The Nevada Duck Stamp Art Contest judging will occur by November 30 of each year. The winning entry will be featured on the following year's Nevada duck stamp. The Department will be responsible for all facets of the contest not covered above, including solicitation, handling, processing and return of entries. Actual contest judging will occur at the Department headquarters, 1100 Valley Road, Reno. If the sponsor proposes that judging be held at an alternate site, the sponsor must submit a written liability agreement to the Department stating that the sponsor will pay in full any repair or replacement costs should any painting be damaged or lost during judging or during transit to or from the judging site. Actual replacement costs will be established by each artist on their entry forms.

Initially, a total of 35,000 stamps will be printed each year and each will be numbered consecutively, beginning with 00001 through 35,000. Stamps will be printed four to a page and incorporated into books, each containing five pages for a total of twenty stamps per book. A total of 1,750 books will be ordered. In the event the "mint stock" supply (the supply for collectors-see section on Handling and Distribution) is depleted before expiration of that current year's stamp (February 28 or 29), additional stock will be ordered and made available for sale as described in this policy. The printing of additional stock will constitute a continuation of that particular series, and will not constitute a new or special stamp series. Under no circumstances will any stamps carry duplicate numbers.
