Subject: Heritage Committee CR10-01 Vendors

Commissioners,

I am writing to you with my thoughts of vendors for the coming year. SCI- No. Nv. Chapter, NBU- Reno Chapter, and WSF (formerly known as FNAWS) have all been great supporters of this program in the past and actively involved with sportsmen and wildlife issues within our state. NBU has raised over \$1.3 million dollars during the past ten years and has underwritten many projects which have needed outside financing and their members have unselfishly given volume of volunteer time to various projects. My hopes are for the following:

- 1) Mule Deer-SCI- No. Nv. Chapter
- 2) Mule deer- NBU- Reno Chapter
- 3)Pronghorn Antelope- Pershing C. Chukars Unlimited (They have historically had this tag and continually do a great job raising money with the tag sale)
- 4) Pronghorn Antelope- NBU- Reno Chapter
- 5) Rocky Mtn. Elk- SCI- No. Nv. Chapter
- 6) Rocky Mtn Elk- NBU- Reno Chapter
- 7) Nelson Bighorn Sheep- WSF (formally FNAWS)
- 8) California Bighorn Sheep- NBU- Reno Chapter
- 9) Wild Turkey- there were only 5 requests so I would suggest award as requested: SCI, NWTF- Silver Sage Chapter of Reno, Nv,Ruby Mtn. Chapter of SCI, Las Vegas Strutters (2tags as requested).

Of greater concern to me was that RMEF this year for the second continuous year and MDF for the first year did not submit for any tags. Both of these organizations have done a great job for the State of Nevada with raising money in the past. I might suggest there be a follow up to why they have made the change to not be involved.Tags are few and we need to retain our best sources to auction those tags through.
