Passage season: January 1 through December 31, 2018.

Deadline for Acceptance of Application/Drawing

Applications for permits to take raptors for falconry will become available the first weekday of December.

The deadline for the receipt of applications for **quota** species is 5:00 p.m., on the second Monday of January. Applications for a permit to capture **non-quota** species will be accepted any time after applications become available. Applications must be mailed through a postal service to the address listed on the application.

A drawing will be conducted by the Department if there is an over-subscription of applications for any raptor species for which a quota has been established. After the drawing, any quota remaining will be available for application. Applications after the drawing will be processed in the order of receipt until the quota is filled or the close of the season.

Resident applicants will apply for a species in accordance with the instructions on the application. Nonresident applicants may only apply for **one** (1) species per application.
