

STATE OF NEVADA BOARD OF WILDLIFE COMMISSIONERS

The Board of Wildlife Commissioners under the authority of Title 45 of the Nevada Revised Statutes, does hereby adopt the following regulations for the management of raptors:

Commission Regulation 11-01 2011 and 2012 SEASONS AND QUOTAS FOR TAKING RAPTORS FOR FALCONRY

- LIMIT:** Two Raptors; one raptor per permit.
- SPECIES LIMITS:** Not more than one of any species
Exception: Under the authority of the second capture permit, a person may take another raptor of the same species to replace a bird, captured in the same year, which died or was lost.
- TAKE RESTRICTION:** One Eyas must be left in every nest from which raptors are captured.
- HOURS:** Raptors may be taken any time of the day or night during the open season
- AREA:** Statewide for all authorized species except goshawks. The take of goshawks is closed in Elko County north of I-80.
- SEASON:** 2011 season - Eyas season: May 20 through July 9, 2011 and
- Passage season: September 13 through December 31, 2011
2012 season - Eyas season May 20 through July 9, 2012 and
- Passage season: September 13 through December 31, 2012

Deadline for Acceptance of Application/Drawing

Applications for permits to take raptors for falconry will become available the first weekday of March.

The deadline for the receipt of applications for **quota** species is 5:00 p.m., on the second Monday of April. Applications for a permit to capture **non-quota** species will be accepted any time after applications become available. Applications must be mailed through a postal service to the address listed on the application.

A drawing will be conducted by the Department if there is an over-subscription of applications for any raptor species for which a quota has been established. After the drawing any quota remaining will be available for application. Applications after the drawing will be processed in the order of receipt until the quota is filled or the close of the season.

Resident applicants will apply for a species in accordance with the instructions on the application. Nonresident applicants may only apply for **one** (1) species per application.
