

CNEP Coordination and Oversight Team (COT)

Midge Carver was appointed as the County Commissioner representative when the COT was first formed in 2005.

The inaugural meeting of the CNEP Coordination and Oversight Team (COT) was held on November 30, 2005. Three additional annual meetings have been held since that inaugural gathering. No additional meetings have been called for due to a lack of elk related conflicts or issues in central Nevada being reported to NDOW, BLM, USFS, or the COT.

According to minutes and attendance lists taken during the four COT meetings held up until this point, Midge Carver attended two of the four annual meetings. One in 2005 and the other in 2007. Other than the Chairperson position, COT members have not been responsible for carrying out any duties outside the meetings.

In 2008, Midge Carver did not run for re-election as County Commissioner, so gave up her position as a COT appointee.
