COMMISSIONERS

LCB File No. R103-19

January 3, 2019

EXPLANATION – Matter in *italics* is new; matter in brackets [~~omitted material~~] is material to be omitted.

AUTHORITY: §§1 and 4, NRS 501.105, 501.181, 502.160; §2, NRS 501.105, 501.181, 502.160 and 502.175; §3, NRS 501.105, 501.181, 502.160, 502.175, 502.219; §§5 and 6, NRS 501.105, 501.181, 502.160, 502.219 and 502.250.

A REGULATION relating to wildlife; revising provisions regarding the bonus point program; revising provisions regarding the award of certain tags; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Wildlife Commissioners to adopt regulations necessary to preserve, protect, manage and restore wildlife and its habitat and to carry out provisions governing wildlife, including, without limitation, the manner and means of taking wildlife. (NRS 501.105, 501.181)

Existing regulations authorize a person who is under 12 years of age to submit an application for a bonus point if he or she will attain the age of 12 before the commencement of the earliest season for the category of the species to which the application relates. (NAC 502.4177) **Section 1** of this regulation authorizes a person to apply for a bonus point if he or she will attain the age of 12 before the commencement of the last season for the category of the species to which the application relates. **Section 2** of this regulation makes a conforming change.

Under existing regulations, an applicant for a tag loses his or her bonus points if he or she fails to submit an application for a tag or a bonus point for 2 consecutive calendar years. (NAC 502.4187) **Section 3** of this regulation requires the Department of Wildlife to reinstate such bonus points, upon written request, if the applicant was an active member of the Armed Forces of the United States and was mobilized, deployed, ordered to train or assigned a duty station outside of the United States during the entirety of that 2-year period. **Section 3** also provides that if a person is ultimately awarded a tag through the alternative list, he or she will lose any bonus point awarded to him or her for that species or category of species.

Under existing regulations, the Department is required to issue certain returned tags to hunters on an alternative list if more than 14 business days remain before the start of the season. (NAC 502.421) **Section 4** of this regulation requires instead that the Department issue such returned tags to hunters from the alternative list if 14 calendar days or more remain before the start of the season. **Section 5** of this regulation requires the Department to provide all eligible hunters with an opportunity to apply for any tags remaining if 14 calendar days or less remain before the start of the season.

Existing regulations: (1) authorize the Department to issue a refund to the holder of a tag if the tag was issued in error; and (2) require the Department to issue a refund to the holder of a tag if that person or a close member of his or her family dies or incurs a disability. (NAC 502.422) **Section 6** of this regulation excludes a \$1 processing fee from such refunds. **Section 6** also provides that if all members of a party return every tag issued to the party, each person in the party, will be treated as if the tag or tags had never been issued in respect to his or her accrual of bonus points. Further, **section 6** removes provisions that require the Department to issue a refund to the holder of a tag for any subspecies of bighorn sheep or mountain goat who returned the tag before a certain date.

Section 1. NAC 502.4177 is hereby amended to read as follows:

502.4177 1.
