NEVADA DEPARTMENT OF WILDLIFE
NEVADA BOARD OF WILDLIFE COMMISSION**

**NOTICE OF WORKSHOP TO SOLICIT COMMENTS ON PROPOSED
REGULATIONS**

The Nevada Department of Wildlife is proposing the adoption of regulations pertaining to Chapter 502 of the Nevada Administrative Code. A workshop will be held during the NDOW Commission Meeting at the Clark County Government Center, Commission Chambers, 500 S. Grand Central Parkway, Las Vegas, NV 89155, on September 24th, 2022 at 9:00 am. The purpose of the workshop is to solicit written and/or oral comments from interested persons on the following general topics that may be addressed in the proposed regulations:

Commission General Regulation 502, NAC 502 Junior Hunt and Turkey Program, LCB File No. R051-21

The Commission will hold a workshop to consider amending Nevada Administrative Code (NAC) 502 that would limit the number of successfully awarded tags in the junior hunt program, remove hard close dates for submitting a turkey harvest return card and allow for junior turkey bonus points to roll over into the adult category once a junior is no longer able to participate in the junior hunt turkey program.

Commission General Regulation 508, NAC 502 Antler Point and Spike Elk Defined, LCB File No. R090-22

The Commission will consider adopting changes that would clarify the definitions of “antler points” and “spike elk” for certain big game mammals and reduce the likelihood of inadvertent infractions.

The regulation language is subject to change following the discussions and deliberations of the Commission.

Public comment will be taken on each action item following Commission discussion and before any action is taken. The content of written comments should be consistent with the three (3) minute public comment period allowed during normally conducted meetings. If a comment is excessively lengthy, the Commission reserves the right to review only that portion that is consistent with this policy. Persons are invited to submit written comments to wildlifecommission@ndow.org or may address their comments, data, views, or arguments, in written form, to the Nevada Department of Wildlife, 6980 Sierra Center Parkway, Suite 120, Reno, Nevada 89511 attention Director’s Office. Written submissions must be received by the Nevada Department of Wildlife 5 weekdays before the meeting .

**REVISED PROPOSED REGULATION OF THE
BOARD OF WILDLIFE COMMISSIONERS**

LCB File No. R051-21

August 4, 2022

EXPLANATION – Matter in *italics* is new; matter in brackets ~~(omitted material)~~ is material to be omitted.

AUTHORITY: § 1, NRS 501.105 and 501.181; §§ 2 and 4-6, NRS 501.105, 501.181 and 502.160; §3, NRS 501.105, 501.119, 501.181 and 502.160.

A REGULATION relating to wildlife; revising provisions relating to eligibility to apply for a junior hunt; revising provisions relating to the submission of a questionnaire issued as part of a tag to hunt wild turkey; revising provisions relating to the awarding of bonus points for certain applicants for a tag to hunt wild turkey; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Wildlife Commissioners to adopt regulations necessary to preserve, protect, manage and restore wildlife and its habitat and to carry out the provisions governing wildlife, including, without limitation, the manner and means of taking wildlife. (NRS 501.105, 501.181) Existing regulations prescribe requirements governing the eligibility of a person to apply to engage in a junior hunt. (NAC 502.063, 502.333) **Section 2** of this regulation revises provisions relating to the length of time during which an applicant may apply for a junior hunt by providing that a person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt for not more than 5 years or the length of time required for the person to successfully obtain three tags for a junior hunt, whichever is sooner. **Section 6** of this regulation makes a conforming change relating to the transfer of unused bonus points for persons who become ineligible to apply for a junior hunt.

Existing law authorizes the Department of Wildlife to obtain necessary data from hunters, trappers and anglers relative to their activities and success through the use of reports or questionnaires. If a report or questionnaire is not returned within the period specified by regulation of the Commission, existing law authorizes the Commission to deny the person the right to acquire certain licenses for a period of 1 year and levy an administrative fine against the person. (NRS 501.119) **Section 3** of this regulation revises requirements relating to a questionnaire issued as part of a tag to hunt wild turkey by requiring that such a questionnaire be received by the Department not later than the deadline established in an annual regulation of the Commission. **Section 4** of this regulation revises provisions relating to the awarding of bonus points to certain applicants for a tag to hunt wild turkey by replacing a requirement that such applicants must be awarded bonus points for the hunt number of the species for which an applicant applied with a requirement that the applicant be awarded a bonus point for the category

of the species for which he or she applied. **Sections 1 and 5** of this regulation make conforming changes relating to the manner in which bonus points may be awarded by the Department for a tag to hunt wild turkey.

Section 1. NAC 502.105 is hereby amended to read as follows:

502.105 “Type of hunt” means a hunt authorized by a regulation of the Commission, for which tags are awarded pursuant to application, that differs from another hunt in one or more of the following ways:

1. The species to be hunted for any species other than a species that is included in a category of a species pursuant to subsection 2;
2. The category of the species, subspecies and gender to be hunted as described in ~~subsection 1 of~~ NAC 502.4188;

↪ Regardless of the number of applications to obtain a tag or bonus point for a season submitted by a person, the Department shall not award the person more than one bonus point per season per hunting license for each species or category of a species for which the person applied.

2. Except as otherwise provided in subsection 4, the bonus points awarded to a person for a species or category of species accumulate until the person loses his or her bonus points pursuant to this subsection. A person loses all of his or her bonus points for a species or category of a species:

(a) If the person is successful in drawing a tag for a season for that species or category of a species; or

(b) If the person does not apply for a tag or a bonus point for a season for 2 consecutive calendar years during which that type of hunt for a season is open.

3. Upon written request, the Department shall reinstate each bonus point a person lost pursuant to paragraph (b) of subsection 2 if:

(a) During the entirety of the respective 2 consecutive calendar years, the person was mobilized, deployed, training or stationed outside of the United States as an active member of the Armed Forces of the United States, as verified by a copy of his or her orders or other proof satisfactory to the Department; and

(b) The request is submitted to the Department not later than 1 year after the date the person returns to the United States.

4. Except as otherwise provided in NAC 502.4189, a person may not use any bonus points awarded to the person for being unsuccessful in a junior hunt to apply for a drawing for a tag for any other type of hunt after the person is no longer eligible to participate in a junior hunt.

5. If an applicant requests and receives a refund for the value of his or her hunting license, the Department shall not award the applicant a bonus point for any species or category of species applied for during the period that the applicant possessed the hunting license.

6. The Department shall not award bonus points for depredation hunts or management hunts.

7. As used in this section, “management hunt” means a hunt established to seek the harvest of additional wildlife within a population.

Sec. 5. NAC 502.4188 is hereby amended to read as follows:

502.4188 ~~1. Except as otherwise provided in subsection 2, any~~ **Any** bonus points awarded by the Department pursuant to the bonus point program must be awarded in one of the following categories of species, subspecies and gender:

Sec. 6. NAC 502.4189 is hereby amended to read as follows:

502.4189 1. Each applicant in a drawing for a tag for a season receives a number of additional draw numbers that is equal to the number of bonus points that he or she has accumulated squared, as expressed in the following equation:

$$n=b^2$$

where “n” is the number of additional draw numbers and “b” is the number of bonus points. The number of additional draw numbers determines the number of draw numbers for the species or category of the species for which the application was submitted. The applicant’s lowest randomly assigned draw number is the number used for the drawing.

2. Except as otherwise provided in subsection 5, bonus points accumulated by a person for a species or category of species cannot be transferred to any other person or any other species or category of species.

3. Any bonus points accumulated by an applicant automatically transfer with the applicant if the applicant changes his or her state of residence. Bonus points transferred pursuant to this subsection apply to the same species or category of species to which they applied before the transfer.

4. The number of bonus points applicable to applications submitted by a group pursuant to NAC 502.4185 for tags is the quotient of the total number of points held by the members of the group divided by the number of members in the group, rounded to the nearest whole number.

5. If a person ~~has applied for a junior hunt for deer for 5 years or~~ becomes ineligible to *apply for a junior hunt for deer pursuant to NAC 502.333 or becomes ineligible to* participate in a junior hunt for deer because of his or her age, each unused bonus point accumulated by that person for a junior hunt for deer automatically transfers to the category for antlered mule deer. The provisions of this subsection do not apply to a bonus point accumulated by the person for a junior hunt for deer in a year in which the person also accumulated a bonus point in the category for antlered mule deer.

6. *If a person becomes ineligible to apply for a junior hunt for wild turkey pursuant to NAC 502.333 or becomes ineligible to participate in a junior hunt for wild turkey because of*

his or her age, each unused bonus point accumulated by that person for a junior hunt for wild turkey automatically transfers to the category for wild turkey.
