

Humboldt County Advisory Board to Manage Wildlife

June 19, 2017 Meeting Minutes

- 1) Action Item 19 **Upland Game** : Motion to accept NDOW recommendations ... ALL IN FAVOR

- 2) Action Item 19 **Furbearer**: Motion to Start Bobcat and Gray fox season on **DECEMBER 1** run through last day of February ... ALL IN FAVOR. Bobcats are not prime in November (this **is fact** not opinion)... harvesting this resource too early is not right. It is the same as hunting mule deer in June. Humboldt County strongly urges the commission to adopt these season dates recommendations.

- 3) **Action Item 21 Release plan**: Motion to accept NDOW recommendations... ALL IN FAVOR

Thank you for your consideration on these recommendations .

Respectfully yours Humboldt County
