*GOVERNOR BRIAN*

**#8**

7 June 2011

Dear Nevada Bighorns Unlimited, Reno Chapter:

It has come to the attention of the Nevada Board of Wildlife Commissioners that NBU has performed a second auction of a Heritage Bighorn Sheep Tag. This was discussed in a public meeting at which your President Mike Bertoldi spoke to the Commission on the matter.

In accordance with State law, the Nevada Board of Wildlife Commissioners formally requests that NBU remit the full difference between the donation value (the amount remitted to the Heritage Fund by the original tag sale) and the full auction tag price paid in the raffle performed by NBU to the Nevada Department of Wildlife for deposit in the proper Heritage Account as provided for by State law.

The Board of Wildlife Commissioners thanks NBU for its contributions to Nevada's wildlife, including working with the Nevada Department of Wildlife and the Commission to receive the highest value for our Nevada Heritage tags at auction, the Board of Wildlife Commissioners looks forward to working with you for the future protection, propagation, and restoration of Nevada's wildlife and thanks you for properly resolving this Heritage funding issue.

Thank you,

A handwritten signature in cursive script, appearing to read "Scott Raine".

Scott Raine  
Chairman, Nevada Board of Wildlife Commissioners
