NDOW Supports First Reprint. And, working enabling language to allow for the Commission to develop regulations for a supervising person to assist the disabled hunter in the take of game in the field.	Natural Resources	5/5/2015 1:30 PM
AB142	Revises provisions governing the administration and enforcement of wildlife laws. (BDR 45-402)	High Priority	Removing Commission authority to set demerits by placing the demerit system of 1999 in the statutes (NRS), rather than as it exists now in regulation (NAC). The 1999 version of the demerits system greatly reduces all demerits, including, but not limited to the following: Killing big game from an aircraft, and chasing deer on winter range with ATVs each would be reduced from 12 to 6. It also reduces demerits for possessing freshly killed game during a closed season from 12 to 9; hunting, fishing, or trapping with a license obtained using fraudulent information (such as residency) would decrease from 6 demerits to 3. Trap demerits would also be reduced greatly: catching an eagle in a leghold trap that was placed next to a dead animal used as trap bait would decrease from 6 demerits to 3; trapping in a closed area such as the Tahoe Rim trail, Hunter Creek Trail, or Kyle Canyon Campground would decrease from 6 demerits to 3. Changing the illegal killing of a mountain lion from a felony to a misdemeanor. Allowing removal of 4 demerits by taking a hunter education class, without limitations, meaning habitual violators could always avoid revocation by retaking the class. AB217	Revises provisions governing off-highway vehicles. (BDR 43-994)	OHVs	Department. Section 3.4 of this bill authorizes the Department, upon request from a sheriff, to authorize the sheriff to accept from the owner of an off-highway vehicle the applicable fees and the information required by the Department for registration. Such a sheriff or dealer is authorized to retain \$5 from the registration fees paid by the owner of the off-highway vehicle. Existing law authorizes a large all-terrain vehicle to be registered as an off-highway vehicle intended to operate on certain roads that have been designated for such use if the large all-terrain vehicle has certain required equipment and the owner of the large all-terrain vehicle provides proof of liability insurance that meets the requirements for other motor vehicles that are authorized to operate on the highways of this State. (NRS 490.0825, 490.105) Sections 3.2 and 3.9 of this bill define as an off-highway vehicle required to be registered a mini-truck which meets certain specifications for power and size. Section 6 of this bill allows the owner of such a mini-truck to register the mini-truck as an off-highway vehicle intended to operate on certain roads that have been designated for such use if the mini-truck meets the same equipment and insurance requirements that a large all-terrain vehicle must meet. Section 12 of this bill exempts the driver of a mini-truck from the requirement to wear a helmet if driving an off-highway vehicle on a highway of this State. (NRS 490.130) Section 5 of this bill revises the requirements for off-highway vehicles to be registered to acknowledge the authority of authorized sheriffs to register such vehicles. Section 6 of this bill revises the provisions allowing for the registration of certain large all-terrain vehicles and mini-trucks to be operated on certain roads designated for their use by adding provisions relating to renewal of such registration, and adding provisions that exempt from such registration certain large all-terrain vehicles or mini-trucks owned and operated: (1) by certain governmental entities; (2) by certain off-highway dealers under certain circumstances; (3) for work conducted by a public or private utility; (4) solely as part of an organized race, festival or similar event; or (5) in the conduct of certain search and rescue operations. Sections 4 and 10 of this bill revise provisions relating to the duties of the Department to reflect the changes made to the registration of off-highway vehicles in this bill.	Ways and Means

AB408	Enacts provisions relating to certain uses of land and the exercise of law enforcement authority in this State. (BDR 26-1060)		DEAD . NBWC Committee Opposed due to Conflict with Policy 64. The bill (as amended in NATRAM) declares that sheriffs and their deputies are the primary law enforcement officers in the unincorporated areas of their respective counties. It would allow county sheriffs to enter into agreements with federal agencies to exercise law enforcement authority on land managed by the federal agency. But such an agreement would require the federal agency to recognize the sheriff as the primary law enforcement authority on the federal lands.	General File	
AB415	Revises provisions relating to the use of water in a federal reclamation project. (BDR 48-928)	Water	Existing law provides that a surface water right acquired by a water user in a federal reclamation project is considered under certain circumstances to be appurtenant to an entire farm rather than particular land within the farm. In this context, a "farm" is defined to be a tract of land that is under the same ownership and primarily used for agricultural purposes.
