Re: Letter if interest to serve on the Central Nevada Elk Plan Coordination and Oversight Team.

Dear Stephen,

I noted on your notice for the Central Nevada Elk Plan, Coordination and Oversight Team Fall Meeting in Austin that agenda item #5 announces the Committee vacancy for Commissioner Midge Carver from Nye County.

I also noted that you will be seeking a replacement for Commissioner Carvers' seat on the Committee .

This letter is to inform the Team and the Commission that I would be interested to serve on the team if selected. I am a lifelong resident of Austin and have be an active sportsman most of my life and very familiar with the team planning area. I served as a Commissioner for 8 years in the past and will be returning for another 4 year term to represent District #3 that covers the area south of the 40<sup>th</sup> parallel in Lander County that includes a large portion of the teams planning area.

I was an active participant in the formulation of the Elk Plan and Sage Grouse planning in the past as a member of the Lander County Public Land Advisory Commission.

The follow up on the planning effort is a very important function of a living plan and feel that my involvement would keep the Lander County Commission abreast of the teams progress.

I will not be able to attend the meeting on Jan 6, 2009 in Austin due to a prior commitment. However if I am appointed to the team I will make all future meetings.

Sincerely,

  
Ray H. Williams, Jr. Lander County Commissioner Elect.

CC: Chairman, Lander County Commission  
CC: Nye County Commissioner, Midge Carver
