Division Director

August 24, 2009

Kenneth E. Mayer, Director
Nevada Department of Wildlife
1100 Valley Road
Reno, Nevada 89512

Dear Ken,

First I would like to thank you for the bighorn sheep that we received from Nevada in 2006. Those sheep are doing well and contributing to our increasing statewide sheep population.

I understand that Nevada may have more surplus sheep available for transplant this year. We still have a need for sheep to fill vacant habitat and supplement existing populations. Please consider Utah's request for bighorn sheep if they become available.

Sincerely,

Jim Karpowitz
Division Director

JFK/aa
