Commission General Regulation 399, LCB File No. 148-12 – Special Permit
The Commission may adopt a regulation relating to wildlife; to issue a special permit to allow a person to handle, move or temporarily possess any wildlife which is classified as protected under certain circumstances; setting forth the information which must be included in an application for the special permit; specifying the maximum period of validity of the special permit; requiring a holder of the special permit to submit a report to the Department within a certain period after the special permit expires; and providing other matters properly relating thereto. This regulation would allow for the movement and temporary possession of protected wildlife (i.e. Desert tortoise, Gila monster) out of harm's way as part of approved environmental compliance measures.

A motion was made by Ryan Collins and 2nd by Randy Scilacci to approve the Departments recommendations. (**Motions Carries**)

Commission General Regulation 411, LCB File No. R150-12 – Unit Boundaries--The Commission will consider and may take action to adopt area and corresponding unit boundary changes updated with current geographical descriptions and some new unit descriptions designed to simplify, clarify, or more.

A motion was made by Randy Scilacci and 2nd by Ryan Collins to approve the Departments recommendations for Pershing County only and to support the other Counties in their recommendations. **(Motions Carries)**

Commission General Regulation 412, LCB File No. R151-12 – Range Finding Scope – The Commission may adopt a regulation relating to hunting; revising the prohibition against using a weapon that is equipped with a certain type of sight while hunting; and providing other matters properly relating thereto. If adopted the regulation would allow for the use of scopes that utilize an internal range finder that cast a beam of light that is not visible to the human eye.

A motion was made by Ryan Collins and 2nd by Randy Scilacci to approve the Departments recommendations. **(Motions Carries)**

Commission General Regulation 413, LCB File No. R152-12 – Aquatic Invasive Species –The Commission may adopt a regulation relating to aquatic species; classifying certain aquatic species of wildlife as aquatic invasive species and injurious aquatic species; and providing other matters properly relating thereto. Certain aquatic species have the potential to greatly alter aquatic environments and become economically damaging. Classification of certain aquatic species as invasive and injurious will be discussed.

A motion was made by Randy Scilacci and 2nd by Ryan Collins to approve the Departments recommendations. **(Motions Carries)**

Commission General Regulation 417, LCB File No. R156-12 – The Commission may adopt a regulation relating to crayfish; authorizing a holder of a permit to take crayfish from the waters of Lake Tahoe to sell the crayfish to a food wholesaler or restaurant for human consumption; requiring the buyer and the seller of the crayfish to retain certain records of the purchase; and providing other matters properly relating thereto. A person may now obtain a permit to commercially capture crayfish from Lake Tahoe. Discussion will occur regarding the sale of crayfish taken under this permit by wholesalers and restaurants.

A motion was made by Randy Scilacci and 2nd by Ryan Collins to approve the Departments recommendations. **(Motions Carries)**
