Welcome to Nevada

Welcome to the 2014 Nevada Hunting Guide. If you already live in this great state or if you have hunted here before, you know about all of the great opportunities the Silver State has to offer. I simply want to thank you for your support of Nevada's wildlife and express my hope that you will enjoy a great year of hunting. If, however, you are unaware of all that Nevada has to offer, I invite you to fully check out this magazine and also enjoy our website (ndow.org) to learn what you've been missing. We think it's a pretty special place.

If you are thinking of hunting big game in the Silver State, Nevada offers a good variety of hunting opportunities for deer, elk, bear, pronghorn antelope, mountain goat, and bighorn sheep. Nevada is one of just a few states that possess three sub-species of bighorn sheep (desert, rocky mountain and California). This year the department began offering several new hunt options. New options for 2014 include a combo hunt option that allows sportsmen hunting in some areas the chance of hunting a cow elk simultaneously to mule deer, or one that allows sportsmen the chance to hunt a cow elk while simultaneously hunting bull elk. Also, this year is the first time Nevadans have had bighorn sheep ewe hunts as an option. Population growth and disease issues in bighorn populations have required the addition of this hunt as a management option.

Maybe upland game is your thing. Nevada offers quality upland game including some of the best chukar hunting in the country. One organization ranked Winnemucca as the eighth best bird hunting town in America and gave it the unofficial title of "Chukar Capitol of the Country". Talk about unique, the Ruby Mountains are still the only place in the Western Hemisphere where you can hunt Himalayan snowcock. From quail to dove to blue and ruffed grouse; Nevada offers a wide variety of bird hunting opportunities.

When it comes to hunting waterfowl, Nevada serves as

an important waterfowl stopover on both spring and fall migrations, making the state's duck, goose and swan hunting a great and unexpected resource.

It is essential to point out that none of this would be possible without the support of hunters and anglers, who provide the core of our funding. Without the fees from the sale of licenses, tags and stamps, as well as the excise taxes you pay on hunting and fishing equipment, it would be impossible for us to do our job. There is nothing quite like the user-funded system of wildlife management we've built in the United States: The North American Model, where wildlife belongs to the public and is scientifically managed by professionals as a sustainable resource.

As you read this magazine, we want you to be aware that it is meant to be your quick-reference to hunting in Nevada. It includes season dates, quotas and crucial regulations that every sportsman needs to know before heading out. However, this publication contains only brief explanations of the hunting laws in this state. We recommend checking out our website (www.ndow.org) or calling your local NDOW office if you have any questions.

This year, just as I did last year, I encourage you to take a minute while you are out in the field and really take in the whole experience. Please remember, those days spent with our friends and family are the memories that will last a lifetime. Let the success of your hunting adventures be defined by the priceless memories of adventures and experiences shared with loved ones. Remember, life is about the journey so take time to enjoy it. Good luck in all your hunting endeavors and focus on the event, not just the result.

Sincerely,

Tony Wasley

This regulation brochure was published in June 2014. The Nevada Hunting Guide is neither a legal document nor a complete listing of current hunting regulations. It is a summary of state and federal regulations intended to assist those interested in hunting in Nevada. Complete text of the laws and regulations may be obtained by contacting the Nevada Department of Wildlife, or by checking our website at www.ndow.org.

How To Use Your Nevada Hunting Guide

1. First, review the General Hunting and Weapons Laws (pages 10-14), which apply to most hunting in Nevada.
2. Then, read the hunting laws and regulations section for the species you will be hunting or trapping: big game, furbearer, migratory game bird, or small game/upland game bird. For instance, if you plan to hunt chukar, read the Upland Game Laws and Regulations section.
3. In addition, if you plan to hunt on a state Wildlife Management Area (WMA), read pages 59-63, as specific rules apply to these areas.
4. The Nevada Hunting Guide is designed to be used with the season and bag brochures that will be published later this year: Furbearer and Upland Game season regulations will be available in August, and Migratory Game Bird season regulations in September. Be sure of your legal hunting hours, check the sunrise/sunset tables on pages 68-72 or on our website at www.ndow.org before heading out to determine legal hunting times in your area.

NOTE: Text in ***bolded italics*** indicates changes in regulations since last year. The ellipsis symbols -...- used in the law in this regulation brochure designate where portions of the law have been omitted due to space limitations. Complete laws and regulations are available at NDOW regional offices, or on the agency website at: www.ndow.org.

This program or publication receives funding through the Federal Aid in Sport Fish and/or Wildlife Restoration. Federal Laws prohibit discrimination on the basis of race, color, national origin, age, disability, and sex. If you believe you've been discriminated against in any NDOW program, activity, or facility, please write to the following:

Qualifications for Resident Licenses, Tags and Permits: A person is considered to be a resident of the State of Nevada if he is a citizen of, or is lawfully entitled to remain in, the United States, and during the six months next preceding his application to the Department for a license, tag or permit, he maintained his principal and permanent residence in this State; was physically present in this State, except for temporary absences; and did not purchase or apply for any resident license, tag or permit to hunt, fish or trap in another state, country or province. A person who does not maintain his principal and permanent residence in Nevada but is attending an institution of higher learning in this State as a full-time student is eligible for a resident license, tag or permit if, during the six months next preceding his application to the Department for a license, tag or permit, he: was physically present in Nevada, except for temporary trips outside of the State, and did not purchase or apply for any resident license, tag or permit to hunt, fish or trap in another state, country or province. A resident license, tag or permit issued by this State is void if the person to whom it was issued establishes or maintains his principal and permanent residence in and obtains any hunting, fishing or trapping privilege or entitlement conditional on residency from another state, country or province. Principal and permanent residence means a place where a person is legally domiciled and maintains a permanent habitation in which he lives and to which he intends to return when he leaves the state in which the permanent habitation is located. The term does not include merely owning a residence in the state.

Military Stationed in Nevada: The Department shall issue to any member of the Armed Forces of the United States who has been assigned to permanent duty, as opposed to temporary or casual duty, within the State of Nevada all necessary hunting or fishing licenses, tags or permits for fishing, hunting or trapping in the State of Nevada. A like privilege must be extended to spouses and dependents, under the age of 21, of such members of the Armed Forces. All such licenses, tags or permits must be issued on the same terms and conditions and at the same costs as licenses, tags or permits are issued to Nevada residents, except that the 6 months' residence requirement must be waived. (See Serviceman's Hunting License for Nevada residents stationed out of state.)

License Requirements

License Requirements: (NRS 502.010) Any person 12 years of age or older, who hunts game birds or game mammals in Nevada is required to have a hunting license or combination hunting and fishing license.

Social Security Number: Laws regarding child support mandate that any person who is required by federal law to have a social security number must provide the number to obtain a business, occupational or recreational license. Federal Law – Public Law 104 – 193; Nevada Statute – NRS 502.063, 503.5833, 504.390.

Possession and Display of License: (NRS 502.120) Every person required to have a license while hunting, trapping or fishing shall have that license in his possession and available for inspection upon demand of any officer authorized to enforce the fish and game laws of the state of Nevada.

License Exemptions: (NAC 503.193) A hunting license is not required to hunt **unprotected** wild birds (English house sparrows and European starlings) or **unprotected** mammals (black-tailed jackrabbit, ring-tailed cat, badger, raccoon, coyote, skunk, weasel and ground squirrel.)

Refund of Hunting Fee (NAC 502.4225) 1. An applicant who fails to obtain a tag may obtain a refund of the fee for his hunting license if the license is not a combined hunting and fishing license and he: (a) Purchased the license solely to apply for a tag; (b) Does no hunting under the authority of the license; and (c) Submits the license to the Department on or before the last weekday of August of the year in which the license was valid. The Department shall accept the license only if it is received on or before that date.

2. If an applicant obtains a refund pursuant to the provisions of subsection 1, the applicant will not be awarded any bonus points as provided in NAC 502.4187.

Youths and Possession of License: Children under age 12 may not legally hunt big game in Nevada. Youths 14 years and older who possess a valid license and have received parental permission may hunt unaccompanied. (See NRS 202.300 on page 9.) If a youth under age 18 is applying for a license to hunt, the youth's parent or legal guardian must sign the application and an attached statement acknowledging that the parent or legal guardian has been advised of the provisions of NRS 41.472.

Don't forget to sign your tag **BEFORE** heading out into the field.

Hunter Education Requirements

Hunter Education Requirements (NRS 502.330)

1. No hunting license may be obtained by any person born after January 1, 1960, unless he presents to the Department, or one of its authorized licensing agents:

(a) A certificate of successful completion of a course of instruction in the responsibilities of hunters as provided by NRS 502.340;

(b) An equivalent certificate of completion of a course in the responsibilities of hunters provided by a state or an agency of a Canadian province for the management of wildlife; or an agency of a foreign country whose course of instruction meets or exceeds the standards established by the International Hunter Education Association, or its successor organization; or

(c) A hunting license issued to the person in a previous year by the Department, another state or an agency of a Canadian province, which bears a number or other unique mark evidencing successful completion of a course of instruction in the responsibilities of hunters.

2. Any person who has been convicted of violating NRS 503.165 or 503.175 may not obtain a hunting license until he has successfully completed a course in the responsibilities of hunters conducted pursuant to NRS 502.340.

Use or Possession of Firearm by a Child Under 18 Years Old (NRS 202.300)

1. Except as otherwise provided in this section, a child under the age of 18 years shall not handle or have in his possession or under his control, except while accompanied by or under the immediate charge of his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of the child, any firearm of any kind for hunting or target practice or for other purposes. A child who violates this subsection commits a delinquent act and the court may order the detention of the child in the same manner as if the child had committed an act that would have been a felony if committed by an adult.

2.-4....

5. Except as otherwise provided in subsection 8, a child who is 14 years of age or older, who has in his possession a valid license to hunt, may handle or have in his possession or under his control, without being accompanied by his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of him:

(a) A rifle or shotgun that is not a fully automatic firearm, if the child is not otherwise prohibited by law from possessing the rifle or shotgun and the child has the permission of his parent or guardian to handle or have in his possession or under his control the rifle or shotgun; or

(b) A firearm capable of being concealed upon the person, if the child has the written permission of his parent or guardian to handle or have in his possession or under his control such a firearm and the child is not otherwise prohibited by law from possessing such a firearm, and the child is traveling to the area in which he will be hunting or returning from that area and the firearm is not loaded, or the child is hunting pursuant to that license.

6. Except as otherwise provided in subsection 8, a child

who is 14 years of age or older may handle or have in his possession or under his control a rifle or shotgun that is not a fully automatic firearm if the child is not otherwise prohibited by law from possessing the rifle or shotgun, without being accompanied by his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of him, if the child has the permission of his parent or guardian to handle or have in his possession or under his control the rifle or shotgun and the child is:

(a) Attending a course of instruction in the responsibilities of hunters or a course of instruction in the safe use of firearms;

(b) Practicing the use of a firearm at an established firing range or at any other area where the discharge of a firearm is permitted;

(c) Participating in a lawfully organized competition or performance involving the use of a firearm;

(d) Within an area in which the discharge of firearms has not been prohibited by local ordinance or regulation and he is engaging in a lawful hunting activity in accordance with chapter 502 of NRS for which a license is not required;

(e) Traveling to or from any activity described in paragraph (a), (b), (c) or (d), and the firearm is not loaded;

(f) On real property that is under the control of an adult, and the child has the permission of that adult to possess the firearm on the real property; or

(g) At his residence.

7. Except as otherwise provided in subsection 8, a child who is 14 years of age or older may handle or have in his possession or under his control, for the purpose of engaging in any of the activities listed in paragraphs (a) to (g), inclusive, of subsection 6, a firearm capable of being concealed upon the person, without being accompanied by his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of him, if the child:

(a) Has the written permission of his parent or guardian to handle or have in his possession or under his control such a firearm for the purpose of engaging in such an activity; and

(b) Is not otherwise prohibited by law from possessing such a firearm.

8. A child shall not handle or have in his possession or under his control a loaded firearm if he is:

(a) An occupant of a motor vehicle;

(b) Within any residence, including his residence, or any building other than a facility licensed for target practice, unless possession of the firearm is necessary for the immediate defense of the child or another person; or

(c) Within an area designated by a county or municipal ordinance as a populated area for the purpose of prohibiting the discharge of weapons, unless he is within a facility licensed for target practice.

9. For the purposes of this section, a firearm is loaded if:

(a) There is a cartridge in the chamber of the firearm;

(b) There is a cartridge in the cylinder of the firearm, if the firearm is a revolver; or

(c) There is a cartridge in the magazine and the magazine is in the firearm or there is a cartridge in the chamber, if the firearm is a semiautomatic firearm.

Manner of Hunting (NRS 503.150)

1. Unless otherwise specified by commission regulation, it is unlawful to hunt:

(a) Any game bird or game mammal with any gun capable of firing more than one round with one continuous pull of the trigger, or with any full steel, full steel core, full metal jacket, tracer or incendiary bullet or shell, or any shotgun larger than number 10 gauge.

(b) Big game mammals in any manner other than with a rifle, held in the hand, that exerts at least 1,000 foot-pounds of energy at 100 yards, or with a longbow and arrow which meet the specifications established by commission regulation.

(c) Small game mammals in any manner other than with a handgun, shotgun, rifle, longbow and arrow or by means of falconry.

(d) Game birds with any rifle or handgun, or in any manner other than with a shotgun held in the hand, with a longbow and arrow or by means of falconry.

(e) Migratory game birds with any shotgun capable of holding more than three shells.

(f) Any game bird or game mammal with the aid of any artificial light.

(g) Any big game mammal, except mountain lions and black

bears, with a dog of any breed (See NAC 503.147).

2. Nothing in this section prohibits the use of dogs in the hunting of game birds or small game mammals.

Unlawful Use of Aircraft, Helicopter, Motor-driven Vehicle or Boat (NRS 503.010)

1. Except as otherwise provided in this section or subsection 2 of NRS 503.005, it is unlawful to molest, rally, stir up or drive any game mammals or game birds with an aircraft, helicopter or motor-driven vehicle, including a motorboat or sailboat.

2. Except as otherwise provided in this subsection, it is unlawful to shoot at any game mammals or game birds with a weapon from an aircraft, helicopter or motor-driven vehicle. A person who is a paraplegic, has had one or both legs amputated or has suffered a paralysis of one or both legs which severely impedes his walking may shoot from a stopped motor vehicle which is not parked on the traveled portion of a public highway, but he may not shoot from, over or across a highway or road specified in NRS 503.175.

3. It is unlawful to spot or locate game mammals or game birds with any kind of aircraft or helicopter and communicate that information, within 24 hours after the aircraft or helicopter has landed or in violation of a regulation of the Commission, by any means to a person on the ground for the purpose of hunting or trapping. The provisions of this subsection do not prohibit an employee or agent of the Department from providing general information to the public concerning the location of game birds or game mammals.

4. It is unlawful to use any information obtained in violation of the provisions of subsection 3 to hunt or kill game mammals or game birds.

5. It is unlawful to use a helicopter to transport game, hunters or hunting equipment, except when the cargo or passengers, or both, are loaded and unloaded at airports, airplane landing fields or heliports, which have been established by a department or agency of the Federal or State Government or by a county or municipal government or when the loading or unloading is done in the course of an emergency or search and rescue operation.

Scouting from Aircraft (NAC 503.148)

1. Except as otherwise provided in this section, a person shall not, for the purpose of hunting, locate or observe, or assist a person in locating or observing, any big game mammal in a management unit described in NAC 504.210 during the period beginning 48 hours before a big game hunting season opens until the close of the season in that management unit with the use of:

(a) An aircraft, including, without limitation, any device that is used for navigation of, or flight in, the air;

(b) A hot air balloon or any other device that is lighter than air; or

(c) A satellite or any other device that orbits the earth and is equipped to produce images.

2. For the purposes of subsection 1, the season for hunting a mountain lion which is open in a management unit shall be deemed not to be a big game hunting season during the period beginning after the big game hunting season for all other species of big game has closed in that management unit until the period beginning 48 hours before the opening of a big game hunting season established for hunting any other species of big game in that management unit.

3. Evidence of an act constituting a violation of subsection 1 includes, without limitation:

(a) Flying slowly at low altitudes;

(b) Hovering;

General Hunting Laws and Regulations

is under the combined influence of intoxicating liquor and a controlled substance, or any person who inhales, ingests, applies or otherwise uses any chemical, poison or organic solvent, or any compound or combination of any of these, to a degree which renders him incapable of safely exercising actual physical control of a firearm, to have in his actual physical possession any firearm.

2.- 4...

Firing Firearm from/over Roads (NRS 503.175)

Unless a greater penalty is provided in NRS 202.287, a person who discharges a firearm from, upon, over or across any federal highway, state highway as described in NRS 408.285, or main or general county road as designated in NRS 403.170, is guilty of a misdemeanor.

Baiting Big Game Animals (NAC 503.149)

1. A person shall not:
 - (a) Bait big game mammals for the purpose of hunting; or
 - (b) Knowingly hunt big game mammals that were baited by another person.
2. For the purposes of this section, "bait" means the intentional placing, exposing, depositing, distributing or scattering of salt, minerals, grain or any other food material, whether natural or manufactured, that could attract, entice or lure wildlife to an area for the purpose of hunting. The term does not include:
 - (a) Any incidental attracting or feeding of wildlife associated with any accepted agricultural or livestock practice; or
 - (b) Planting crops and leaving those crops standing as food plots for wildlife.

Wildlife Transport Permit (NRS 503.040)

A transportation permit is required:

1. Whenever game mammals, game birds, game fish, mammals taken by trapping, or raw furs will be transported within or out of the state by any person other than the lawful harvester.
2. Whenever a tagged species (antelope, bear, bighorn sheep, deer, elk, mountain goat, mountain lion, and wild turkey) will be transported anywhere by any person other than the lawful harvester; or
3. Whenever any person will be transporting more than one possession limit of game mammals, game birds, game fish, mammals taken by trapping, or raw furs. Permits are free when obtained from the Department. License agents may charge a fee. Permits are available from any game warden, Department offices, or certain license agents. **(See pages 66 for a list of vendors who sell permits).**

A person **may not** transport more than one daily limit of ducks, geese, swan, pigeons, dove, coots, moorhens (gallinules), or snipe between the place of harvest and his car, place of lodging, preservation facility or common carrier.

Use of Tag as Transportation Permit; Requirements (NAC 502.401)

1. A person to whom a game tag has been lawfully issued may use his or her game tag as a transportation permit in the manner described in this section if:

(a) Pursuant to paragraph (a) of subsection 1 of NAC 502.385, the game tag includes the signature of the holder of the game tag and the date on which and time at which the holder signed the game tag;

(b) The game tag has been validated pursuant to NAC 502.390; and

- (c) Circling; or
- (d) Repeatedly flying over a forest, marsh, field, woodland or rangeland where a big game mammal is likely to be found.

Radio Telemetry and Satellite Transmitter

(NAC 503.1475)

1. A person shall not hunt any wildlife using a radio signal or other transmission received from any transmitting device that is attached to the wildlife.
2. If a person, while hunting, kills any wildlife to which any transmitting device is attached, the person shall, without undue delay, notify the Department of that fact and, if required by the Department, coordinate the return of the transmitting device to the Department.
3. A person shall not intentionally break, destroy or damage any transmitting device.
4. The provisions of this section do not apply to an employee or agent of the Department acting in his or her official capacity.
5. As used in this section, "transmitting device" means any collar or other device which:
 - (a) Is attached to any wildlife; and
 - (b) Emits an electronic signal or uses radio telemetry or a satellite transmission to determine the location of the wildlife.

Carrying Loaded Rifle or Shotgun in/on Vehicle

(NRS 503.165)

1. It is unlawful to carry a loaded rifle or loaded shotgun in or on any vehicle* which is standing on or along, or is being driven on or along, any public highway or any other way open to the public.
 2. A rifle or shotgun is loaded, for the purposes of this section, when there is an unexpended cartridge or shell in the firing chamber, but not when the only cartridges or shells are in the magazine.
 3. The provisions of this section do not apply to paraplegics, persons with one or both legs amputated or who have suffered a paralysis of one or both legs which severely impedes walking, or peace officers and members of the armed forces of this state or the United States while on duty or going to or returning from duty.
- * Includes ATVs, motorcycles.

Possessing Firearm While Under Influence

(NRS 202.257)

1. It is unlawful for a person who:
 - (a) Has 0.10 percent or more by weight of alcohol in his blood; or
 - (b) Is under the influence of any controlled substance, or

Continued on page 12

General Hunting Laws and Regulations

(c) The game tag has been attached to the carcass, hide or pelt of the animal pursuant to NAC 502.400.

2. The holder of the game tag, the person who will transport the carcass, hide or pelt of the animal and a witness each shall, at the time the carcass, hide or pelt is transferred from the holder of the game tag to the person who will transport the carcass, hide or pelt:

(a) Sign the portion of the game tag designated as the tag holder copy of the transportation permit and the portion of the game tag designated as the transporter copy of the transportation permit; and

(b) Include on each portion of the game tag described in paragraph (a):

(1) The date and time that the carcass, hide or pelt of the animal is transferred from the holder of the game tag to the person who will transport the carcass, hide or pelt of the animal; and

(2) Except as otherwise provided in subsection 3, his or her driver's license number or the number of any other identification card issued by a governmental agency to the person.

3. If the holder of the game tag, the person who will transport the carcass, hide or pelt of the animal or the witness does not have a driver's license or any other identification card issued by a governmental agency, he or she shall include on each portion of the game tag described in paragraph (a) of subsection 2 his or her date of birth.

4. In addition to the requirements of subsections 2 and 3, the holder of the game tag shall include on each portion of the game tag described in paragraph (a) of subsection 2 the destination of the carcass, hide or pelt being transported.

5. A person who provides a signature pursuant to this section shall be deemed to have attested, under penalty of perjury, to the transfer of the carcass, hide or pelt of the animal from the holder of the game tag to the person who will transport the carcass, hide or pelt.

6. A person shall not remove from the carcass, hide or pelt of an animal either portion of the game tag described in paragraph (a) of subsection 2 until the carcass, hide or pelt has been transferred from the holder of the game tag to the person who will transport the carcass, hide or pelt.

7. The holder of the game tag shall retain the portion of the game tag designated as the tag holder copy of the transportation permit and the person who transports the carcass, hide or pelt shall retain the portion of the game tag designated as the transporter copy of the transportation permit for at least 1 year after the date that the carcass, hide or pelt of the animal is transferred from the holder of the game tag to the person who transports the carcass, hide or pelt.

8. If the carcass, hide or pelt of an animal is transferred from the holder of a game tag to a person who will transport the carcass, hide or pelt, that portion of the cape or scalp of the animal which includes the ears to the base of the muzzle and any antlers or horns must be kept with the carcass, hide or pelt until the carcass, hide or pelt is frozen, smoked, dried, consumed or accepted by a commercial processing plant for processing.

Disguising Sex of Animals (NAC 503.175)

It is unlawful for a person to disguise or attempt to disguise the sex characteristics of any animal killed by him if sex characteristics are a determining factor in any regulation of the commission concerning hunting seasons for or possession of the animal.

Cape and Horns/Antlers of Wildlife Must Be Maintained with Carcass (NAC 503.173)

Except as otherwise provided in NAC 502.403, any person who kills a deer, elk, mountain goat, antelope or bighorn sheep shall, until the carcass is frozen, smoked, dried, consumed or accepted by a commercial processing plant for processing, maintain possession of at least that portion of the cape or scalp that includes the ears to the base of the muzzle and any antlers or horns. The cape or scalp and any antlers or horns from the animal must be possessed in such a manner that they remain or are kept together with the carcass of the animal.

Highway Wildlife Crossing (NAC 504.105)

1. Except as otherwise provided in subsection 2 and NRS 202.287, 503.010 and 503.175, a person shall not:

(a) Hunt or take any big game mammal within one-half mile of a wildlife highway crossing.

(b) Discharge a firearm from, upon, over or across a wildlife highway crossing.

2. The provisions of this section do not apply to an officer, employee or agent of the Department acting in his official capacity.

3. As used in this section, "wildlife highway crossing" means any overpass or underpass designed and constructed to facilitate the safe passage of wildlife across a highway.

Restrictions on Deer Hunting in Particular Areas: Prohibition on Use or Possession of Certain Shotgun Rounds in Particular Areas (NAC 503.170)

1. In the fenced or cultivated lands of the Smith and Mason Valleys, in the Mason Valley Wildlife Management Area and in the zones within the Fort Churchill State Historic Park and the Lahontan State Recreation Area that are designated for hunting by the administrator of the Division of State Parks of the State Department of Conservation and Natural Resources:

(a) Deer may be hunted only with:

(1) A shotgun no larger than 10 gauge and no smaller than 20 gauge, using:

(I) Rifled slugs; or

(II) Shotgun rounds with sabots that contain rifled slugs, or a single expanding projectile; or

(2) A longbow and arrow.

(b) The use or possession of shotgun rounds with sabots that contain other than rifled slugs or a single expanding projectile is prohibited.

2. A shotgun that is used to hunt deer pursuant to subsection 1 may be equipped with a smoothbore barrel or a barrel that is partially or fully rifled.

3. In the Mason Valley Wildlife Management Area:

(a) Deer may be hunted only on the following days during the season set for the hunting of deer:

(1) Saturdays, Sundays and Wednesdays;

(2) Nevada Day, as observed, pursuant to NRS 236.015;

(3) November 11, Veteran's Day;

(4) Thanksgiving Day; and

(5) Family Day, as declared pursuant to NRS 236.015.

(b) Deer may be hunted only with longbow and arrow during the season set for the archery hunt for deer.

General Hunting Laws/Weapons Regulations

Unlawful to Waste Game (NRS 503.050)

1. It is unlawful for any person to cause through carelessness, neglect or otherwise any edible portion of any game bird, game mammal, game fish or game amphibian to go to waste needlessly.
2. It is unlawful for any person to capture or destroy any game mammal, except a carnivore, and detach or remove from the carcass the head, hide, antlers, horns or tusks only and leave the carcass to waste.
3. For the purposes of subsection 1, "game bird" does not include a raven, crow or magpie even if classified as a game bird pursuant to NRS 501.110.

Reasonable Effort Required to Take Wildlife

(NAC 503.191)

Each person who shoots and wounds any wildlife while hunting shall make a reasonable effort to take that wildlife, including, without limitation, pursuing and tracking it.

Hunting on Posted Lands Without Permission

(NRS 503.240)

1. It is unlawful for any person to hunt, fish in nonnavigable waters or trap upon land which is private property where the person has been warned by the owner or occupant of the property not to trespass in the manner prescribed in NRS 207.200, or where signs are displayed forbidding hunting, trapping or fishing without permission obtained from the owner or occupant of the private property.
2. Any person using that private property for hunting, fishing or trapping shall comply with the provisions of NRS 207.220.

Camping Near Water Hole (NRS 503.660)

It is unlawful for any person to camp within 100 yards of a water hole in such a manner that wildlife or domestic stock will be denied access to such water hole.

Sale of Nonedible Parts (NAC 503.174)

The sale of the hide, head, antlers or horns or other nonedible parts of game animals which were legally killed is permitted.

Note: The sale of bear gall bladders is unlawful.

Centerfire Firearm

(Refer to NACs 503.142)

Rifles: Must use a center-fire cartridge of .22 caliber or larger.

Handguns: Must have at least a 4-inch barrel and use either:

1. A centerfire cartridge of .22 caliber or larger with an overall loaded length of 2 inches; or
2. A centerfire cartridge of .24 caliber or larger with a case length equal to or longer than the case of a Remington .44 magnum.

Prohibited Firearms: Any firearm capable of firing more than one round with one continuous pull of the trigger.

Prohibited Ammunition: Full metal jacket, full steel, full steel core, tracer or incendiary bullets or shells.

Shotgun (only legal for deer and mountain lion): 10, 12, 16, or 20 gauge. Shotgun barrels may be smooth or rifled for either species.

For Deer: Only rifled slugs or shotgun rounds with sabots that contain a single expanding projectile may be used for deer.

Muzzle-loading Rifle and Musket

(Refer to NACs 503.142 & 503.145)

A. During a "Muzzle-loader-Only" Hunt:

Caliber: Firearm must have a single barrel of .45 caliber or larger. **Ignition:** Wheel-lock, matchlock, or flintlock ignition system, or percussion ignition system that uses a primer or percussion cap; (in-lines are permitted.)

Legal Projectiles: Lead ball, lead bullet, semi-jacketed bullet or a metal alloy bullet that expands. A sabot round may be used.

Sights: Only open sights or peep sights are permitted; scopes prohibited. A sight that is operated or powered by a battery, electronics or a radioactive isotope such as tritium is prohibited.

Powder: Only black powder or a black powder substitute such as Pyrodex or Triple 7 may be used; smokeless powder is prohibited.

A muzzle-loading tagholder may carry a flintlock or percussion handgun during a muzzle-loading-only hunt, however, it may not be used to hunt big game.

Note: Per NAC 503.146, the Department may issue a scope permit to a person with a visual disability which will authorize the use of a 1x magnification scope during a hunt that is restricted to muzzle-loading firearms only. Applications must be submitted to the Department on a form provided by the Department.

B. During an Any Legal Weapon Hunt:

Caliber: Single barrel of .45 caliber or larger.

Ignition: Wheel-lock, matchlock, or flintlock ignition system, or percussion ignition system that uses a primer or percussion cap; (in-lines are permitted.)

Legal Projectiles: Lead ball, lead bullet, semi-jacketed bullet or a metal alloy bullet that expands. A sabot round may be used.

Sights: Open sights, peep sights or a rifle scope. A sight that is operated or powered by a battery, electronics or a radioactive isotope such as tritium is permitted; however it must not cast or project a visible beam of light from sight to animal.

Longbow and Arrow (refer to NACs 503.144 & 503.145)

Longbow includes compound or recurve longbows. **A crossbow is not a longbow.**

Longbow characteristics: In the hands of the user, a longbow must be capable of throwing a 400 grain arrow 150 yards over level terrain.

Arrows: Must be at least 24 inches long and have a broadhead attached.

Broadheads: Fixed broadheads must be at least 7/8 inch wide at the widest point; mechanical heads must be at least 7/8 inch wide at the widest point when in the open position.

Sights: May be illuminated or powered by a battery contained within the sight, light-gathering fiber optics, a radioactive isotope such as tritium, or iridescent or fluorescent paint, however, a sight capable of casting or projecting a visible beam of light from the sight to the game animal is prohibited.

It is unlawful: For any person to carry a firearm in the field while hunting under archery regulations (i.e., an archery-only hunt). To carry a longbow with an arrow nocked on the bowstring while in or on any motorized vehicle (exceptions in 503.144). To hunt any wildlife with an arrow that has any chemical, explosive or electronic device attached.

Weapon Regulations

Sights may be illuminated or powered by: A battery contained within the sight, light-gathering fiber optics, a radioactive isotope such as tritium, or iridescent or fluorescent paint. A sight capable of casting or projecting a visible beam of light from the sight to the game animal is prohibited.

It is unlawful to:

- Hunt a big game mammal with a crossbow during either an 'longbow-only' or a 'muzzle-loader-only' hunt.
- Carry a cocked crossbow containing an arrow or a bolt while in or on any motorized vehicle while the vehicle is on a public highway or other public right-of-way.

Sight Attached to Firearm or Longbow

(NAC 503.145)

The Commission hereby establishes the following exception to paragraph (f) of subsection 1 of NRS 503.150. Except as otherwise provided by paragraph (c) of subsection 1 of NAC 503.142, a sight attached to a firearm or longbow that is used to hunt a game mammal or game bird, or a sight attached to a crossbow that is used to hunt a big game mammal, may be illuminated or powered by:

1. A battery contained within the sight;
2. Light-gathering fiber optics;
3. A radioactive isotope such as tritium; or
4. Iridescent or fluorescent paint.

It is unlawful for a person to hunt a big game mammal, a game mammal or a game bird with a weapon that is equipped with a sight that is capable of casting or projecting a beam of light that is visible to the unaided human eye from the sight to the animal.

Crossbow (Refer to NAC 503.143)

Crossbows may only be used for hunting big game during an "Any Legal Weapon" hunt. Crossbows are not allowed for longbow hunts.

Crossbow must have: A minimum draw weight of 125 pounds. A minimum draw length of 14 inches from the front of the bow to the nocking point. A stock that is at least 18 inches long. A positive mechanical safety mechanism.

Crossbow arrows/bolts: Must be at least 16 inches long and have a broadhead attached.

Broadheads: Fixed broadheads must be at least 7/8 inch wide at the widest point; mechanical heads must be at least 7/8 inch wide at the widest point when in the open position.

Areas Closed to Hunting and Trapping

The following areas are closed to all hunting and trapping (NAC 504.340): **NOTE:** This is not an all-encompassing list of areas closed to hunting by federal, state and local regulations. Please contact the appropriate tribe or land management agency for information on hunting closures in specific areas.

Those portions of the Lake Mead National Recreation Area which are within:

(I) A 1-mile radius of Overton Landing, Willow Beach, Rogers Spring, the area for cabins at Stewart's Point, Echo Bay, Eldorado Canyon, Cottonwood Cove and the petroglyphs of Grapevine Canyon.

(II) The Lower or Boulder Basin, including all of the area from Hoover Dam to a line running north and south near the peninsula between Hamblin Bay and Rotary Cove. The townships or portions of them located within the Lake Mead National Recreation Area and included within this closed area are: T. 20 S., R. 63 E., R. 64 E., R. 65 E.; Sections 6, 7 and 18 of T. 21 S., R. 66 E.; T. 21 S., R. 63 E., R. 63 1/2 E., R. 64 E., R. 65 E. and T. 22 S., R. 64 E. and R. 65 E., M.D.B. & M.

(III) A 1/2-mile strip parallel to the west shoreline of Lake Mohave from Hoover Dam south to a point 2 miles south of the campground at Willow Beach.

(IV) The area of land extending 1/2 mile west of the water elevation of Lake Mohave and the Colorado River between the southern boundary of the Lake Mead National Recreation Area and the crossing of those cables of the power line located approximately 5 1/4 miles north of Davis Dam and all waters between that cable and the southern boundary.

All portions of the Stillwater National Wildlife Refuge in Churchill County south of Division Road,

except that trapping is allowed to the extent authorized pursuant to 50 C.F.R. §§ 31.14 and 31.16.

All portions of the Ruby Lake National Wildlife Refuge, except that:

(I) Hunting is allowed pursuant to 50 C.F.R. § 32.47 on designated areas of the refuge in Elko and White Pine Counties and to the extent authorized by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118; and

(II) Trapping is allowed to the extent authorized pursuant to 50 C.F.R. §§ 31.14 and 31.16 and by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

All portions of the Death Valley National Park.

All portions of the Sheldon National Wildlife Refuge,

except that hunting is authorized on designated areas of the refuge pursuant to 50 C.F.R. § 32.47, to the extent permitted by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

All portions of the Great Basin National Park.

All portions of Clark, Lincoln and Nye Counties within the boundaries of the Nellis Air Force Range, the Nevada Test and Training Range (NTTR) and the Desert National Wildlife Refuge,

except that the hunting of bighorn sheep is authorized in certain described portions of the Desert National Wildlife Refuge pursuant to 50 C.F.R. § 32.47 and the Nellis Air Force Range, to the extent authorized by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

All portions of Clark, Lincoln and Nye Counties within the boundaries of the Nellis Air Force Range, the Nevada Test and Training Range (NTTR) and the Desert National Wildlife Refuge,

except that certain described portions of the Desert National Wildlife Refuge, not within Nellis Air Force Range, will be opened for the hunting of deer pursuant to 50 C.F.R. § 32.47, to the extent authorized by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

All portions of the Pahranaagat National Wildlife Refuge in Lincoln County,

except that hunting is permitted on designated areas of the refuge pursuant to 50 C.F.R. § 32.47, to the extent authorized by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

All portions of the Ash Meadows National Wildlife Refuge,

except that hunting is permitted on designated areas of the refuge pursuant to 50 C.F.R. § 32.47, to the extent authorized by the Board of Wildlife Commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

Trapping is prohibited within 1,000 feet of each side of the following designated hiking trails

established within that portion of the Humboldt-Toiyabe National Forest that is located north of the Washoe County-Carson City line, west of U.S. Highway No. 395 and south of U.S. Interstate Highway No. 80:

Tag and Permit Regulations

Unlawful Possession of Wildlife Without Attached Tag; Unlawful Removal of Tag. (NRS 502.150)

1. Whenever tags are required for any species of wildlife, it is unlawful to have any of that species in possession without the tag attached thereto and such possession without an attached tag is prima facie evidence that the game is illegally taken and possessed.
2. It is unlawful to remove any tag from any wildlife for reuse or to be in possession of excess tags or used tags.-...-

Use of Tag or Permit (NAC 502.385)

1. The tag must be carried by the owner at all times while he is hunting or trapping, or while he is fishing, for wildlife for which a tag or permit is required. It is unlawful for any person to use or possess a tag or permit issued to any other person or to transfer or give a tag or permit issued to him to any other person.
2. It is unlawful for a person to use any tag or permit in a management area or unit for which it is not intended or to use a tag or permit at any time other than at the time intended.

3. After it has been issued, a tag or permit may not be exchanged or a refund made except in accordance with the policies and regulations of the Commission.

Validation of Tag or Permit (NAC 502.390)

When a person reaches any wildlife which the person has killed, he or she must validate his or her tag or permit immediately by clearly punching out the spaces necessary to properly identify the physical description of the animal, including its sex and antler points, where appropriate, and the day and month of the kill.

Tag or Permit Must be Attached to Animal (NAC 502.400)

1. Except as otherwise provided in subsection 2, the owner of a tag or permit must firmly attach it to the carcass of an animal killed by him, at or before the time he first reaches his means of transportation or camp. The tag or permit must remain with the major portion of the meat until it is consumed.
2. If the animal killed is a mountain lion or furbearing mammal for

Tag and Permit Regulations

which a tag or permit is required, the owner of the tag or permit must firmly attach it to the hide or pelt of the animal. The tag or permit must remain attached to the hide while it is transported and until it is processed.

Black Bear Tags (NAC 502.373)

1. Unless his or her privilege is limited or revoked pursuant to law, any resident or nonresident of this State is eligible to apply for a black bear tag to hunt black bear. Except as otherwise provided in this subsection, a person is eligible to apply for a black bear tag in any year. A person who obtains a black bear tag or a replacement black bear tag and who is successful in harvesting a black bear is not eligible to apply for another black bear tag during the next 5 years.

2. The fee for:

- (a) A resident black bear tag is \$100.
- (b) A nonresident black bear tag is \$300.

3. A person who harvests a black bear shall:

(a) Within 24 hours after harvesting the black bear, call the Department to report the harvest; and

(b) Within 72 hours after harvesting the black bear, personally present the skull and hide to a representative of the Department for inspection.

4. If a person accidentally traps or kills a black bear, the person shall:

(a) Within 48 hours after trapping or killing the black bear, report the trapping or killing to a representative of the Department; and

(b) Dispose of the remains of the black bear in accordance with the instructions of the representative of the Department.

5. It is unlawful for any person to:

(a) Kill a female black bear that is accompanied by a black bear cub; or

(b) Kill or possess a black bear cub. (As used in this subsection, "black bear cub" means any black bear which is less than 1 year of age or less than 50 pounds.)

6. The Commission will annually specify the number of black bears and female black bears it determines to be appropriate for harvesting in a management unit or group of management units. The open season for black bears in each such management unit or group of management units will end on:

(a) The last day of the season as determined by the Commission; or

(b) The day on which the Department determines that the number of black bears or female black bears harvested in that management unit or group of management units is equal to or greater than the number specified by the Commission pursuant to this subsection, whichever occurs earlier.

7. The Department shall maintain and annually publish a toll-free telephone number for ascertaining whether the open season for black bears has been closed pursuant to subsection 6. To implement the closure of the open season for black bears, the Department shall:

(a) Notify the Commission of the closure;

(b) Provide notice of the closure to the general public through the news media; and

(c) Mail notice of the closure to all persons who hold black bear tags.

Bighorn Sheep Tags (NAC 502.345)

1. Unless his or her privilege is limited or revoked pursuant to law, any resident of Nevada or nonresident is eligible to apply for a tag to hunt for a ram from one or more of the following subspecies of bighorn sheep:

- (a) Nelson bighorn sheep;
- (b) California bighorn sheep; or
- (c) Rocky Mountain bighorn sheep,

if, in the immediately preceding 10 years, he or she did not receive a tag or replacement tag to hunt for a ram from that subspecies of bighorn sheep.

2. Unless his or her privilege is limited or revoked pursuant to law, any resident of Nevada or nonresident is eligible to apply for a tag to hunt for a ewe from one or more of the following subspecies of bighorn sheep:

- (a) Nelson bighorn sheep;
- (b) California bighorn sheep; or
- (c) Rocky Mountain bighorn sheep,

if, in the immediately preceding 2 years, he or she did not receive a tag or replacement tag to hunt for a ewe from that subspecies of bighorn sheep.

3. A person who kills a bighorn sheep, regardless of subspecies or gender, shall, within 5 days after killing it, personally present the skull and horns of the animal to a representative of the Department for inspection. For a ram, the inspector shall permanently attach a seal to one of the horns by plugging the seal into the horn or permanently brand an identification number on one of the horns. It is unlawful for any person to alter or remove the seal after the seal is permanently attached to a horn or to alter or remove the permanently branded identification number. It is unlawful to possess or sell the horns of a ram without a seal having been so attached or number so branded.

4. As used in this section, "ewe" means any female bighorn sheep having a horn or horns of at least 5 inches in length each as measured on the outside curve of the horn from the skull to the tip.

Mountain Goat Tags (NAC 502.364)

1. Before a person may hunt a mountain goat, he must obtain a tag from the Department. Except as otherwise provided by a regulation of the Commission or title 45 of NRS, a person may apply for a mountain goat tag in any year, if in the immediately preceding 10 years, he did not receive a tag or replacement tag for a mountain goat.

2. A person who harvests a mountain goat shall, within 5 days after harvesting it, personally present the skull, hide and any edible portion of the animal, or its carcass to a representative of the Department for inspection.

Presentation of Wildlife, Calculation of Days

(NAC 502.411)

Whenever a person is required, pursuant to a regulation adopted by the Commission, to present an animal or parts thereof to a representative of the Department for inspection, sealing or branding within a specified period, the day of the act or event from which the specified period begins to run must not be included. The last day of the period so computed must be included, unless it is a Saturday, a Sunday or a state holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a state holiday. Intermediate Saturdays, Sundays and state holidays must be excluded from the computation.

Cancellation of Tag & Conditions of Refund

(NAC 502.422)

1. The Department may cancel a tag and provide a refund if the Department issues the tag in error.

2. The Department shall provide a refund if the holder of a tag:

Tag and Permit Regulations

(a) Or a person to whom the holder is related within the third degree of consanguinity or affinity dies, as verified by a certificate of death;

(b) Or a person to whom the holder is related within the third degree of consanguinity or affinity incurs a disability, as verified in writing by a physician, which prevents him or her from hunting during the season for which the tag was issued;

(c) Is serving in the Armed Forces of the United States and is transferred, as verified by a copy of his or her orders or other proof satisfactory to the Department, to a location which makes it impracticable for the holder to hunt in the area for which the tag was issued; or

(d) Is a recipient of a Dream Tag issued pursuant to NRS 502.219 and returns the drawn tag to the Department pursuant to NAC 502.42695, and, except as otherwise provided in NAC 502.336, his or her tag is **received by** the Department **at least 1 business day** before the opening day of the season for which the tag was issued. If the holder obtained his or her hunting license with his or her tag, the hunting license may be returned with the tag.

3. If a refund is provided pursuant to subsection 1 or 2, the Department shall:

(a) Return all the fees submitted with the application for the tag except the fees required pursuant to NRS 502.253 and NAC 502.331; and

(b) Except as otherwise provided in subsection 2 of NAC 502.4225, treat the recipient of the refund, with respect to his or her eligibility to obtain a tag and to be awarded a bonus

point, as if the tag had not been issued and the applicant was unsuccessful.

4. If a tag for any subspecies of bighorn sheep or mountain goat is returned for a reason other than the reasons set forth in subsection 1 or 2, the Department shall:

(a) If the tag is received not later than July 15, return all the fees submitted with the application for the tag except the fees required pursuant to NRS 502.253 and NAC 502.331; and

(b) Except as otherwise provided in subsection 2 of NAC 502.4225, treat the recipient of the refund, with respect to his or her eligibility to obtain a tag and to be awarded a bonus point, as if the tag had not been issued and the applicant was unsuccessful.

5. If a tag for antelope, bighorn sheep, mountain goat, bear, turkey, deer or elk is returned for a reason other than the reasons set forth in subsection 1 or 2, and if the tag is received at least 1 business day before the opening day of the season for which the tag was issued, the Department:

(a) Shall, except as otherwise provided in subsection 2 of NAC 502.4225, treat the applicant, with respect to his or her eligibility to obtain a tag and to be awarded a bonus point, as if the tag had not been issued and the applicant was unsuccessful; and

(b) Shall not **return** any fee paid for the tag .

6. Except as otherwise provided in NAC 502.421, the Department is not required to refill a quota for the issuance of tags if the application of this section reduces the number of tags issued to less than a quota.

Demerits and Penalties

Demerits and License Revocations

(NRS 501.105, 501.181, 501.1818, NAC 501.200, NAC 501.210)

Hunting, fishing and trapping license privileges are revoked when a person accumulates 12 demerit points within a 60-month period. When a person is convicted of a wildlife violation, a certain number of demerits are assessed for that crime. The more serious the crime, the greater the number of demerits that are assessed.

Demerit-based revocations may last up to three years. Under some circumstances a person's tag privileges may be revoked for up to 10 years.

Criminal Penalty Provisions (NRS 501.376)

1. Except as otherwise provided in this section, a person shall not intentionally kill or aid and abet another person to kill a bighorn sheep, mountain goat, elk, deer, pronghorn antelope, mountain lion or black bear:

- (a) Outside of the prescribed season set by the Commission for the lawful hunting of that animal;
- (b) Through the use of an aircraft or helicopter in violation of NRS 503.010;
- (c) By a method other than the method prescribed on the tag issued by the Department for hunting that animal;
- (d) Knowingly during a time other than:

(1) The time of day set by the Commission for hunting that animal pursuant to NRS 503.140; or

(2) If the Commission has not set such a time, between sunrise and sunset as determined pursuant to that section; or

(e) Without a valid tag issued by the Department for hunting that animal. A tag issued for hunting any animal specified in this subsection is not valid if knowingly used by a person:

- (1) Other than the person specified on the tag;
- (2) Outside of the management area or other area specified on the tag; or
- (3) If the tag was obtained by a false or fraudulent representation.

2. The provisions of subsection 1 do not prohibit the killing of an animal specified in subsection 1 if:

(a) The killing of the animal is necessary to protect the life or property of any person in imminent danger of being attacked by the animal; or

(b) The animal killed was not the intended target of the person who killed the animal and the killing of the animal which was the intended target would not violate the provisions of subsection 1.

3. A person who violates the provisions of subsection 1 shall be punished for a category E felony as provided in NRS 193.130 or, if the court reduces the penalty pursuant to this subsection, for a gross misdemeanor. In determining whether to reduce the penalty, the court shall consider:

- (a) The nature of the offense;
- (b) The circumstances surrounding the offense;
- (c) The defendant's understanding and appreciation of the gravity of the offense;
- (d) The attitude of the defendant towards the offense; and
- (e) The general objectives of sentencing.

4. A person shall not willfully possess any animal specified in subsection 1 if the person knows the animal was killed in violation of subsection 1 or the circumstances should have caused a reasonable person to know that the animal was killed in violation of subsection 1.

5. A person who violates the provisions of subsection 4 is guilty of a gross misdemeanor.

Unlawful acts; criminal penalties (NRS 501.385)

Except as otherwise provided by specific statute: 1. Any person who:

(a) Performs an act or attempts to perform an act made unlawful or prohibited by a provision of this title;

(b) Willfully fails to perform an act required of him by a provision of this title;

(c) Obstructs, hinders, delays or otherwise interferes with any officer, employee or agent of the Department in the performance of any duty while enforcing or attempting to enforce any provision of this title;

(d) Violates any order issued or regulation adopted by the Commission under the provisions of this title; or

(e) Having been granted a privilege or been licensed or permitted to do any act under the provisions of this title, exercises the grant, license or permit in a manner other than as specified, is guilty of a misdemeanor. An officer, employee or agent of the Department may not obtain or attempt to obtain biological samples of wildlife, hunting, fishing or trapping data, or any other biological data or information relating to wildlife on private property without the consent of the owner of the property.

2. Every person who is guilty of a misdemeanor under this title shall be punished by a fine of not less than \$50 nor more than \$500, or by imprisonment in county jail for not more than 6 months, or by both fine and imprisonment.

Forfeitures (NRS 501.3857)

Any gun, ammunition, trap, snare, vessel, vehicle, aircraft or other device or equipment used, or intended for use:

1. To facilitate the unlawful and intentional killing or possession of any big game mammal; or

2. To hunt or kill a big game mammal by using information obtained as a result of the commission of an act prohibited by NRS 503.010 or a regulation of the Commission which prohibits the location of big game mammals for the purpose of hunting or killing by the use of:

(a) An aircraft, including, without limitation, any device that is used for navigation of, or flight in, the air;

(b) A hot air balloon or any other device that is lighter than air; or

(c) A satellite or any other device that orbits the earth and is equipped to produce images, or other similar devices; or

3. Knowingly to transport, sell, receive, acquire or purchase any big game mammal which is unlawfully killed or possessed, is subject to forfeiture pursuant to NRS 179.1156 to 179.119 inclusive.

In addition to the criminal penalties, every person who unlawfully kills or possesses a big game mammal, bobcat, swan or eagle is liable for a civil penalty of not less than \$250 nor more than \$5,000.

For unlawfully killing or possessing fish or wildlife not mentioned above, the court may order the defendant to pay a civil penalty of not less than \$25 nor more than \$1,000.

For hunting, fishing or trapping without a valid license, tag or permit, the court may order the defendant to pay a civil penalty of not less than \$50 nor more than \$250.

Failure to pay a penalty within 90 days may result in license suspension or revocation and denial of privileges.

Common Violations

The vast majority of hunters, trappers and anglers do their best to abide by the wildlife laws and regulations. For those people who fail to follow the law, convictions of wildlife law may carry serious penalties, including criminal fines up to \$5,000, jail, civil penalties up to \$5,000, loss of equipment and lost license privileges.

Below is a list of the eight most common violations in the field. Check twice, take due care, and you can avoid unnecessary citations, costly fines and loss of equipment and hunting privileges.

If you make a mistake - for example shooting a spike, or small forked-horn deer instead of an antlerless deer - report it immediately to the local game warden or **Operation Game Thief (OGT) at 1-800-992-3030**. Follow any instructions that are provided to you and wait for the warden to arrive. Taking the opposite approach, such as hiding or wasting game, will carry much more serious consequences.

1. Hunting Outside Unit Area Designated on Tag

- Double-check the hunt area/unit designated on your tag, and review the boundary unit descriptions on the reverse of the Department's Big Game Boundary Unit Reference Map. Purchase detailed reference maps. Know where you are. **This is a misdemeanor offense, but if an animal is killed, it can escalate to a felony.**

2. Loaded Rifle or Shotgun In/On Vehicle

- Nevada law prohibits carrying loaded rifles and shotguns in or on vehicles, including ATVs, motorcycles, snowmobiles, etc. After hunting on foot, unload the gun before placing it in or on the vehicle. **This is a misdemeanor offense.**

3. Using Tag of Another

- This is a surprisingly common violation. Only the person named on the tag may use or possess the tag. **This violation is now considered a felony offense if an animal is harvested.**

4. License and Tag Fraud

- Providing false information (for example, claiming to be a Nevada resident, using a false date of birth, or fictitious name, etc.) to obtain a license is a misdemeanor. Providing false information to obtain a big game tag is a gross misdemeanor, and killing a big game mammal with such a tag is a felony. This activity steals tags from lawful sportsmen.

5. Early/Late Shooting

Do not shoot at game before or after the designated legal hunting hours. Check the sunset/sunrise and hunts by species table. Sunset does not mean dark! **(Refer to legal hunting hours by species on page 68. Also see sunrise/sunset tables pages 68-72. This is a misdemeanor offense.**

6. Possessing an Over Limit of a Species

- Possession Limit is the maximum number of a species that one person can legally take and control at any one time—this includes animals held in the freezer and ice chest.

Daily Limit is the maximum number of a species that is allowed to be harvested in any given day.

7. Unplugged Shotgun

Waterfowl and dove hunters may not use shotguns capable of holding more than three shells. Shotguns must be plugged and rendered incapable of holding more than three shells. **Shotguns must also be plugged in all Wildlife Management Areas regardless of species. This is a misdemeanor offense.**

8. Failure to Properly Punch Tag or Permit Immediately After Taking Game

- Upon reaching game, **immediately** validate (punch) the tag or permit with a knife or other sharp object. Marking it with a pencil or pen is not acceptable. **This is a misdemeanor offense.**

If a tag is used to kill more than one animal, the crime is punishable as a category E felony and all equipment used in the crime is subject to forfeiture, including guns and vehicles.

VALIDATION INSTRUCTIONS: Immediately upon reaching the animal the tag holder has killed:

- CLEARLY PUNCH** MONTH and DAY of kill.
- CLEARLY PUNCH** POINTS LEFT AND RIGHT - If killed animal is deer or elk. An antler is the annually cast and regenerated bony growth originating from the skull of a big game animal as part of its life cycle. "Antler point" means a projection off an antler main beam which is at least 1 inch in length with the length exceeding the width of the base. For mule deer exclude the first point on the main beam near the skull, commonly known as the eye guard.
- CLEARLY PUNCH** SEX of kill - except for Swan
- Write the unit where kill occurred. Refer to regulation brochure map in the NV Hunt Guide.

Filling or marking blocks with pencil or ink IS NOT acceptable. Clearly **punch** the appropriate blocks.

AFTER PUNCHING: The tag must be firmly attached to the carcass of the animal, by the hunter, at or before the time he first reaches his means of transportation or camp and shall remain with the major portion of the meat until consumed. In the case of mountain lion or bear, the tag shall be firmly attached to the hide of the animal and the tag shall remain with the raw hide while in transportation from the field. Mountain lion and ram bighorn sheep must be inspected and sealed by a NDOW employee. Check your NV Hunt Guide for details.

Hunter Education Instructors Create a Rewarding Experience

By Martin Olson

Every year hundreds of volunteers from all corners of the Silver State donate time out of their busy schedules to prepare outdoor enthusiasts, young and old alike, to hunt in Nevada. They do this by teaching Hunter Education classes where students learn how to safely handle a firearm, learn about hunter ethics and the important role hunting plays in conservation of our wildlife resources.

“Young hunters are essential for the future of hunting. We are here to help them get started right and to help them understand why we hunt today and how they can do so safely and responsibly,” said Dave Fulton, hunter education instructor in the Southern Region.

In Nevada, anyone born after Jan. 1, 1960 must complete an official Hunter Education class before they can purchase their hunting license. An equivalent certification showing that a person has completed a state-sponsored Hunter Education course in another state or Canadian province also is acceptable.

Those who wish to complete Nevada’s Hunter Education requirement must first complete a self-study workbook called “Today’s Hunter” and then attend an eight-hour class. The workbook covers such topics as the Wildlife Restoration Program, which was created by the Pittman-Robertson Act, hunter ethics, habitat and the safe handling of modern firearms, muzzleloaders, and archery equipment.

“The workbook also touches on first aid and outdoor survival skills which many outdoor enthusiasts fail to research,” said Don Woods, hunter education instructor from Las Vegas.

The “Today’s Hunter” workbook is free of charge and available at Nevada Department of Wildlife (NDOW) offices around the state. For those who prefer to learn in a digital environment, a virtual rendition of the workbook portion of the Hunter Education class is available online at www.huntercourse.com and www.hunter-ed.com. These websites are operated by private companies so students can expect to pay a fee for using their services.

Once they have completed the virtual workbook, students need to print their completion certificate and provide that to

the instructor when they report for their Hunter Education class. The completed workbook or the completion certificate must be turned in at the beginning of class.

During the classroom portion, students also participate in various hands-on exercises using mock firearms. For instance, students learn how to properly check a firearm to verify it is not loaded. In addition, they demonstrate safe methods of climbing fences, entering and exiting vehicles and boats, and determining their safe zone of fire.

“The Hunter Education class also is a wealth of knowledge for a non-hunter, especially since the students are taught the four primary rules of firearm safety”, said Larry Brinker, a shooting sports instructor for NDOW. One exercise during the field day is based on good decision-making. Commonly referred to as “Shoot or Don’t Shoot,” this activity helps students learn the decision making process when it comes to shooting a firearm and reinforces the importance of safe, sound, split-second decisions. They also learn of the ramifications that come from both good and bad decisions.

“The real rewarding aspect for the instructor is that gratifying feeling of sharing his or her knowledge of safe firearm handling and the reasons why hunting is important today,” said Brinker.

Each Hunter Education class is taught by a minimum of two instructors, some of which are family teams or husband-and-wife teams. Single instructors get established by teaching with existing instructor teams until they create their own instructor group or are adopted into an existing one.

If you are interested in becoming a Hunter Education instructor, or know someone else who would enjoy donating a few hours each year to the next generation of hunters and being involved in the continuation of the hunting heritage, please contact the Nevada Department of Wildlife. Someone in the Western, Eastern or Southern regional offices can help you get started. A few hours given by someone like you each year can be the means of providing a lifelong memory for someone else.

Nevada's 5-Star Outdoor Shooting Facility

Located at the far north end of the Las Vegas Valley, the Clark County Shooting Complex offers an unparalleled shooting experience. Whether you're a novice or expert, you'll enjoy the complex's 30-station Sporting Clays Course, a Shotgun Center featuring 24 combination Trap and Skeet Fields, a Rifle-Pistol Center and even a known-distance Archery Range. Bring your own guns and equipment or rent ours. Have an RV? The complex offers 80 full-service hook-ups with a 270-degree, panoramic view of Las Vegas from our elevated location. A work camper host program is also available.

Wild Horse and Burro Gatherers

Attention tag holders: Please be aware that the Bureau of Land Management is in a continuing process of gathering wild horses and burros from around the state. This activity could at times be disruptive to your hunt. If this is a concern to you it is advised that you contact your local BLM District Office or check their website when scheduling your hunt so you can avoid these activities.

* Hunter may harvest a Nelson, Rocky Mountain, or hybrid subspecies; for purposes of complying with NAC 502.345, a harvested animal will be considered a Nelson bighorn; hunter is required to provide tissue sample from harvested ram for DNA tests; harvested rams may not be accepted into formal trophy record books.

** There are portions of Unit 181 in Naval Air Station (NAS) Fallon where public access is restricted. To hunt in the NAS portions of Unit 181, the tag holder is required to attend a NAS hunter safety briefing.

*** Portions of Hunt Units 252, 280, 281, 282 are within the Nevada Test and Training Range (NTTR) where public access is restricted. Hunters and everyone in their respective hunting parties, must comply with all Nevada hunting requirements and all NTTR safety and security requirements including the following: 1) consent to and pass a criminal history background check, 2) be at least 14 years old on opening day of the respective hunting season, 3) attend the Nellis Air Force Base hunter safety briefing, and 4) within the NTTR portion of Unit 252 limit

party size to 5 including tag holder. Additional party members may complete background check and safety briefing, but only maximum of 5 party members including tagholder may be present within the NTTR portion of Unit 252 at any given time.

Hunters and members of their parties who fail to comply with these requirements may be denied access to the NTTR. Hunters and members of their parties may not access the NTTR after a tag is filled and animal has been removed and in possession of tagholder. No pets are allowed on NTTR. It is the hunter's responsibility to meet and/or comply with all NTTR eligibility requirements. In some units there may be adjustments to season dates to accommodate Department of Defense operations. The Nevada Board of Wildlife Commissioners hereby delegates authority to the Nevada Department of Wildlife to adjust season dates to accommodate Department of Defense operations so long as there is no change to the overall length of the season.

are open to bear hunting
except those portions of
192 and 194 described
below in Special Regulations.

Combined Resident and Nonresident Harvest Objective: 20

***Specific Regulations:**

- The limit is one animal per tag. Hunting hours are one-half hour before sunrise to sunset.
- Tag holders, or their licensed guide if applicable, must call the Black Bear Harvest Information Hotline prior to hunting to determine if the hunt has been closed due to the harvest objective being reached. The number is 1-800-800-1667 and is accessible 24 hours a day.
- At least one mandatory Black Bear Indoctrination class will be held and that one will be held in Reno (location to be announced) on Saturday, August 16, 2014, from 1 p.m. to 4 p.m. Attendance at a Black Bear indoctrination is mandatory for tag holders or their representative guides or subguides. A person represented by a guide or subguide at the indoctrination may only hunt under the direct supervision of the guide or subguide who attended the class for them. Tags will only be issued upon completion of an indoctrination class.
- The Department phone number to call to report a harvested black bear is 1-800-800-1667.

Those areas within Units 194 and 192 that are within the U.S. Forest Service Lake Tahoe Basin Management Unit (LTBMU) and those areas bounded on the west by the LTBMU boundary from the southern boundary of Township 16 North, Range 18 East, Section 13 to the Mount Rose Wilderness Area boundary (approximately located at the Relay Ridge Radio Tower), by the Mount Rose Wilderness Area boundary from the LTBMU boundary to the western boundary of Range 19 East, and by the western boundary of Range 19 East from the Mount Rose Wilderness Area boundary to USFS Road No. 41049 (Logan Meadow Lane/Thomas Creek), bounded on the north by USFS Road No. 41049 from the western boundary of Range 19 East to Timberline Drive, by Timberline Drive from its junction with USFS Road No. 41049 to State Highway 431 (Mount Rose Highway), and by State Highway 431 from its junction with Timberline Drive to its junction with U.S. Highway 395, bounded on the east by U.S. Highway 395 from its junction with State Highway 431 to the southern boundary of Township 16 North, Range 19 East, Section 14 (approximately located at the northbound Bellevue Interchange off-ramp), and bounded on the south by the southern edge of Township 16 North, Range 19 East, Sections 14 - 18, following the southern boundary of the University of Nevada, Reno Little Valley Study Area, and Township 16 North, Range 18 East, Section 13 to the LTBMU boundary.

Resident Junior Mule Deer - Antlered - or - Antlerless Longbow Archery, Muzzleloader, or Any Legal Weapon Hunt 1107

The junior youth hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the longbow archery season when the unit is open for longbow archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon (including crossbow) when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt.

Note: Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 5 years of application for the junior hunt.

Youth must be 12 prior to the opening of the first hunt season applied for (usually longbow archery), and will not attain their 18th birthday until after the last day of the last season applied for (usually rifle). A person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt for not more than 5 years.

2014 BIG GAME HUNT QUESTIONNAIRES

The big game hunt questionnaire or the information required by the questionnaire issued as part of a tag must be properly completed and received by the Wildlife Administrative Services Office, P.O. Box 1345, Fallon, Nevada 89407-1345, or submitted online at www.huntnevada.com no later than 5 p.m., **on January 31, or the next business day if January 31 falls on a weekend or state holiday.** Big game questionnaires may be submitted online at www.huntnevada.com, by phone, or faxed to (775) 423-0799. Please follow-up with the Wildlife Administrative Service office to make sure your questionnaire

has been received.

Any person who fails to return the big game questionnaire or the information required by the questionnaire within the period specified, or who submits incomplete or false information on the questionnaire will be denied all big game tags for one year. A person who has been denied a tag pursuant to this subsection may have those privileges reinstated if he: (a) Pays to the Department an administrative fine of \$50. (b) Submits electronically by the 2015 application deadline, or by mail by the third Friday in March.

Partnership in Wildlife (PIW) Hunts

Partnership in Wildlife (PIW) is a voluntary and optional participation program that offers unique hunting opportunities to hunters for a few statewide big game tags. A person with a PIW tag may hunt in any unit with an open season for the species listed on the tag, during the season dates when that unit is open for that species, and only with the weapon authorized to be used during that open season.

Application Instructions: Applicants who are eligible and apply for hunts in the first big game drawing of the year can apply for PIW hunts at the same time. Marking the PIW box with your initials for the same species you applied for in the first drawing will let us know that you want to participate in the PIW drawing for some very special tags. (Doe, cow, depredation and junior hunt applicants are not eligible for PIW hunts.) The PIW tag fee donation is \$10 for each species applied for. If successful for a PIW hunt tag, the entire tag fee the participant submitted with their main draw application will pay for the PIW tag. If unsuccessful in the PIW draw, \$10 of the tag fee received will be placed in the Wildlife Heritage Trust Account. The remainder of the tag fee received from an unsuccessful applicant for a big game tag will be refunded to the applicant.

Funds Benefit Wildlife Heritage Trust: The funds donated through PIW are placed in the Wildlife Heritage Trust Account. According to NRS 501.3575, 75 percent of the money deposited in this account in the previous year and the total interest earned on the account during the previous year, may be used by the Department annually for the protection, propagation, restoration, translocation, introduction and management of any game fish, mammal, bird or furbearing mammal and the management and control of predatory wildlife in the state. The Board of Wildlife Commissioners is responsible for reviewing and approving expenditures from the account.

Every year wildlife management projects are funded through this account. PIW promises to benefit both Nevada's wildlife and the sportsmen by providing additional financial support for game management programs and a hunting opportunity that would not otherwise be available to most sportsmen in Nevada.

2014 PARTNERSHIP IN WILDLIFE (PIW) HUNTS

Legal Weapon: Longbow archery when the season for that species and management unit is restricted to archery. Muzzleloader when the season for that species and management unit is restricted to muzzleloader. Any legal weapon, including crossbow, when the season for that species and management unit allows any legal weapon.

Limit: One.

Hours: One-half hour before sunrise to sunset.

Resident Nelson (Desert) Bighorn Sheep Hunt 3000

Category: Any ram

Unit Group: *Any management unit where there is an open season for Nelson (desert) bighorn sheep except for units where PIW tagholders harvested in the previous year.

Please Note: Unit 253 is closed.

Season Dates: In compliance with the season dates set for each management unit or unit-group for hunt 3151.

Quota: 1

* Fallon NAS - There are portions of Unit 181 in Naval Air Station (NAS) Fallon where public access is restricted. To hunt Nelson (desert) bighorn sheep in the NAS portions of this unit, the tag holder is required to attend a NAS hunter safety briefing.

*Portions of Hunt Units 252, 280, 281, 282 are within the Nevada Test and Training Range (NTTR) where public access is restricted. Hunters and everyone in their respective hunting parties, must comply with all Nevada hunting requirements and all NTTR safety and security requirements including the following: 1) consent to and pass a criminal history background check, 2) be at least 14 years old on

opening day of the respective hunting season, 3) attend the Nellis Air Force Base hunter safety briefing, and 4) within the NTTR portion of Unit 252 limit party size to 5 including tag holder. Additional party members may complete background check and safety briefing, but only maximum of 5 party members including tagholder may be present within the NTTR portion of Unit 252 at any given time.

*Hunters and members of their parties who fail to comply with these requirements may be denied access to the NTTR. Hunters and members of their parties may not access the NTTR after a tag is filled and animal has been removed and in possession of tagholder. No pets are allowed on NTTR. It is the hunter's responsibility to meet and/or comply with all NTTR eligibility requirements. In some units there may be adjustments to season dates to accommodate Department of Defense operations.

*The Nevada Board of Wildlife Commissioners hereby delegates authority to the Nevada Department of Wildlife to adjust season dates to accommodate Department of Defense operations so long as there is no change to the overall length of the season.

The North American Model of Wildlife Conservation

What Every Hunter and Non-Hunter Should Know

By *Martin Olson*

The North American Model of Wildlife Conservation (NAMWC) is the first of its kind anywhere in the world and is primarily responsible for bringing several game species back from the brink of extinction. Included on that list are the wild turkey, elk, pronghorn antelope, deer and others.

Some outdoor enthusiasts may recognize this model as the Federal Aid in Wildlife Restoration Program, otherwise known as the Pittman-Robertson Act of 1937. However, the North American Model of Wildlife Conservation is actually the pillars or foundation for the Pittman-Robertson act. The P-R legislation was named after Nevada Senator Key Pittman and A. Willis Robertson, a congressman from Virginia. Its purpose was to provide a dedicated source of funding necessary to improve wildlife conditions and habitat through a special user tax.

The Pittman- Robertson Act placed an excise tax on ammunition and sporting firearm purchases. These tax revenues are placed in the P-R wildlife restoration fund. In 1970 the law was amended to include handguns and archery equipment and to allow spending of the revenues on hunter education programs and shooting range development. Funds collected through this tax, paid by hunters and other recreational shooters, are distributed among the individual states as grants to be used for restoring wildlife habitat, increasing wildlife populations and training hunters.

The historical foundation of the wildlife restoration program was laid in the mid 1800's. Early American settlers realized wildlife was disappearing at an astronomical rate and that something had to be done if future generations were to enjoy the nation's wildlife. They recognized that our fish and wildlife resources belong to all North American citizens, and that wildlife is to be managed in a way that allows their populations to be sustained forever. It was upon these two principles that the North American model for wildlife conservation was founded. Those principles are reflected in a set of stipulations known as the "seven sisters of conservation."

Public trust: Natural resources are managed by government agencies to ensure we will always have wildlife for the future. Guidelines such as regulated hunting

and season limits are in place to prevent overharvesting of wildlife.

Prohibiting the sale of wildlife: The commercial demand for wildlife resources created an environment that encouraged overharvesting of those resources for financial gain. Feathers to make hats and furs for clothes took an enormous toll on wildlife populations. Today the sale of wildlife meat is illegal. However, certain furs, antlers, and horns can be sold as long as they were legally harvested.

Self-governing law for wildlife: Federal and state agencies that manage wildlife provide public forums to express opinions and share ideas on managing wildlife. Today every citizen has the right to help make the laws that conserve and protect wildlife.

Opportunity for everyone: Hunting is not limited to the wealthy nor to those within a certain social status as it was in earlier days. Everyone is considered equal and can hunt or fish on most public land in North America.

Negligent killing: With strict guidelines in place such as designated hunting seasons and harvest limits, wildlife can be killed for food, fur and even self defense. Simply put, the killing of wildlife just for its antlers, horns or feathers, while not utilizing the meat, is generally illegal and also considered by most hunters as unethical.

International resources: Wildlife can migrate between states, countries and provinces. This is most notable in migratory birds. Treaties now exist between the United States, Canada, Mexico and Russia to protect migrating birds and wildlife. The Migratory Bird Treaty Act of 1918 makes it illegal to capture or kill migratory birds, except as allowed by regulated hunting seasons.

Scientific management: Results from such activities as migration surveys, population modeling, and evaluating habitat concerns are just a few of the tools biologists use when considering hunting regulations.

These seven sisters of early conservation began the rebuilding of wildlife populations and lead to the generation of much needed funding provided by hunters through the Pittman-Robertson Act. Those funds benefit not only the game animals we hunt today but all species of wildlife.

Help NDOW Give These Markers the Boot

Hollow plastic pipes were historically used to mark the boundaries of mining claims in Nevada. Unfortunately, these pipes are often seen by birds as a cavity suitable for nesting. After perching on the pipes, the birds then enter the hole only to become trapped because the walls of the pipes do not allow them to extend their wings and fly out and are too smooth to allow them to climb their way up the sides. As a result they die from dehydration or starvation. Other animals such as lizards and bats also meet the same fate.

The pipes are believed to be responsible for tens of thousands of dead birds in Nevada. Nevada Department of Wildlife (NDOW) biologists reports that 38 dead birds were discovered in one pipe alone. NDOW staff has identified 43 species of birds from the markers so far. Most were cavity-nesters. Ash-throated Flycatcher and Mountain Bluebird were the most frequent victims, but woodpeckers, sparrows, shrikes, kestrels and owls were also commonly trapped.

“It’s extremely important that hunters know about this issue and help out by knocking them down”, said Christy Klinger, wildlife biologist for NDOW. “Many of these markers

can be found scattered throughout pinyon-juniper and other woodland habitats, and these are the ones that seem to be attracting and killing the most mountain bluebirds, owls, and woodpeckers. It’s easy to find and knock down posts that are highly visible in the valleys, but it’s the ones hidden in the trees that do the most damage and are only going to be discovered by hunters and other recreationists.”

Recent legislation (NRS 517.030) prohibits the use of hollow plastic mine claim markers, and provides authority to the general public to knock down any hollow mine markers on federal lands in Nevada. But 100,000’s of the pipes may still be out there killing birds.

“No one knows for sure how many of these markers are out there, but the estimates are high. Birds and other wildlife are unnecessarily dying in these posts every day, and eliminating this threat will result in healthier, better-functioning ecosystems throughout Nevada,” said Klinger.

NDOW asks anyone who is out hunting or recreating to please knock down these pipes if you come across one. You can also record the GPS coordinates and send them to Christy Klinger at christy@ndow.org.

Combined Resident and Nonresident Harvest Objective: 20

***Specific Regulations:**

- The limit is one animal per tag.
- Hunting hours are one-half hour before sunrise to sunset.
- Tag holders, or their licensed guide if applicable, must call the Black Bear Harvest Information Hotline prior to hunting to determine if the hunt has been closed due to the harvest objective being reached. The number is 1-800-800-1667 and is accessible 24 hours a day.
- At least one mandatory Black Bear Indoctrination class will be held and that one will be held in Reno (location to be announced) on Saturday, August 16, 2014, from 1 p.m. to 4 p.m. Attendance at a Black Bear indoctrination is mandatory for tag holders or their representative guides or subguides. A person represented by a guide or subguide at the indoctrination may only hunt under the direct supervision of the guide or subguide who attended the class for them. Tags will only be issued upon completion of an indoctrination class.
- The Department phone number to call to report a harvested black bear is 1-800-800-1667.

Silver State Tag Offers the Hunt of a Lifetime

By Aaron Meier

Let's just make this very simple. If you apply for big game tags in Nevada and don't also put in for the Silver State Tag, you either haven't been told what an amazing opportunity it is, or you just aren't that interested in the hunt of a lifetime with thousands of dollars worth of prizes thrown in. I sure hope it's the first one.

The Silver State Tag is similar to the state's Heritage Tags, sometimes called governors tags or bid tags, and gives lucky recipients the chance to hunt one of four big game animals (antelope, desert bighorn sheep, mule deer and elk) statewide in those hunt units where there is an established season from July 1 through February 28. But unlike the Heritage Tags which generally sell at auction for thousands of dollars, Silver State Tags are available through Nevada's normal tag application process at a far lesser price.

Tag applicants pay a nonrefundable application fee of \$20 plus the \$3 predator and \$2 online fee, which bring the total to \$25 each for mule deer, desert bighorn and pronghorn antelope. An additional \$5 is required for the elk application. Tag recipients will be charged the current fees established for the tag received. Applications for the Silver State Tags may only be submitted electronically at www.huntnevada.com during the regular big game tag application period.

In addition to expanded choice of hunt location, tag holders also will have an extended season in which to harvest their game animal. For desert sheep, mule deer, elk and pronghorn antelope, Silver State Tag bearers can begin hunting July 1 and hunt through February 28. Tag holders also can use their legal firearm of choice throughout the season's duration archery, muzzleloader or rifle.

This past year several sportsmen's groups and stores teamed up to include additional items to the lucky hunters who draw a Silver State Tag. These prizes included rifles, guided hunts, \$500 gift cards and an optics package.

"We already think that the Silver State Tag is an incredible deal for both resident and nonresident hunters alike," said Chad Bliss, Nevada Board of Wildlife Commissioner. "With all of these amazing prizes added on by Nevada's sportsmen's groups, it becomes a hunting opportunity you simply cannot pass up. Plus the money raised goes right back into helping Nevada's wildlife. If there is a downside, I sure don't see it."

The Silver State Tag draw is open to both resident and nonresident hunters who are eligible to hunt big game, even those who are fulfilling waiting period requirements for the species available. However, if an applicant is in a waiting period he is only eligible to apply for the Silver State Tag for that species. If he is not in a waiting period, an applicant could apply for a Silver State Tag, a regular big game tag and a Partnership in Wildlife tag all in the same year. But once an applicant is awarded a tag his application will not be considered in subsequent drawings for the same species in that year. With the exception of tags for certain depredation hunts, a hunter may obtain only one tag per species per year.

Like the money generated through the sale of Heritage Tags, Nevada law requires that Silver State Tag application fees be deposited in the Wildlife Heritage Trust Account. Funds from this account must be used for the protection, propagation, restoration, translocation introduction and management of Nevada's wildlife.

Nonresident Guided Hunt Deer Tags

There are 100 licensed master guides in Nevada that provide guide services for big game, game birds, game fish and unprotected wildlife. Different hunters often desire to hire a guide for different reasons, ranging from a novice hunter who is a little uncomfortable with trekking into the remote Nevada outback, to an experienced hunter, who draws the tag of a lifetime, like a desert bighorn or bull elk tag.

When booking a guided hunt be sure that the master guide you hire is licensed to provide guide service in Nevada and be sure that you are provided with a contract before services are provided. If you are a nonresident of Nevada you may participate in the nonresident restricted guided deer draw, a program that allots a number of tags specifically for a guided deer hunt.

Please Note: Nonresident applicants who apply in the Restricted Nonresident Guided Deer Hunt will not be able to apply for deer tags in the big game main draw in the same year.

Restricted nonresident deer tags: Definitions

(NRS 502.146)

1. "Restricted nonresident deer hunt" means a deer hunt in which a restricted nonresident deer hunter hunts with a licensed master guide or licensed subguide.
2. "Restricted nonresident deer hunter" means a person who is not a resident of this State and is issued a restricted nonresident deer tag.
3. "Restricted nonresident deer tag" means a tag which is issued to a nonresident for a restricted nonresident deer hunt.

Restricted nonresident deer tags: Issuance

(NRS 502.147)

1. The Department shall make available restricted nonresident deer tags in an amount not to exceed the amount set forth in this section. If the number of persons who apply for restricted nonresident deer tags is greater than the number of tags to be issued, the Department shall conduct a drawing to determine the persons to whom to issue the tags.
2. The number of restricted nonresident deer tags must:
 - (a) Be subtracted from the quota of rifle deer tags for nonresidents; and
 - (b) Not exceed 16 percent of the deer tags issued to nonresidents during the previous year or 400 tags, whichever is greater.
3. The number of restricted nonresident deer tags issued for any management area or unit must not exceed 37.5 percent, rounded to the nearest whole number, of the rifle deer tags issued to nonresidents during the previous year for that management area or unit.
4. The Department shall mail the tags to the successful applicants.

Restricted Nonresident Deer Tags: Guide to accompany hunter during hunt

(NRS 502.149)

A restricted nonresident deer hunter must be accompanied at all times during the restricted nonresident deer hunt by the licensed master guide who cosigned the application or one of his licensed subguides.

Use of Licensed Guides, Subguides Required in Nevada

By Edwin Lyngar

Many sportsmen may not realize that using an unlicensed guide in the state of Nevada is against law. Any sportsmen who wish to use hunting or fishing guides must use only those who are licensed in the state of Nevada.

“There can be a lot of pitfalls to using an illegal guide,” said Paul Dankowski, acting chief game warden with the Nevada Department of Wildlife (NDOW). “There is definitely a safety risk, and that’s our main concern. Of course we also want to reduce unethical hunting and poaching, which is why it’s so important to hire a legal guide.”

Licensed guides must meet rigorous licensing requirements, such as certification in first aid and ample insurance coverage. They have agreed to abide by certain levels of professional conduct, all of which protect the sportsman.

Nevada law states that a person shall not knowingly compensate a person who holds himself or herself out as providing guide service or engaging in business as a master guide or subguide, or acting in any other capacity for which a master guide license or subguide license is required, unless the person provides proof that he or she is a holder of a master guide license or subguide license. The bottom line is that the sportsman has a responsibility to make sure he or she hires a licensed guide. To do otherwise is a misdemeanor offense.

The penalties for providing services are much heavier for illegal guides themselves. Providing services without a license remains a serious crime. Anyone caught and found guilty of guiding without a license is subject to a fine, up to two years in jail and forfeiture of all equipment used during the hunting or fishing trip.

“Sportsmen are just better off using a licensed hunting or fishing guide,” said Dankowski.

If compensating anyone for a guide service, hunters or anglers should request to see a copy of the Nevada Master Guide license, Bureau of Land Management, US Forest Service or other federal special use permits from other agencies (if applicable). A master guide is required to provide a written contract agreement for services to be provided so the sportsmen are protected. Master guides and subguides may be licensed only for particular services and areas of operation.

Licensing is for the protection of the public. The licensing process is to ensure that the users of outfitter and guide services have a safe and enjoyable outdoor experience. It is part of the element of hunting or fishing ethically that so many members of the public take so seriously.

For more information and a current list of licensed guides, visit the Nevada Department of Wildlife website at ndow.org or call (775) 688-1549. Sportsmen can also report illegal guiding to Operation Game Thief at 1-800-992-3030.

Mountain Lion Laws & Regulations

Mountain lion quotas are established for each of Nevada's three regions. When the harvest objective has been met for a given region, the lion season is closed in that region. Prior to hunting, tagholders must call the Mountain Lion Harvest Information Hotline at any time to determine if a unit or unit group has been closed due to the harvest objective being

reached. The hotline number is 1-800-800-1667, and is accessible 24 hours a day. Mountain lion tags are available for residents and nonresidents to purchase over the counter (two per year) at NDOW offices, license agents and online at www.ndowlicensing.com. Harvested mountain lions must be inspected and sealed by a NDOW representative.

SPECIAL REGULATION: A hunter, or their licensed guide if applicable, must call the mountain lion hotline at 1-800-800-1667 prior to hunting to determine if a unit group is open or closed.

*Interstate hunt with Utah. Nevada and Utah hunters may hunt within open units in both states. (Nevada Unit 091, Utah Unit 1c.) Nevada hunters hunting in Utah must abide by Utah regulations and season dates on the Utah portion of the hunt area.

NOTE: Legal Weapons - Only legal weapons authorized for big game (page 14). **Rimfire .22's are not a legal weapon for hunting mountain lions.**

Hunting with a Dog (NAC 503.147) - It is unlawful to hunt, chase or pursue any mountain lion with a dog except during the open season, in an open management area and under the authority of a hunting license and mountain lion tag.

Hunting Mountain Lion with a Handgun or Shotgun (NAC 503.142) - A person may hunt big game mammals with a handgun if the handgun uses a centerfire cartridge, has a barrel length of 4 inches or more and:

(a) Uses a cartridge of caliber .22 or larger with an overall loaded length of 2 inches or more; or

(b) Uses a cartridge of caliber .24 or larger with a case of length no less than the length of the case of a cartridge for a Remington magnum of caliber .44.

A person may hunt deer and mountain lion with a shotgun no larger than 10 gauge and no smaller than 20 gauge. Only rifled slugs or shotgun rounds with sabots that contain a

single expanding projectile may be used when hunting deer. A shotgun that is used to hunt deer or mountain lion pursuant to this subsection may be equipped with a smoothbore barrel or a barrel that is partially or fully rifled.

Guiding Hunt for Mountain Lion (NAC 504.701) - A master guide who is hired to guide a hunt for a mountain lion shall ensure that his client physically accompanies him or his subguide in the pursuit and killing of the mountain lion.

Use of Flashlight in Mountain Lion Hunt (NAC 503.189) - A person who is hunting, chasing, or pursuing a mountain lion, pursuant to a mountain lion tag, and who is not in or on a motorized vehicle, may use a flashlight which is hand-held and powered by a dry cell.

Mountain Lion Tags: Eligibility; Expiration; Duties Upon Harvesting; Restrictions; Report of Accidental Trapping or Killing. (NAC 502.370)

1. A tag is required to hunt mountain lion. Unless otherwise specified by regulation of the Commission or Title 45 of NRS, any resident of Nevada or nonresident is eligible to obtain not more than two mountain lion tags in any year. A mountain lion tag:

- (a) May be purchased from the Department or a license agent;
- (b) May be used in any management unit or group of management units in Nevada during any open season established for the management unit or group of management units pursuant to subsection 2; and
- (c) Expires upon the termination of all the open seasons established pursuant to subsection 2 for the year for which the tag is issued.

2. The Commission will annually specify the number of mountain lions it determines to be appropriate for harvesting in a management unit or group of management units. The open season for mountain lions in each such management unit or group of management units begins on March 1 and ends on:

Continued on next page

Mountain Lion Laws & Regulations

(a) The last day of the next succeeding February; or
(b) The day the Department determines that the number of mountain lions harvested in that management unit or group of management units is equal to or greater than the number specified by the Commission pursuant to this subsection, whichever occurs earlier. The Department shall maintain and annually publish a toll-free telephone number for ascertaining whether the Department has determined that the number of mountain lions harvested in a management unit or group of management units is equal to or greater than the number specified by the commission pursuant to this subsection. The Department is not required to provide any other notice of the termination of an open season for mountain lions in a management unit or group of management units.

3. A person who harvests a mountain lion shall, within 72 hours after harvesting it, personally present the skull and hide to a representative of the Department for inspection.

The representative shall affix the seal of the Department permanently to the hide.

4. It is unlawful for any person to:

(a) Transport the hide of a mountain lion from this state without the seal, required by this section, permanently affixed to the hide.

(b) Except as otherwise provided in subsection 3, possess the hide of a mountain lion without a seal permanently attached to it.

(c) Kill a female mountain lion which is accompanied by a spotted kitten.

(d) Kill or possess a spotted mountain lion kitten.

5. If a mountain lion is accidentally trapped or killed, the person trapping or killing it shall report the trapping or killing within 48 hours to a representative of the Department. The animal must be disposed of in accordance with the instructions of the representative.

ATTENTION: Mountain Lion Hunters

The Nevada Department of Wildlife is requesting that hunters allow for the removal and retention of one premolar tooth from each harvested mountain lion when presenting the skull and hide to NDOW for sealing. Please present the skull, unfrozen, or with the mouth fixed open. The premolar tooth will be used to accurately age harvested mountain lions. NDOW is also asking that a one-inch-square piece of tongue, or other muscle tissue from each lion to be turned in at the same time for future DNA testing.

Teeth and skulls can be presented at any NDOW regional office. Please call first to confirm biologist availability.

Emergency Depredation Hunts (CR 13-04)

Applications: In an emergency hunt for a particular geographic area (that may have multiple seasons) where the total quota for all seasons is less than 20 tags, participants will be selected from the unit group alternate list established for the nearest similar hunt.

In an emergency hunt for a particular geographic area (that may have multiple seasons) where the Department designates a total quota of 20 tags or more for all seasons for a particular hunt, the Department will hold a computerized drawing. Submission of applications for an emergency hunt drawing will be restricted to online at www.huntnevada.com. The application period and deadline for each emergency hunt draw will be determined at the time the hunt and season is established by the Department. Applicants must be currently eligible for the species identified in the hunt to be eligible to apply for an emergency hunt draw.

Tag Quota: Not to exceed 2,000 tags statewide for all species listed.

Please Note: Eligibility restrictions concerning successive years hunts do not apply to these hunts.

Resident Antelope Emergency Depredation Hunt

Legal Weapon: To be determined by hunt.

Class of Animal: To be determined by the Department for each designated emergency depredation hunt. Hunt number #2104 for pronghorn antelope with horns shorter than ears,

hunt number #2105 for pronghorn antelope with horns longer than ears, and hunt number #2106 for either class of pronghorn antelope.

Open Season: Individual designated emergency hunts may occur between July 1 and February 28 of the following year.

Resident Elk Emergency Depredation Hunt

Legal Weapon: To be determined by hunt.

Class of Animal: To be determined by the Department for each designated emergency depredation hunt. Hunt number #4104 for antlerless elk, hunt number #4105 for antlered elk, hunt number #4106 for either class of elk, and hunt number #4108 for spike only elk.

Open Season: Individual designated emergency hunts may occur between July 1 and February 28 of the following year.

Resident Mule Deer Emergency Depredation Hunt

Legal Weapon: To be determined by hunt.

Class of Animal: To be determined by the Department for each designated emergency depredation hunt. Hunt number #1104 for antlerless mule deer, hunt number #1105 for antlered mule deer, and hunt number #1106 for either class of mule deer.

Open Season: Individual designated emergency hunts may occur between July 1 and February 28 of the following year.

Migratory Bird Laws & Regulations

In Nevada, migratory game bird seasons are established for ducks and mergansers, coots and moorhens (gallinules), common snipe, Canada and white fronted geese, snow geese and Ross' geese, tundra swan and mourning dove. Migratory waterfowl are a subgroup of migratory game birds, and include ducks, mergansers, geese and swans.

Permits and Stamp Requirements

(Required regardless of residency)

Federal Migratory Bird Stamp \$16.00

Any person 16 or older who hunts any migratory waterfowl is required to purchase a federal migratory bird hunting stamp. The stamp must be carried on the person and signed in ink across its face.

State Duck Stamp \$10.00

Any person 12-64 years old who hunts any migratory bird EXCEPT mourning or white-winged dove, snipe, coot or moorhen (gallinule) is required to purchase a state duck stamp.

Hunting Hours

Hunting hours are one-half hour before sunrise to sunset: all migratory bird seasons are open to nonresidents. Consult sunrise/sunset tables on pages 64-68.

Swan Permits \$10.00

A swan permit is required to hunt swan. Each person, while hunting swan, shall carry on his or her person a hunting license issued by the Department, unless the person is a resident of this state who is under the age of 12 years; a Swan hunt permit issued by the Department; a state duck stamp, or any other such documentation as the Department provides as proof that the person has paid to the Department the fee for the state duck stamp, unless the person is under the age of 12 years or 65 years of age or older; and a Federal migratory bird hunting stamp, or any other such documentation as the Federal Government provides as proof that the person has paid to the Federal Government the fee for the federal migratory bird hunting stamp, unless the person is not subject to the payment of the fee. The application form must be completed in accordance with the instructions thereon. **In general, swan permit applications must be received by the third Friday in September. Results are generally available by the first Friday in October.** No hand delivered applications are accepted for the drawing. Any remaining permits will be available on a first-come, first-served basis through the mail, Internet or over the counter during normal business hours at the Wildlife Administrative Services Office, P.O. Box 1345, 185 N. Maine, Fallon, NV 89407-1345.

Note: Successful swan hunters must punch permits when they take possession of the swan. The permit must be attached to the swan at or before first reaching the hunter's transportation or camp. Swan hunters must present the head and neck of their harvested swan to a Department representative within 5 days of harvest. If the entire swan is brought in by the hunter, the permit must be attached. Validation requirements will be provided with swan permits. Once 5 trumpeter swan are taken, the season is closed to all swan hunting. A person shall not use or possess a swan hunt permit issued to any other person, or transfer or give a swan hunt permit issued to him to any other person.

Youth Waterfowl Hunt

One or two-day youth waterfowl hunts are generally scheduled as part of the waterfowl season setting process. Youth hunt occur within two weeks of the start and the end of the general waterfowl season. The Youth Waterfowl Hunt is open to both nonresident and resident hunters 15 years of age and younger, anyone 12 or older must take a hunter education course prior to buying a license. Youth hunters must be accompanied by an adult who is at least 18 years old. Adults are not allowed to hunt during the Youth Waterfowl Hunt. Any youth age 12 or older is required to purchase a State Duck Stamp prior to waterfowl hunting. In addition, anyone 12 or older who plans to hunt migratory birds is required to obtain a HIP validation number.

Shotguns Limited to Three Shells

When hunting for migratory game birds the use of shotguns capable of holding more than three shells is prohibited, unless the shotgun is plugged with a one-piece filler, incapable of removal without disassembling the gun so that the total capacity of the shotgun does not exceed three shells. Exceptions may be made for late season snow and Ross' goose seasons when all other waterfowl seasons are closed.

Migratory Bird Hunters Must Get HIP Number Annually

Any person 12 years or older who plans to hunt any kind of migratory game bird, including ducks, geese, swans, coot, doves, snipe, or moorhen (gallinules) in Nevada, is required ANNUALLY to obtain a Harvest Information Program (HIP) validation number and write it on their hunting license before entering the field. The validation number is free, and is available by logging on to www.ndowlicensing.com and completing a simple survey, or by calling 1-866-703-4605. The U.S. Fish and Wildlife Service is conducting the nationwide harvest survey to better understand the impact of hunting on these wildlife resources. Tribal members on Federal Indian Reservations or tribal members hunting on ceded lands are exempt from the requirements. Migratory bird hunters will be surveyed at season's end to collect harvest information.

Migratory Bird Laws & Regulations

Nontoxic Shot Requirements (NAC 503.183)

1. A hunter of ducks, mergansers, geese, swans, coots, moorhen (gallinules) or snipe shall use nontoxic shot in muzzleloaders or in shells for a shotgun when hunting in this state.
2. The possession of shells for a shotgun which contain other than nontoxic shot is prohibited while hunting any birds designated in subsection 1.
3. The possession of shot for a muzzleloading shotgun other than nontoxic shot is prohibited while hunting any birds designated in subsection 1.
4. As used in this section, "nontoxic shot" means any shot which has been approved by the United States Fish and

Wildlife Service pursuant to 50 C.F.R. Part 20.134. (see Sec 20.21).

Protection of Birds Included in Migratory Bird Treaty Act (NRS 503.620)

Except as otherwise provided by this title or a regulation adopted pursuant thereto, it is unlawful for any person to hunt or take any dead or alive birds, nests of birds or eggs of birds protected by that certain Act of Congress commonly known and referred to as the Migratory Bird Treaty Act of July 3, 1918, as amended, 16 U.S.C. §§ 703 et seq., or protected by a regulation of the Commission.

Federal Migratory Bird Regulations

The following Federal regulations apply to the taking, possession, shipping, transporting and storing of migratory game birds. Consult the Code of Federal Regulations, Title 50, Part 20 for additional information. **Migratory game birds are: ducks (including mergansers), geese, swans, coot, moorhen (gallinules), snipe, dove, (both white-winged and mourning) and band-tailed pigeon.**

Sec. 20.21 Hunting methods

Migratory birds on which open seasons are prescribed in this part may be taken by any method except those prohibited in this section. No persons shall take migratory game birds:

- (a) With a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than 10 gauge, punt gun, battery gun, machinegun, fish hook, poison, drug, explosive, or stupefying substance;
- (b) With a shotgun of any description capable of holding more than three shells, unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so its total capacity does not exceed three shells. However, this restriction does not apply during:
 - (1) A light-geese-only season (greater and lesser snow geese and Ross' geese) when all other waterfowl and crane hunting seasons, excluding falconry, are closed.
- (c) From or by means, aid, or use of a sinkbox or any other type of low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water;
- (d) From or by means, aid, or use of any motor vehicle, motor-driven land conveyance, or aircraft of any kind, except that paraplegics and persons missing one or both legs may take from any stationary motor vehicle or stationary motor-driven land conveyance;
- (e) From or by means of any motorboat or other craft having a motor attached, or any sailboat, unless the motor has been completely shut off and/or the sails furled, and its progress therefrom has ceased: Provided, That a craft under power may be used to retrieve dead or crippled birds; however, crippled birds may not be shot from such craft under power except in the seaduck area as permitted in subpart K of this part;
- (f) By the use or aid of live birds as decoys; although not limited to, it shall be a violation of this paragraph for any person to take migratory waterfowl on an area where tame or captive live ducks or geese are present unless such birds are and have been for a period of 10 consecutive days prior to such taking, confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such birds from the sight of wild migratory waterfowl;
- (g) By the use or aid of recorded or electrically amplified bird calls

or sounds, or recorded or electrically amplified imitations of bird calls or sounds. However, this restriction does not apply during:

- (1) A light-geese-only season (greater and lesser snow geese and Ross' geese) when all other waterfowl and crane hunting seasons, excluding falconry, are closed.

(h) By means or aid of any motordriven land, water, or air conveyance, or any sailboat used for the purpose of or resulting in the concentrating, driving, rallying, or stirring up of any migratory bird;

(i) By the aid of baiting, or on or over any baited area, where a person knows or reasonably should know that the area is or has been baited. However, nothing in this paragraph prohibits:

(1) the taking of any migratory game bird, including waterfowl, coots, and cranes, on or over the following lands or areas that are not otherwise baited areas.

(i) Standing crops or flooded standing crops (including aquatics); standing, flooded, or manipulated natural vegetation; flooded harvested croplands; or lands or areas where seeds or grains have been scattered solely as the result of a normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice;

(ii) From a blind or other place of concealment camouflaged with natural vegetation;

(iii) From a blind or other place of concealment camouflaged with vegetation from agricultural crops, as long as such camouflaging does not result in the exposing, depositing, distributing or scattering of grain or other feed; or

(iv) Standing or flooded standing agricultural crops where grain is inadvertently scattered solely as a result of a hunter entering or exiting a hunting area, placing decoys, or retrieving downed birds.

(2) The taking of any migratory game bird, except waterfowl, coots and cranes, on or over lands or areas that are not otherwise baited areas, and where grain or other feed has been distributed or scattered solely as the result of manipulation of an agricultural crop or other feed on the land where grown, or solely as the result of a normal agricultural operation.

(j)(1) While possessing loose shot for muzzle loading or shotshells containing other than the following approved shot types.

Sec. 20.24 Daily limit

No person shall take in any 1 calendar day, more than the daily bag.

Sec. 20.25 Wanton waste of migratory game birds

No person shall kill or cripple any migratory game bird pursuant to this part without making a reasonable effort to retrieve the bird, and retain it in his actual custody...

Sec. 20.33 Possession limit

No person shall possess more migratory game birds taken in the United States than the possession limit or the aggregate possession limit, whichever applies.

Sec. 20.35 Field possession limit

No person shall possess, have in custody, or transport more than the daily bag limit or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) his automobile or principal means of land transportation; or (b) his personal abode or temporary or transient place of lodging; or (c) a migratory bird preservation facility; or (d) a post office; or (e) a common carrier facility.

Sec. 20.36 Tagging requirement

No person shall put or leave any migratory game birds at any place (other than at his personal abode), or in the custody of another person for picking, cleaning, processing, shipping, transportation, or storage (including temporary storage), or for the purpose of having taxidermy services performed, unless such birds have a tag attached, signed by the hunter, stating his address, the total number and species of birds, and the date such

birds were killed. Migratory game birds being transported in any vehicle as the personal baggage of the possessor shall not be considered as being in storage or temporary storage.

Sec. 20.37 Custody of birds of another

No person shall receive or have in custody any migratory game birds belonging to another person unless such birds are tagged as required by Sec. 20.36.

Sec. 20.38 Possession of live birds

Every migratory game bird wounded by hunting and reduced to possession by the hunter shall be immediately killed and become a part of the daily bag limit...

Sec. 20.43 Species identification requirement

No person shall transport within the United States any migratory game birds, except doves and band-tailed pigeons (*Columba fasciata*), unless the head or one fully feathered wing remains attached to each such bird at all times while being transported from the place where taken until they have arrived at the personal abode of the possessor or a migratory bird preservation facility. **The head or a fully feathered wing must remain attached while in transit from the field for ducks, mergansers, coots and moorhens (gallinules), snipe, geese and swan.**

Sec. 20.44 Marking package or container

No person shall transport by the Postal Service or a common carrier migratory game birds unless the package or container in which such birds are transported has the name and address of the shipper and the consignee and an accurate statement of the numbers of each species of birds therein contained clearly and conspicuously marked on the outside thereof.

Wild Turkey Laws & Regulations

As of 2010 there is currently only one season (Spring) for turkey in Nevada. Applications must be mailed to the address specified on the application or submitted online at www.huntnevada.com. Applications will be accepted until 5 p.m. on the date specified in the regulation. Hand delivered applications will not be accepted. Only one wild turkey tag can be awarded to an individual within a calendar year. Except for the Junior Wild Turkey Hunts, any remaining tags will be available on a first-come, first-served basis through the internet at www.ndow.org, by mail or over the counter during business hours at Wildlife Administrative Services, 185 N. Maine St., Fallon, Nevada 89406.

Wild Turkey Tags (NAC 502.378)

1. A tag is required to hunt wild turkey. The fee for a resident tag is \$20. The fee for a nonresident tag is \$50. In addition, a nonrefundable fee of \$10 will be charged for acting upon each application for a tag. A person may obtain a form to apply for a tag from a license agent or an office of the Department. The form must be completed in accordance with the instructions on the form. The Department's award of these tags will be based on a drawing held after the deadline specified on the form.
2. A person, while hunting wild turkey, shall have in his possession:
 - (a) A valid hunting license; and
 - (b) A valid tag to hunt wild turkey issued to him.
3. A hunter who has killed a wild turkey and taken it into his possession shall immediately punch the tag and attach it to the turkey's body as required by NAC 502.390 and 502.400.

Hunting Hours

1/2 hour before sunrise to 4 p.m for Spring Turkey season.

Weapons and Type of Shot Permitted for Hunting Wild Turkey (NAC 503.187)

1. No weapon other than a:
 - (a) Shotgun which is no larger than 10 gauge nor smaller than 20 gauge and uses a shot size no larger than a number 2 pellet; or
 - (b) Longbow and arrow,may be used to hunt wild turkey.
2. Shot used to hunt wild turkey on a wildlife management area must be:
 - (a) Nontoxic shot; and
 - (b) Not larger than standard-size T.

Turkey Tag Questionnaire (NAC 502.407)

1. Unless otherwise provided by an annual regulation of the Commission, the properly completed questionnaire issued as part of a turkey tag must be received by the independent contractor designated by the Department no later than 5 p.m. on:
 - (a) May 31, or the next business day if May 31 falls on a weekend or state holiday, following the close of the season for the spring hunt for turkey; or
 - (b) November 30, or the next business day if November 30 falls on a weekend or state holiday, following the close of the season for the fall hunt for turkey.
2. The Department shall annually designate and publish the name and address of an independent contractor who will receive the questionnaire pursuant to subsection 1.
3. A person who fails to return the questionnaire or the information required by the questionnaire within the period specified or who submits incomplete or false information on the questionnaire will be denied all turkey tags for 1 year.
4. A person who has been denied a tag pursuant to subsection 3 may have those privileges reinstated if he:

- (a) Pays to the Department an administrative fine of \$50; and
- (b) Submits to the independent contractor designated by the Department the properly completed questionnaire issued as part of the turkey tag or the information required by the questionnaire.

5. A person who seeks to have privileges reinstated pursuant to the provisions of subsection 4 must perform the actions specified in that subsection not later than 5 p.m. on:

- (a) June 30, or the next business day if June 30 falls on a weekend or state holiday, following the close of the spring hunt for turkey; or

- (b) December 31, or the next business day if December 31 falls on a weekend or state holiday, following the close of the fall hunt for turkey.

6. The Department shall allow an applicant to correct a questionnaire if:

- (a) The independent contractor receives the questionnaire and enters the information on the questionnaire into the computer;
- (b) The questionnaire contains an error that causes the computer to send to the applicant a letter of rejection and blank correction document; and
- (c) The independent contractor receives the completed correction document on or before the deadline set forth in the correction document.

7. If the independent contractor receives the completed correction document on or before the deadline set forth in the correction document, the independent contractor shall use the information contained in the correction document to update the applicant's file on the computer.
8. If the applicant submits a correction document that does not contain information sufficient to correct every error in the questionnaire or the correction document is not received by the independent contractor on or before the deadline set forth in the correction document, the questionnaire will be considered incomplete pursuant to subsection 3.

Hunting with a Dog (NAC 503.147)

It is unlawful to hunt, chase or pursue:

- 1.-2....

3. Any wild turkey with a dog from March 1 through June 30 of any year.

Youth Turkey Hunts

A special youth turkey hunt during the Spring season is designated for Nevada residents only. The youth must be 12 prior to the opening of the hunt season indicated and not attain their 18th birthday until after the last day of the hunt season indicated, pursuant to NAC 502.063.

Application deadline is generally 5 pm. on the third Tuesday in February. Applications for these tags will only be accepted during this period. Results are generally available by the first Friday in March.

Small Game/Upland Game Laws & Regulations

In Nevada, upland game bird species include blue and ruffed grouse, sage grouse, chukar and Hungarian partridge, snowcock, ring-necked and white-wing pheasant, California, Gambel's, mountain and scaled quail, and North American wild turkey.

Small game species include cottontail, pygmy and white-tailed jack rabbits. Falconry seasons are in effect for

waterfowl (all migratory bird stamp requirements apply), dove, chukar, sage, blue and ruffed grouse, pheasant, snowcock, Hungarian partridge, quail and rabbit.

Youth seasons include chukar and Hungarian partridge, California, Gambel's and scaled quail and cottontail, pygmy and white-tailed jack rabbits.

Tags, Permits and Fees:

In addition to the licenses and permits listed on pages 6-8, the following tags and stamps may apply for upland game hunting:

Upland Game Bird Stamp*	\$10.00
Nonresident 1-Day Permit to Hunt	
Upland Game & Migratory Game Birds	\$21.00
Each Consecutive Day Added	\$8.00

*Required to hunt sage grouse, blue and ruffed grouse, Himalayan snow partridge, chukar, quail, Hungarian partridge and pheasant. Not required for turkey or crow.

Hunting Hours

Sunrise to sunset **except** for quail in Pahrump Valley of Nye County (8 a.m. to sunset); for turkey see page 54 or season and bag regulations brochure.

Sage Grouse Applications and Permits

Permit applications for the Sheldon NWR special sage grouse hunt are generally available in August at Department of Wildlife offices and on the agency website at www.ndow.org. The application deadline is usually in late August, and the hunts occur in mid-late September. Please contact a regional office for more information.

Hunting on Wildlife Management Area

Non-toxic shot must be used for all species when hunting on wildlife management areas. (NAC 504.135)

The use or possession of shells for a shotgun containing shot that is toxic, or larger than standard-sized T is prohibited on the Overton, Key Pittman, W.E. Kirch, Scripps, Mason Valley, Fernley, Alkali Lake, Humboldt, Steptoe Valley and Franklin Lake Wildlife Management Areas. (NAC 504.135)

The use of shotguns capable of holding more than three shells is prohibited on all wildlife management areas unless it has been plugged with a one-piece filler, incapable of removal without disassembling the gun, so its total capacity does not exceed three shells. (NAC 504.135).

Edible Portions Guide

Upland Game Bird

In the case of game birds, the meat of the breast.

- 1.) Breast

Small Game

In the case of small game mammals, the meat of the front quarters as far as the distal joint of the tibia-fibula (hock), and the meat along the backbone between the front and hind quarters.

- 1.) Shoulder, 2.) Hind Quarter (Thigh), 3.) Backbone (Backstrap)

NOTE: Special firearms restrictions are in effect at **Wildlife Management Areas (pages 59-63)** and **National Wildlife Refuges (pages 64-65)**.

Snowcock Harvest

Prior to hunting snowcock, persons must obtain a snowcock hunting free-use permit from any Nevada Department of Wildlife office. Permits may be faxed to persons planning to hunt snowcock once appropriate information has been collected from the hunter.

Mountain Quail and Pygmy Rabbit

The Department of Wildlife is interested in collecting harvest information on both mountain quail and pygmy rabbits throughout Nevada. The Department requests that hunters contact the Reno Headquarters at (775) 688-1529 or your local game agent to report your mountain quail or pygmy rabbit harvest.

Blue and Ruffed Grouse (NAC 503.185)

The head or one fully feathered wing must be attached to all blue and ruffed grouse until the carcass reaches the possessor's residence or a commercial facility for its preservation.

NDOW is requesting blue grouse wings for age and sex information and genetic sampling. Persons harvesting blue grouse are requested to deposit one wing from each bird harvest at any NDOW office.

Continued on next page

Small Game/Upland Game Laws & Regulations

Persons harvesting ruffed grouse in Humboldt County are requested to report harvest in person to the Department of Wildlife office, in person or by mail at 815 E. Fourth St., Winnemucca, NV 89445. Phone (775) 623-6565.

Sage Grouse

The Nevada Department of Wildlife is conducting a long-term study of the state's sage grouse populations and is collecting wing samples to help determine the status of the sage grouse population in Nevada. Sage grouse hunters are asked to remove one wing from each sage grouse taken. This diagram illustrates where the wing should be cut. Please keep the wing dry and away from flies. A paper lunch bag works well.

Deposit the wing at any of the Department's wing barrels, at check stations, or with Department employees who contact you in the field.

Falconry License

A person must possess a valid falconer's license when practicing falconry. A person who releases a raptor at game birds or game animals during the open season must also possess a valid hunting license.

Practice of Falconry (NAC 503.210)

1. When practicing falconry on game species, a falconry licensee shall comply with the provisions of title 45 of NRS and all regulations of the Commission. A species of wildlife which is classified as protected and further classified as threatened or endangered by the Commission, or as threatened or endangered by the United States Fish and Wildlife Service, that is taken incidentally by a raptor may not be retained or possessed by a falconry licensee and the falconry licensee shall report the taking to the United States Fish and Wildlife Service not later than 72 hours after the taking. A species of wildlife which is classified as a game species by the Department that is taken incidentally by a raptor during the closed season may not be retained or possessed by the falconry licensee, except that the falconry licensee may allow the raptor to feed on the game species. A falconry licensee shall not intentionally release a raptor after any wildlife which is in a refuge or in a state or national park or is on privately owned property where the falconry licensee does not have permission to hunt. A falconry licensee may fly a raptor at an animal raised in captivity and at any species of bird that is not listed as a protected species by the Migratory Bird Treaty Act, as amended, 16 U.S.C. §§ 703 et seq. (**Note:** A complete list of falconry regulations can be found at www.ndow.org under the "Laws & Regulations" section.)

Register Your OHV

Nevada's program to register and title off-highway vehicles (OHVs) went into effect July 1, 2012. Nearly all OHVs greater than 70cc, and 1976 or newer, must be registered and display a registration decal to be operated legally in the Silver State.

Your registration fees benefit the OHV community and Nevada as a whole in many ways:

- Improve trails and facilities
- Protect the land through education and enforcement
- Protect your vehicles against theft
- Keep Nevada dollars in Nevada
- Encourage tourism
- Registration is now the law in all western states

For more information visit your local OHV Dealer or nvohv.com

Furbearer/Trapping Laws & Regulations

A trapping license is required to trap any furbearer including **bobcat, fox, otter, mink, beaver and muskrat**. Trapping licenses/fees are listed on page 8. See page 16-17 for a complete list of areas closed to trapping.

NOTE: The following species can be hunted without a hunting license in Nevada, but a trapping license is required to trap them: **Coyote, black-tailed jackrabbit, badger, weasel, spotted skunk, striped skunk, raccoon and ring-tailed cat**. Any person of any age who sells raw furs of any kind, whether taken by trap or by firearm, is required to purchase a trapping license.

“Trapping,” “Trapped” and “To Trap” Defined

(NRS 501.090)

The words “to trap” and their derivatives, “trapping” and “trapped,” mean to set or operate any device, mechanism or contraption that is designed, built or made to close upon or hold fast any wildlife and every act of assistance to any person in so doing.

Trapping License Required; Unlawful to Remove or Disturb Trap of Licensee (NRS 503.454)

1. Every person who takes fur-bearing mammals by trap, snare or similar device or unprotected mammals by trapping or sells raw furs for profit shall procure a trapping license.
2. It is unlawful to remove or disturb the trap, snare or similar device of any holder of a trapping license while the trap, snare or similar device is being legally used by the holder on public land or on land where the holder has permission to trap.

Manner of Hunting Furbearing Mammals

(NRS 503.450) It is unlawful for any person at any time to hunt any furbearing mammal in any manner other than by trap, gun or bow and arrow.

Steel Leghold Traps: Definitions (NAC 503.153)

As used in NAC 503.155 and 503.157, inclusive, unless the context otherwise requires:

1. “Bait” means the flesh, fur, hide, viscera or feathers of any animal.
2. “Exposed bait” means bait, any portion of which is visible from any angle.
3. “Trap” means any device designed, built or made to close upon, contain, confine, or hold fast any wild mammal or wild bird.

Steel Leghold Traps: Spacers (NAC 503.155)

All steel leg hold traps of size number 2 or larger or with an outside jaw spread of 5 1/2 inches or larger used in the taking of any wildlife must have lugs, spacers or similar devices permanently attached so as to maintain a minimum trap opening of three-sixteenths (3/16”) of an inch.

Steel Leghold Traps: Use of Bait (NAC 503.157)

1. It is unlawful for a person to:
 - (a) Place, set or maintain a steel leghold trap within 30 feet of exposed bait;
 - (b) Capture a mammal or raptor with a steel leghold trap that is placed, set or maintained within 30 feet of exposed bait; or
 - (c) Use any part of a game mammal, game bird, game fish, game amphibian or protected species of wildlife for bait.
2. A person using bait is responsible if it becomes exposed for any reason.
3. As used in this section, raptor means any species of the order Falconiformes or Strigiformes that are protected by the Migratory Bird Treat Act of July 3, 1918, as amended, 16 U.S.C §§ 703 et seq.

Minimum Visitation of Traps (NAC 503.152)

A person who is required pursuant to NRS 503.570 to visit or cause to be visited a trap, snare or similar device shall ensure that the trap, snare or similar device is visited at least once each 96 hours:

1. By a person who is a holder of a trapping license issued by the Department; and
2. In a manner which ensures that any mammal caught in the trap, snare or similar device is removed from the trap, snare or similar device.

Hunting with a dog

It is unlawful to hunt, chase or pursue:

2. Any fur-bearing mammal with a dog except during the open season and under the authority of a trapping license.

Department May Obtain Data From Trappers

(NAC 503.160)

1. The Department may determine methods of obtaining necessary data from a person who purchases a trapping license from the Department or a license agent relative to the trapping activities and success of the person.
2. Each person who purchases a trapping license from the Department or a license agent shall complete and return any reporting form or questionnaire required by the Department. The person must return any such form or questionnaire regardless of whether the person trapped any fur-bearing mammals or unprotected species of wildlife during the term of the trapping license. Except as otherwise provided by an annual regulation of the Commission, the completed form or questionnaire must be received by the Department or an independent contractor designated by the Department not later than April 30 of each year. Failure to return the form or questionnaire within that period or the submission of any false information on the form or questionnaire is cause for the Commission to suspend the trapping license held by the person and deny the person the right to acquire any trapping license for a period of 1 year. A person whose trapping license is suspended or whose right to acquire a trapping license is denied pursuant to this section may have the privilege reinstated if he:
 - (a) Pays to the Department an administrative fine in the amount of \$50; and
 - (b) Completes and submits the required form or questionnaire to the Department.
3. As used in this section, “license agent” has the meaning ascribed to it in NAC 502.065.

Bobcats: Miscellaneous Requirements; Prohibited Acts; Fee for Seal (NAC 502.347) - Closed to Nonresidents

1. Any person who kills a bobcat shall, within 10 days after the close of the season, personally:

Continued on next page

Furbearer/Trapping Laws & Regulations

(a) Present its pelt for inspection by and give its lower jaw to a representative of the Department;

(b) Have the Department's seal affixed to the pelt; and

(c) Complete a report of the killing in accordance with the Department's instructions.

2. A person shall not sell, offer for sale, barter, trade, purchase, transfer ownership, tan, offer for out-of-state shipment by a common carrier or, except as otherwise provided in subsection 3, transport from this State any pelt of a bobcat unless the Department has affixed its seal to the pelt.

3. During the season designated by the Commission for the taking of bobcats, a person who holds a valid resident trapping license may transport from this State, for not more than 2 hours:

(a) The pelt of a bobcat that has not been stretched, dried or cured; or

(b) The entire unskinned carcass of a bobcat, lawfully taken by the person in this State, without the seal being affixed to the pelt pursuant to subsection 2, for the purpose of returning to the person's residence within this State by the most expedient route or checking any additional trap set by the person that is located in an area of this State that is most readily accessed from any state. The provisions of this subsection do not authorize a person to import, transport, export or possess an unsealed pelt in violation of a law or regulation of any state.

4. A person shall not possess a pelt of a bobcat 10 days or more after the close of the season unless the Department's seal is permanently attached to the pelt.

5. A resident of Nevada must pay the Department \$5 for such a seal.

6. It is unlawful for a person to present for sealing or to have sealed in this State the pelt of any bobcat taken in another state.

7. As used in this section, "pelt" means the hide or skin of a bobcat that is not permanently tanned or has not been processed to a finished form or product beyond initial fleshing, cleaning, temporary tanning, curing, stretching, salting or drying. The term includes, without limitation, any green pelt or raw pelt.

Trapping Within 200 Feet of Public Road/Highway

(NRS 503.580)

1. For the purposes of this section, "public road or highway" means:

(a) A highway designated as a United States highway.

(b) A highway designated as a state highway pursuant to the provisions of NRS 408.285.

(c) A main or general county road as defined by NRS 403.170.

2. It is unlawful for any person, company or corporation to place or set any steel trap, used for the purpose of trapping mammals, larger than a No. 1 Newhouse trap, within 200 feet of any public road or highway within this state.

3. This section does not prevent the placing or setting of any steel trap inside, along or near a fence which may be situated less than 200 feet from any public road or highway upon privately owned lands.

NOTE: Certain areas are closed to trapping. Please see page 16-17 for more information.

Trapping in a Congested Area (NAC 503.165)

1. Except as otherwise provided in subsection 2, a person shall not trap, other than with a box or cage trap, within one-half mile of a residence, if the residence is located within a congested area of a county whose population is 100,000 or more.

2. The provisions of this section do not apply to:

(a) An officer, employee or agent of any state agency, the Federal Government or a local government acting in his or her official capacity for the purpose of animal control or control of depredating wildlife;

(b) A person acting under written authority from a state agency, the Federal

Government or a local government for the purpose of animal control or control of depredating wildlife;

(c) A person trapping on private property; or

(d) A person trapping in a waterway that is not within an incorporated city.

3. As used in this section:

(a) "Box or cage trap" means a device that is designed to contain or confine an animal within a box or cage. The term does not include any device that is designed, built or made to close upon or hold fast any portion of an animal.

(b) "Congested area of a county" means:

(1) An area of a county in which the discharge of firearms is prohibited by a county ordinance; or

(2) The area within the boundaries of an incorporated city in a county.

(c) "Residence" means any house, room, apartment, tenement or other building designed or intended for occupancy as a residence.

(d) "Waterway" means any river, stream, canal or channel that contains water, including, without limitation, the banks and bed of any such river, stream, canal or channel.

NDOW Wildlife Management Areas

Special regulations are in effect at our state Wildlife Management Areas. Please review the following information and adjacent table before hunting on a state Wildlife Management Area.

Restrictions on Use of Firearms and Ammunition (NAC 504.135)

1. Except as otherwise provided in subsection 6, the discharging of a rifle or pistol is prohibited on the following wildlife management areas:

(b) Deer may be hunted only with longbow and arrow during the season set for the archery hunt for deer.

NDOW Wildlife Management Areas

Construction and Use of Hunting Blinds; Use of Decoys (NAC 504.160)

1. Except as otherwise provided in subsection 6, a person may construct a hunting blind on any wildlife management area if the Department has no obligation to protect a privately constructed blind or to arbitrate the use or priority of use of such a blind. A blind to be constructed must:
 - (a) Be temporary and portable;
 - (b) Except as otherwise provided in paragraph (c) be constructed of lumber, screen, fabric, synthetic material or native vegetation; and
 - (c) In the Kirch, Steptoe Valley and Mason Valley Wildlife Management Areas, be constructed of native vegetation, removable fabric, or a synthetic material that is of a temporary nature.
2. A group of persons may construct a blind only after the supervisor of the wildlife management area has approved the plans for the blind.
3. Sunken blinds, and barrels and boxes used as sunken blinds, must be covered when not in use to prevent the entrapment of animals.
4. The use of a sink box is prohibited.
5. A blind may not be locked or reserved for the use of a particular person or group of persons.
6. The Department may:
 - (a) Prohibit the construction of a hunting blind if it is detrimental to a wildlife management area or portion thereof.
 - (b) Designate a hunting blind on a wildlife management area as intended for the use of persons with physical handicaps pursuant to the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 to 12213, inclusive, and the regulations adopted pursuant thereto.
7. A person may use decoys on a wildlife management area so long as the decoys are not left set up in the field between the hours of 9 p.m. and 3 a.m.

Control of Vehicular Travel (NAC 504.115)

1. Vehicular travel within a wildlife management area may be controlled for operation of the area, for public use and to benefit the public and wildlife resources. Such control may include specifying parking areas, closing interior roads or trails to vehicular travel and prohibiting travel beyond designated points.
2. Except as otherwise provided in subsection 3, it is prohibited, within a wildlife management area, to operate a motor vehicle:
 - (a) Off an interior road or trail that is designated for vehicular travel; or
 - (b) On an interior road or trail that is marked as closed to vehicular travel.
3. The provisions of subsections 1 and 2 do not apply to authorized personnel in the performance of their official duties.

Restrictions on Camping; Building Prohibited; Restrictions on Operation of Certain Devices (NAC 504.145)

1. Except as otherwise provided in subsection 2, camping is prohibited in wildlife management areas.
2. Camping is permitted in the:
 - (a) Mason Valley Wildlife Management Area in those sites designated for camping.
 - (b) Wayne E. Kirch Wildlife Management Area within the

Dave Deacon Campground.

- (c) Humboldt Wildlife Management Area in those sites designated for camping.
 - (d) Fernley Wildlife Management Area.
 - (e) Overton Wildlife Management Area within the rest and trails area.
 - (f) Bruneau Wildlife Management Area, except that camping is not permitted in any building or other structure located within that wildlife management area.
3. Camping facilities, including, without limitation, house trailers, must not be stored, parked or maintained in a wildlife management area for more than 8 days, or left in a wildlife management area for occasional occupancy by a person or group of persons associated with the facility.
 4. The erection, fabrication or maintenance of a permanent dwelling or building in a wildlife management area is prohibited.
 5. A person camping in a site, campground or area within a wildlife management area designated for camping pursuant to subsection 2 shall not operate a television, radio or any other device, including, without limitation, a generator, between the hours of 10 p.m. and 5 a.m. if the device produces sound that is audible beyond the campsite in which it is operated.

Trapping: Restrictions; Permits (NAC 504.170)

1. Except as otherwise provided in subsection 2, a person shall not trap on a wildlife management area.
2. Persons having permits to do so may trap on the Overton, Key Pittman, Wayne E. Kirch, Railroad Valley, Humboldt, Fernley, Scripps, Mason Valley, Steptoe Valley, Franklin Lake and Alkali Lake Wildlife Management Areas.
3. Permits to trap on wildlife management areas will be issued through a drawing process and may contain designations of specific trapping areas, dates or other restrictions to ensure compatibility with other public activities.

Campfires and Bonfires Prohibited; Exceptions (NAC 504.140)

1. Except as otherwise provided in subsection 2, campfires and bonfires are prohibited in wildlife management areas.
2. Campfires are permitted in the:
 - (a) Wayne E. Kirch Wildlife Management Area within the Dave Deacon Campground.

NDOW Wildlife Management Areas

Public Hunting Limited on Wildlife Management Areas and Designated State Lands (CR 12-07)

SCRIPPS WILDLIFE MANAGEMENT AREA and WASHOE LAKE STATE PARK

1. During any waterfowl season open within the hunt zone, hunting is permitted seven days a week.

MASON VALLEY WILDLIFE MANAGEMENT AREA

1. During any waterfowl season open within the hunt zone, hunting is permitted only on Saturdays, Sundays, Wednesdays and the following legal State holidays: Nevada Day, Veterans Day, Thanksgiving, Family Day (day after Thanksgiving), Christmas, New Years Day, and Martin Luther King Day. Hunters with a valid turkey tag for the Mason Valley Wildlife Management Area may hunt each day of the established turkey season. Before or after the waterfowl season, hunting is allowed every day for wildlife species upon which there is an established open season.

2. **AREAS CLOSED TO ALL HUNTING ADJACENT TO THE FT. CHURCHILL WATERFOWL SANCTUARY:** Those portions of SE corner of Section 36, T.15N, R.25E; W ½ of Section 31, T.15N, R.26E, and N ½ of Section 1, T.14N, R.25E, M.D. & M. are closed to hunting as posted.

3. The following area within the Mason Valley Wildlife Management Area is designated as a CONTROLLED GOOSE HUNTING ZONE and will be closed to all persons five (5) days prior to the last Saturday in November through the end of the controlled goose hunting season, except for those persons having a valid Mason Valley controlled goose hunting reservation, described in #5 below. Prior to and after the described closure dates, all legal hunting is allowed within the CONTROLLED GOOSE HUNTING ZONE. The CONTROLLED GOOSE HUNTING ZONE includes those portions of the Mason Valley Wildlife Management Area within Sections 1, 2 and 12, T.14N, R.25E; Section 35, T.15N, R.25E; Sections 6 and 7, T.14N, R.26E, and Section 31, T.15N, R.26E, M.D.B. & M. as posted. The assigned blinds for the controlled goose hunt and Family Hunt are located in farm fields MV-8, 10 and 11, and B-11, 12, 13, 14 and 15. A lottery is held the morning of the hunt to determine blind assignments for those parties awarded a hunt reservation as described in #5 below. If blinds are still available after the first lottery for parties with reservations, a special lottery will be held for standby hunters present at 5:30 a.m.

4. Two Saturdays in mid-December will be set aside as Family Hunt Days, when all of the blinds in the CONTROLLED GOOSE HUNTING ZONE will be available for Family Hunt Day applicants as described in #5 below. The Wednesdays prior to the Family Hunt Days will be open for all other applicants as described in #5 below. If a standby lottery is invoked on Family Hunt Days, preference will be given to those parties containing at least one hunter 15 years of age or younger on that hunt day.

5. Hunt permit applications for the CONTROLLED GOOSE HUNTING ZONE within the Mason Valley Wildlife Management Area are available through the Headquarters Office in Reno, the Western Region Office in Fallon or on the NDOW website at ndow.org. Unless their privilege is limited or revoked pursuant to law, any resident or nonresident is eligible to apply once for a hunt reservation. A person whose name appears on more than one application will be rejected from the drawing. Hunt applications will be accepted for groups no larger than four individuals, and all members of a group must hunt from the same assigned location. Any application submitted for Family Hunt Days must include at least one licensed hunter who will be 15 years old or younger on

the day of the hunt. Applications for the Special Mason Valley Wildlife Management Area Goose Hunt shall be received at the Headquarters Office in Reno (through a postal service only) no later than the second Wednesday in October. A public drawing will be held at the Headquarters Office in Reno at 10:00 a.m. on the last Wednesday in October. Successful applicants will receive a reservation confirmation by return mail.

FT. CHURCHILL COOPERATIVE WILDLIFE MANAGEMENT AREA

1. From October 1, through the Friday preceding the second Saturday of February, the area shall be closed to trespass.

OVERTON WILDLIFE MANAGEMENT AREA

1. Waterfowl hunting is permitted on the Moapa Valley portion of the area on:

- the opening day of the earliest opening waterfowl season,
- even days thereafter through the end of regular duck and goose seasons,
- the closing two days of any duck and goose season, and
- during any youth waterfowl hunt.

2. Before or after the regular duck and goose seasons, hunting is allowed every day for wildlife species upon which there is an established open season.

3. Upland game bird and rabbit hunting is prohibited during the regular duck and goose seasons, except for persons possessing a valid wild turkey tag to hunt turkeys in the Moapa Valley of Clark County. These persons may hunt turkeys every day for which the tag is valid. These persons are prohibited from pursuing any other upland game birds or rabbits during such time that the fall turkey season is concurrent with the waterfowl season.

4. During the waterfowl season on the Moapa Valley portion of the area, hunters must hunt from assigned hunt locations (blinds) constructed by the Department of Wildlife. A maximum of up to four hunters are permitted at each hunt location. Assigned hunt locations are marked by numbered stakes. Hunters shall hunt only within their assigned hunt location and moving to vacant locations is prohibited. The only exception involves reasonable accommodation of the disabled.

5. During the opening day and the first weekend of the dove season, the maximum capacity for the Moapa Valley portion of the area is 60 hunters by reservation. Vacancies will be filled by stand-by hunters on a first-come, first-served basis.

6. On Overton Hunt days, only persons authorized to hunt waterfowl may use vessels on the portion of the area inundated by Lake Mead.

KEY PITTMAN WILDLIFE MANAGEMENT AREA

1. Waterfowl hunting is permitted on:

- the opening weekend of the earliest opening waterfowl season within the hunt zone,
- odd-numbered days thereafter through the end of regular duck and goose seasons,
- the closing two days of any duck or goose season, and
- during any youth waterfowl hunt.

2. The maximum hunter capacity during the opening day of duck season and the opening day of goose season will be 55 at any time.

Continued on next page

NDOW Wildlife Management Areas

3. All hunters will check-in and out at the main entrance and will park in designated parking areas only. No vehicles are allowed on the area during the hunting season.
4. The area is closed to fishing during the waterfowl season.
5. No motorized boats are allowed on the area during the waterfowl season.

OVERTON-KEY PITTMAN HUNTER RESERVATION SYSTEM

1. To guarantee an opportunity to hunt, reservations must be made for the following specified days of each hunt listed:

The Key Pittman Wildlife Management Area

- a) The earliest opening day of the general duck and goose seasons.

The Moapa Valley portion of the Overton Wildlife Management Area

- a) Opening day and the first weekend of the dove season.
- b) The entirety of any open waterfowl season.

Special Regulation for the Moapa Valley Portion of the Overton Wildlife Management Area: A person or his representative applying for reservations for group hunting will be limited to up to four hunters per party.

2. Dove Reservation Process: Hunters wishing to make reservations for opening day and the first weekend of the dove season at the Overton Wildlife Management Area will do so via a paper application available at the Las Vegas and Henderson offices of NDOW or on the NDOW web site at www.ndow.org. Unless their privilege is limited or revoked pursuant to law, any resident or nonresident is eligible to have their name included on one application for each hunt day for which reservations are required. A person whose name appears on more than one application for each hunt day for which reservations are required will be rejected from the drawing. Hunters will be permitted to draw only one reservation during this mail-in application process unless there are less than 60 applicants on a day for which reservations are required. Applications for the dove hunt at the Overton Wildlife Management Area shall be received at the Headquarters Office in Reno (through a postal service only) no later than the second Wednesday in July. A public drawing will be held at the Headquarters Office in Reno at 10:00 a.m. on the last Wednesday in July. Successful applicants will receive a reservation confirmation by return mail. Successful reservation holders will be allowed to substitute one person of a hunt party but that substitute must not have been included in an application of the mail-in process or part of a stand-by group.

3. Waterfowl Opening Day/Weekend Reservation Process: Hunters wishing to make reservations for the first two hunt days of the earliest opening duck and goose seasons at the Overton Wildlife Management Area and the opening day of the duck and goose seasons at the Key Pittman Wildlife Management Area will do so via a paper application available at the Las Vegas and Henderson offices of NDOW or on the NDOW web site at www.ndow.org. Unless their privilege is limited or revoked pursuant to law, any resident or nonresident is eligible to have their name included on one application for each hunt day for which reservations are required. A person whose name appears on more than one application for each hunt day for which reservations are required will be rejected from the drawing. For

the Overton WMA, hunters will be permitted to draw only one reservation through the mail-in application process unless there are available blinds on a day for which mail-in reservations are required. Applications for these waterfowl hunt days shall be received at the Headquarters Office in Reno (through a postal service only) no later than the second Wednesday in September. A public drawing will be held at the Las Vegas regional office at 10:00 a.m. on the last Wednesday in September. Successful applicants will receive a reservation confirmation by return mail. Successful reservation holders will be allowed to substitute one person of a hunt party but that substitute must not have been included in an application of the mail-in process or part of a stand-by group.

4. Waterfowl Remainder of Season Reservation Process: Reservations for the remainder of the waterfowl hunting season at the Overton Wildlife Management Area will be available the Monday prior to the opening of the waterfowl season and must be made in person (or by a representative) at the Las Vegas or Henderson offices or at the Overton Wildlife Management Area. Hunters that are successful during the mail-in application process for the first two hunt days must use those reservations before making reservations for the remainder of the season. An individual may reserve no more than one assigned hunt location on the Moapa Valley portion of the area for no more than four individuals to hunt as a party and this reservation must be utilized prior to reserving another hunt day. The reservations must be in the hunter's possession and be shown to the check station attendant to constitute a valid reservation for the day specified. At the Key Pittman Wildlife Management Area, reservations for hunting will be required only on the earliest opening day of the regular duck season and goose seasons. All hunters will check in at the main entrance on the opening day of waterfowl season. For the remainder of the waterfowl season, hunters will complete a reservation card obtained from the Frenchy Lake or Nesbitt Lake check station box and deposit the card in an appropriate drop box for each day hunted. Failure to turn in a completed card at the Key Pittman Wildlife Management Area or failure to check out at the Overton Wildlife Management Area may result in a citation being issued, and the loss of hunting privileges for the remainder of the season. No vehicles are allowed on the areas during the hunting season.

5. During the waterfowl season at the Overton Wildlife Management Area, an assigned hunt location program will be in effect. Hunters will make a reservation for one of three types of hunt locations (field, pond or bulrush plot) and the specific hunt location will be determined by a drawing at the check station prior to each day's hunt. NDOW reserves the right to adjust blind availability and blind assignments based on the conditions present on the day of the hunt.

6. A hunter with a reservation will be considered as a "no-show" if he does not present himself at the check station by one full hour before shooting time, except that at the Overton Wildlife Management Area, a hunter with a reservation will be considered a "no-show" if he does not present himself at the checking station one and one-half hours before shooting time during the waterfowl season.

7. Standby hunters must register at the check station upon arrival.

8. All reservations, permits and assigned hunting locations are nontransferable.

National Wildlife Refuge Regulations

Caution: More restrictive regulations may apply on National Wildlife Refuges. The following is only a summary of the general hunting available on national wildlife refuges in Nevada. A complete list of the federal regulations can be found in the Code of Federal Regulations 50CFR SUBCHAPTER C. In addition, all National Wildlife Refuges have general provisions regarding travel, firearms, alcohol consumption, fireworks and hunting. Check with the refuge manager before hunting on a National Wildlife Refuge. For additional information on specific refuge regulations, contact the refuge managers or refuge law enforcement staff listed below:

3. The refuge is open to sage grouse, California quail and chukar hunting in accordance with NDOW regulations.
4. Big game hunting is allowed in accordance with NDOW regulations.
5. No permanent blinds are allowed on the Sheldon.

BLM Information

The Bureau of Land Management (BLM) in Nevada encourages hunters to call in advance of hunting season to find out if land management practices will be conducted during the hunting season. While BLM field offices are aware of hunting seasons, some management activities, such as prescribed burns, wild horse gathers, road closures or fire restrictions may temporarily disrupt hunting activities.

Call Before You Hunt

If possible, call the appropriate BLM office before you send in your hunt area requests. That way you may avoid an area that may have some access restrictions or other changes because of management activities. It's a good idea to call BLM just before the hunt to find out if any unplanned restrictions from fire or emergency wild horse gathers are in effect.

Responsible Hunting in Wilderness and Wilderness Study Areas (WSAs)

Some units contain BLM lands designated as wilderness or wilderness study areas. Motor vehicle use—trucks, ATVs and motorcycles—is not allowed unless signs are placed to indicate a designated route. The motorized vehicle rule extends to mechanized vehicles such as game carriers, which are also not allowed in these areas. Hand-held GPS units are allowed.

Responsible Off-Highway Vehicle Use

There has been a big increase in the use of OHVs by hunters. While most areas of the public lands are designated as open to OHV use, cross-country travel on OHVs is causing unnecessary damage to habitat that wildlife depend on. OHV riders are asked to stay on existing roads and trails. If it is necessary to drive off roads to retrieve and pack out harvested game, hunters are asked to use care and avoid creating new routes.

Transportation Permit Vendors

The following authorized NDOW license agents listed below have been issued a supply of transportation permits. Please call the one closest to your hunting area to verify that they still have a supply on hand before you go in. Transportation permits are also available at all NDOW offices statewide (see page 5). Transportation permit regulations can be found on pages 11-12.

Information Resources

ELK INCENTIVE TAGS: Special elk incentive tags are awarded to landowner applicants as an incentive to support an increase in the elk populations in Nevada. Any owner, lessee or manager of private land who wishes to participate in the program may enter into an agreement with the Department that specifies how the landowner will support increases in the local elk herds, and provides that the landowner will agree to provide reasonable public access to adjacent public lands.

Landowners or hunters who are interested in the elk incentive tag program may contact the Nevada Department of Wildlife Headquarters at (775) 688-1507 for more information.

LANDOWNER DAMAGE COMPENSATION TAGS: An owner, lessee or manager of private land in this state may apply to the Department for the issuance of deer or antelope tags for compensation for damage caused by these animals. These tags can be used by the owner, lessee or manager if he holds a valid Nevada hunting

license or the tag(s) can be sold to any holder of a valid Nevada Hunting license at any price mutually agreed upon. Any landowner, lessee or manager of private land or any hunter wanting more information on this program should call (775) 688-1507.

MAP RESOURCES: The Nevada Department of Wildlife website has several mapping resources available to sportsmen, including a list of map vendors known to sell USGS topographic maps, an interactive map service and hunt unit boundary descriptions. Go to www.ndow.org to learn more.

WEED-FREE HAY: The National Forest System requires weed-free hay on all National Forest Systems lands within the state of Nevada. A list of weed-free hay producers and vendors is available on the Nevada Department of Agriculture's website at: <http://agri.nv.gov/>. Click on the "noxious weeds" section under the "plant" heading.

Sunrise/Sunset Tables

How To Use These Tables

Many Nevada hunting regulations restrict the activities to specific times. The laws and regulations may specify sunrise to sunset, one half hour before sunrise to sunset, one hour before sunrise to two hours before sunset, etc.

Consult the specific regulation pamphlet for the activity you are interested in. These are available at all NDOW offices and most license agents. Then use the sunrise/sunset table for the location nearest where you are going to carry on the activity to determine the legally authorized time to start and/or stop your activity. These tables are accurate in the vicinity specified with less than a two (2) minute error. **These tables are Pacific Standard Time, so do not forget to add one hour for daylight savings time from March 9 - November 2.**

Please Note: A more complete listing of sunrise/sunset tables is available at www.ndow.org.

LEGAL HUNTING HOURS BY SPECIES	
Big Game	1/2 hour before sunrise to sunset
Mountain Lion	Anytime of day or night
Migratory Birds	1/2 hour before sunrise to sunset
Small Game and Upland Game	Sunrise to sunset, EXCEPT for quail in Pah-rump Valley of Nye County (8 a.m. to sunset)
Turkey - Spring	1/2 hour before sunrise to 4 p.m.
