Mineral County Board of Commissioners  
P.O. Box 1450  
Hawthorne, NV 89415-1450

Dear Honorable Board,

The members of the Mineral County Advisory Board to Manage Wildlife hereby request your support in an effort to introduce elk to Mineral County. During our local meeting, we discussed requesting the Nevada Department of Wildlife Commissioners to look into the aspect to bringing elk to Mineral County. During three different public meetings the support was unanimous to bring Elk to Mineral County

Elk in Mineral County will bring beauty to the local terrain by the majestic beauty of this magnificent animal. People will be coming to the area to get of glimpse of the elk in their natural habitat and they will be an ecological and economic benefit. It will help rebuild our economy.

Jeremy Drew, NDOW Commission Chairman has advised me that they need a letter from the Mineral County Board of Commissioners requesting the introduction of elk into Mineral County and supporting the Department in this endeavor in order to start the process. We sincerely request your support with this measure.

Yours truly,

Glenn Bunch  
Chairman
