Board passed motion to support the Dept.'s recommendations on all Desert Sheep season dates.

Board passed motion to support the Dept.'s recommendations on all California Sheep season dates.

Board passed motion to support the Dept.'s recommendations on all Rocky Mountain Bighorn season dates.

Board passed motion to support the Dept.'s recommendations on all Mountain Goat season dates.

Board passed motion to support the Dept.'s recommendations on all Mule Deer season dates.

Board passed motion to support the Dept.'s recommendations on all Black Bear season dates.

The Board did not pass the Dept.'s recommendations on Silver State and Heritage tag season dates. The board does not agree with the Heritage tag hunters being allowed to start on July 1. We believed the Silver State and the Heritage are similarly structured hunts and should have starting dates that coincide with each other. We also don't believe the holder of these tags should be given such an advantageous early start over the general public. We would like to see both of these series of hunts start much closer to the general hunting season start dates.

Mike Jurad wanted to publicly commend the State for citing the people were tampering with bear traps.
