

What is a spike elk?

- The intent of existing language for “Spike Elk” in NAC 502.104 was to provide flexibility when hunters encounter antler anomalies originating at the base of the antler in young male elk.
- Nevada harvest data suggests hunters infrequently encounter spike bulls meeting these criteria.

2019-2021 Review of Spike Harvest

True Spike (1 pt.): 88% of Spike Harvest

2 pts. or less: 97% of Spike Harvest

2019-2021 Review of Spike Harvest

3 pts. or less: 98% of Spike Harvest

4 pts. or less: 99% of Spike Harvest
