Dear Sirs:

Subject: 2011 & 2012 Big Game Season Recommendations for unit 195

We have reviewed you're proposed Big Game Seasons for the 2011 & 2012 seasons. We concur that the dates for archery, and muzzleloader seasons stay as submitted. However, due to decreased herds, disrupted migration paths, increased predators, and the increasing private lands with in Storey County, we would like to move the general rifle season from November, back to October. This move would take the season out of the rut, thus giving the bucks a much better chance to mature.

In addition, as you consider the number of tags allotted for our unit, we would like to see the number reduced to 12 tags for the next two seasons.

Sincerely,

A handwritten signature in black ink that reads "Greg Hess". The signature is written in a cursive style and is followed by a long horizontal line that extends across the page.

Greg "Bum" Hess
Chairman
