For a native sport fish to be considered for the Native Fish-Slam Program the following must apply:

1. **Fish must be taken legally from Nevada waters. Review current regulations regarding harvest of fish.**
2. **A photograph must be provided of the angler posing with the fish at the water where caught.** (All photos submitted are then the property of NDOW and may be used in NDOW publications.)
3. There is no time limit for completing the Native Fish-Slam Program, but **an entry form must be submitted within 60 days of a fish being caught** (NDOW will maintain angler records).
4. No weight or length measurements are required to enter this program.
5. Only one certificate per angler will be awarded once all species of fish have been entered.
6. Anglers are also encouraged to submit fish into the Nevada Trophy Fish Program if it meets the minimum weight qualification. (A separate Nevada Trophy Fish entry form must be completed.)
7. NDOW has the right to accept/reject/disqualify any entry form submitted. All decisions made by the NDOW Trophy Fish Committee (Fisheries Chief, Regional Fisheries Supervisor, and Staff Sport Fish Coordinator) are final.
