Legislative Counsel's Digest:

Existing law requires that, with certain exceptions, all fees for the sale or issuance of stamps, tags, permits and licenses that are required to be deposited in the Wildlife Account be used only for the management of wildlife. (NRS 501.356) This bill expands that use requirement to include any matching money received by the Department of Wildlife from any source and provides that any use of such fees and matching money must be approved by the Board of Wildlife Commissioners.
