MEMORANDUM

December 31, 2019

To: Nevada Board of Wildlife Commissioners, County Advisory Boards to Manage Wildlife, and Interested Publics

From: Kimberly Munoz, Data and Technology Services Division Administrator

Title: **Commission Regulation 20-07, 2020 Silver State**

Description: The Commission will review, revise and adopt recommendations for the establishment of the 2020 Silver State Tags seasons and quotas.

Agenda No:

#18J

Summary:

This regulation is to establish the 2020 seasons and quotas for Silver State big game tags. Combined Heritage and Silver State tag quotas may not exceed 15 big game tags and 5 wild turkey tags per Nevada Revised Statute 502.250. Nine (9) big game Heritage tags for 2019 were approved last year, leaving up to six (6) big game tags remaining for Silver State.

Brief Explanation of the Proposed Regulation

The Department recommends no changes to the previous year's Silver State tag species, seasons, or quotas, allowing one (1) tag for each of mule deer, pronghorn antelope, elk, and Nelson (Desert) bighorn sheep.

The Department recommend the closure of hunt unit 267 for the Desert bighorn sheep tag and unit 091 for the elk tag.

The Department recommends continuing to use the method for closing Silver State bighorn sheep hunt units based on the Tag Allocation and Application Hunt Committee recommendations. These recommendations include the closure of hunt units where the Nelson (Desert) Bighorn Sheep Silver State Tag No. 1 was filled in the year prior and the harvest quota for the current year for that hunt unit is less than ten (10).

Recommendation:

The Department recommends that the Commission review and adopt the proposed regulation as presented.
