* Fallon NAS - There are portions of unit 181 in Naval Air Station (NAS) Fallon where public access is restricted. To hunt Nelson (desert) bighorn sheep in the NAS portions of this unit, the tag holder is required to attend a NAS hunter safety briefing.

*Portions of Hunt units 252, 280, 281, 282 are within the Nevada Test and Training Range (NTTR) where public access is **restricted**. Hunters and everyone in their respective hunting parties, must comply with all Nevada hunting requirements and all NTTR safety and security requirements including the following: 1) consent to and pass a criminal history background check, 2) be at least 14 years old on opening day of the respective hunting season, 3) attend the Nellis Air Force Base hunter safety briefing, and 4) within the NTTR portion of unit 252 limit party size to 5 including tag holder. Additional party members may complete background check and safety briefing, but only maximum of 5 party members including tag holder may be present within the NTTR portion of unit 252 at any given time.

*Hunters and members of their parties who fail to comply with these requirements may be denied access to the NTTR. Hunters and members of their parties may not access the NTTR after a tag is filled and animal has been removed and in possession of tag holder. No pets are allowed on NTTR. It is the hunter's responsibility to meet and/or comply with all NTTR eligibility requirements. In some units there may be adjustments to season dates to accommodate Department of Defense operations. The Nevada Board of Wildlife Commissioners hereby delegates authority to the Nevada Department of Wildlife to adjust season dates to accommodate Department of Defense operations so long as there is no change to the overall length of the season.
