portions of the application the Department is required to complete and send the application to the Heritage Trust Committee of the Commission and to each county advisory board to manage wildlife for review and comment before April 15 of each year. The Heritage Trust Committee of the Commission shall prepare its recommendations for funding and present such recommendations for public comment and approval by the Commission at the first meeting of the Commission after April 30 of each year.

~~—(Added to NAC by Bd. of Wildlife Comm'rs by R066-00, eff. 8-18-2000)~~

NAC 501.320 Application for money from Account: Priorities for approval. (NRS 501.3575) The Commission will review the applications and decide which conservation projects will receive money from the Account during the next fiscal year. The Commission will give priority to conservation projects that:

- 1. Have additional sources of money to fund the project; and
- 2. Involve habitat restoration and improvement of a long-term or permanent nature; ~~and.~~

~~—3. Demonstrate a need for money to fund the project.~~

~~—(Added to NAC by Bd. of Wildlife Comm'rs by R066-00, eff. 8-18-2000)~~

NAC 501.330 Duties of Secretary of Commission. (NRS 501.3575)

1. On or before November 1 of each year, the Secretary of the Commission shall make available to the public the application form described in [NAC 501.300](#).

2. On or before the first meeting of the Commission after January 31 of each year, the Secretary of the Commission shall provide to the Commission an accounting of:

(a) Seventy-five percent of the amount of money deposited in the Account during the previous calendar year; and

(b) All interest earned on the Account during that year.

~~(Added to NAC by Bd. of Wildlife Comm'rs by R066-00, eff. 8-18-2000; A by R111-05, 10-31-2005)~~

NAC 501.340 Duties of person managing or supervising conservation project; time for completion; cancellation of funding. (NRS 501.3575)

1. A person who is responsible for managing or supervising a conservation project that is approved by the Commission shall:

(a) Complete a contract for services on a form provided by the Commission;

(b) Comply with all local, state and federal laws when executing the project;

(c) Coordinate all relevant sources of money for the project;

(d) Submit written requests for ~~money payment~~ in accordance with the policy of the Department before receiving a payment from the Account; and provide quarterly progress report to the Commission along with the funds expended;

~~(e) Upon request of the Commission, allow the Commission or a representative of the Commission who has been designated by the Commission for such a purpose to observe any activity related to the project; and-~~

(f) All changes in project proposals and expenditures must be approved by the Commission.

2. A conservation project ~~that receives money from the Account must be completed by the end of the fiscal year~~ for which money is awarded from the Heritage Account ~~for the project, must complete the project within the timeline specified in the project proposal,~~ unless, before that date, a person who is responsible for managing or supervising the project demonstrates that unusual circumstances exist which require an extension of time and the Commission approves such an extension.

3. Provide to the Commission along with the request for final payment by NDOW, a comprehensive report of the project results including a total of funds expended, with the breakdown of funds allocated no later than 30 days after the project is completed.

~~3~~ 4. If a person who is responsible for managing or supervising a project fails to meet any requirement of subsection 1, the Commission may cancel funding of the project and disqualify the project from any future funding.
