AUTHORITY: §§1-4, NRS 501.105, 501.181, 502.103, 502.160 and 502.250; §5, NRS 501.105, 501.181, 502.160, 502.219 and 502.250.

A REGULATION relating to wildlife; setting forth certain provisions relating to the transfer, return or deferral of the use of a tag under certain extenuating circumstances; revising certain provisions relating to the refund of a tag; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Board of Wildlife Commissioners to establish a program whereby a hunter who has obtained a tag to hunt certain wildlife may transfer, return or defer the use of his or her tag in the event of an extenuating circumstance. (NRS 502.103) **Section 1** of this regulation sets forth: (1) what constitutes an “extenuating circumstance”; and (2) the process for the transfer, return or deferral of the use of a tag for such an extenuating circumstance.

Existing law authorizes the Commission to adopt regulations authorizing the return of certain fees collected from a person for a tag. (NRS 502.250) Existing regulations provide that a person may return a tag under certain circumstances. The tag must be received by the Department of Wildlife at least 1 business day before the opening day of the season for which the tag was issued. (NAC 502.422) **Section 1** provides that a person may return or defer the use of a tag if he or she incurs certain extenuating circumstances after the date by which he or she may receive a refund, but before the hunting hours begin on the opening day of the season for which the tag was issued. **Section 4** of this regulation provides that if the holder of a tag transfers his or her tag to another person due to an extenuating circumstance, the holder of the tag and the new recipient of the tag lose all of their bonus points for that species or category of species. **Sections 2 and 3** of this regulation make conforming changes.

Existing regulations authorize the holder of a tag to return the tag for a refund under certain circumstances, including if the holder or a certain relative of the holder incurs a disability which prevents him or her from hunting during the season for which the tag was issued. (NAC 502.422) **Section 5** of this regulation authorizes the holder of a tag to also return a tag for a refund if the holder or a certain relative of the holder incurs an illness which prevents him or her from hunting during the season for which the tag was issued.

Section 1. Chapter 502 of NAC is hereby amended by adding thereto a new section to read as follows:

1. A holder of a tag may claim an extenuating circumstance and request to transfer the tag, return the tag for the restoration of bonus points or defer the use of the tag pursuant to NRS 502.103 only in accordance with the requirements of this section.

2. If the holder of a tag is diagnosed as terminally ill before hunting hours begin on the opening day of the season for which the tag was issued, the holder of the tag may claim an extenuating circumstance and request to transfer the tag to another person who is otherwise eligible to hunt a big game mammal in this State.

3. Except as otherwise provided in subsection 7, the Department shall allow the holder of a tag to return the tag to the Department for the restoration of any bonus points that he or she used to obtain the tag or defer the use of the tag to the next applicable hunting season if any of the following extenuating circumstances occur after the last day that the holder is entitled to return the tag pursuant to NAC 502.422, but before the hunting hours begin on the opening day of the season for which the tag was issued:

(a) The death of a family member of the holder of the tag, as verified by a certificate of death;

(b) The holder of the tag or a family member of the holder incurs a severe and unanticipated injury or illness which prevents the holder from hunting during the season for which the tag was issued, as verified in writing by a physician; or

(c) The holder of the tag is serving in the Armed Forces of the United States and is transferred to a location which makes it impracticable for the holder to hunt in the area for

which the tag was issued, as verified by a copy of his or her orders or other proof satisfactory to the Department.

4. If the holder of the tag claims an extenuating circumstance as described in subsections 2 and 3, he or she must:

(a) Return the tag to the Department not later than 14 business days after the opening day of the season for which the tag was issued;

(b) Attest that he or she did not hunt on the tag; and

(c) Submit evidence to the Department of the extenuating circumstance. In the case of the death of a family member, if the holder of the tag has not received a death certificate for the deceased person within the 14 business days required to return the tag to the Department pursuant to paragraph (a), the death certificate may be submitted to the Department at such time as the holder of the tag receives a copy of the death certificate.

5. If a tag is transferred to another person pursuant to this section, both the original holder of the tag and the new recipient of the tag will be treated as if he or she drew the tag with respect to any applicable waiting periods and bonus points.

6. The Department shall process the transfer, return or deferral within 5 business days after receiving the tag.

7. The provisions of this section do not apply to the holder of a tag who is serving in the Armed Forces of the United States if he or she defers the use of a tag pursuant to NAC 502.336.

8. The Department shall update the Commission on all tags that are transferred, returned or deferred pursuant to this section.

If an applicant is successful in drawing a tag for a season for a species or category of a species or fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open, the applicant loses all of his or her bonus points for that species or category of a species.
