Summary:

Commission Regulation 16-13 sets upland game and furbearer seasons and bag limits for the 2016–2017 and 2017–2018 seasons. The following is a brief summary of recommended changes from prior seasons.

*Youth Seasons:*

- Extend the youth season for upland game from just a single weekend to a weeklong season with two weekends included for a season length of 9 days, and
- Recommend amending the age requirement for youth from 15 years of age and younger to 17 years of age and younger to match the youth waterfowl season age requirements.

*Sage-grouse:*

- Changed season opening date to a specified Saturday and closing date to a specified Sunday,

- Recommend opening Hunt Unit 015 in Washoe County to sage-grouse hunting, which has been closed for 2 years,
- Recommend opening Hunt Units 076 and 081 in Elko County to sage-grouse hunting'
- Recommend closing Hunt Unit 107 to sage-grouse hunting in Elko County; and
- Recommend a second hunt period for the Sheldon National Wildlife Refuge Special Sage-grouse Hunt.

*Blue (Dusky and Sooty) and Ruffed Grouse*

- Recommend increasing the possession limit from 6 to 9 (3 times the daily bag limit), similar to federal regulations for other migratory game.

*California, Gambel's, and Mountain Quail:*

- Recommend increasing the possession limit from 20 to 30 (3 times the daily bag limit), similar to federal regulations for other migratory game.

*Pheasant:*

- Recommend increasing the possession limit from 4 to 6 (3 times the daily bag limit), similar to federal regulations for other migratory game.

*Cottontail, Pygmy, and White-tailed Jackrabbits*

- Recommend increasing the possession limit from 20 to 30 (3 times the daily bag limit) , similar to federal regulations for other migratory game.

*Junior Wild Turkey Hunt:*

- Recommend adding a season in Lincoln County with 2 junior turkey tags, and
- Shooting hours extended from ½ hour before sunrise until sunset.

*Limited Entry Wild Turkey Hunt:*

- Recommend an additional tag for Hunt Unit 151 and 152 of Lander County,
- Recommend opening a season once again in Lincoln County with 5 tags,
- Recommend adding a nonresident tag for the first spring hunt within the Mason Valley Wildlife Management Area, and
- Recommend increasing the quota for both Pershing County seasons by 2 tags each (from 8 tags to 10) and including a nonresident tag for each hunt, and
- Shooting hours extended from ½ hour before sunrise until sunset.

*General Spring Wild Turkey Hunt:*

- Recommend closing the General Spring Wild Turkey Hunt for Hunt Unit 192 of Douglas County.

*Furbearers:*

- The Department is recommending only one change to furbearer seasons from those adopted by the Commission last year in June. The bobcat season recommendation expands bobcat season from an 83 day season to a 95 day season. The Department is also recommending a concurrent gray fox season.

*Supporting Nevada bobcat data:*

Bobcat data from the previous year's sample and data collection indicate statewide populations of bobcat are healthy within Nevada. Kitten production for the past year was 94 kittens/100 adult female, above both the 10-year (54/100) and long-term (66/100) means production rates.

Adult male:female ratios (149 males:100 females) within the harvest were also excellent and above both 10-year (140:100) and long-term (141:100) mean ratios.

*Pelt sealing dates:*

Minimal changes have been adopted to adjust bobcat pelt sealing dates as needed.

Recommendation:

The Department recommends that the Commission **VOTE TO ADOPT COMMISSION REGULATION 16-13, 2016–2017 AND 2017–2018 UPLAND GAME AND FURBEARER SEASONS AND BAG LIMITS AS PRESENTED.**

# STATE OF NEVADA BOARD OF WILDLIFE COMMISSIONERS
