Grant Opportunity – GEORGE H.W. BUSH VAMOS A PESCAR EDUCATION FUND

The Nevada Department of Wildlife (NDOW) has received a grant to fund state and local initiatives that focus on engaging Southern Nevada Hispanic families in fishing, boating and conservation activities.

Proposals are due no later than Thursday, October 1, 2020. Grant proposals and any questions should be submitted to the Nevada Department of Wildlife Statewide Outdoor Education Coordinator, Aaron Keller at akeller@ndow.org.

Grant Application Instructions
Please find a Scope of Work below detailing the deliverables for the engagement of Hispanic families in Southern Nevada. The proposal must include:

- Identification of the project manager and supporting staff (if applicable) along with a brief description of qualifications;
- Description of how the scope of work will be performed;
- An estimated budget for proposed activities

Grant Eligibility (must meet all of the following criteria)

- Specific experience engaging Hispanic Families in fishing, boating and conservation activities.
- Specific program details if approved.
- Subgrantee must have an active DUNS number, or ability to obtain one
- Subgrantee must be registered in the System for Award Management, at www.sam.gov, and be in good standing, OR, have the ability to obtain registration and good standing.

Scope of Work
NDOW is seeking a qualified vendor to host a minimum of 2 shore-based and 2 boat-based events focused on fishing skills and aquatic stewardship. The vendor will supply all equipment and supplies for participants.

1. Objectives:
The major objective of this effort is the following:
The major objective for this program is to build familiarity with local sites, foster meaningful relationships with fishing and environmental resource experts, and teach about the rules and techniques for fishing. As families experience a memorable day in a local fishing site, this grant will contribute to the overall long-term goal of building an increasingly diverse, informed and active cadre of conservation stewards.
2. Location and Description:
The vendor will be tasked with hosting events at Southern Nevada fishable waters.

3. Contractor furnished property and services:
The contractor shall furnish all labor, equipment, and supplies necessary to perform all work as set forth in the specification.

4. Government furnished property and services:
No government furnished property is being provided by NDOW.

5. Selection Process:
The winning proposal will be selected through the NDOW scoring process, outlined in the NDOW Subgrant Manual at http://www.ndow.org/Our_Agency/Grants/.

6. Contract Monitor
A. Contract Monitor: Aaron Keller
   Nevada Department of Wildlife
   6980 Sierra Center Parkway
   Reno, NV 89521
   Phone: 775-688-1555
   E-mail: akeller@ndow.org

7. Reporting
   The successful subgrantee shall be required to provide NDOW Interim and Final Performance Reports and Interim and Final Financial Reports. Reporting deadlines and content shall be consistent with normal Federal Grant reporting requirements and will be detailed in the subgrant award.

8. Invoicing
   A. All invoices shall be sent to the contract monitor listed above.
   B. If the full complement objective is not met, and the vendor deems continued efforts are no longer feasible or worthwhile for the term of the contract then an invoice should be submitted for the work completed up to that point for which NDOW has not already been invoiced.
