

Species: Antelope

Unit Group: 203 291

Hunt Geometry ID: 89

Hunt ID: [642, 8375984, 727]

Access:

There are several main roads that lead into the Pinenut Range and Buckskin Mountains including: (on the west side) Pine Nut Creek, Buckeye Creek and the Sunrise Pass Road. Some of the roads are extremely rough so four-wheel drive vehicles are required.

Recommended Hunting Areas:

Smith Valley, Artesia Lake Management Area, Singatse Mountains, Buckskin Mountains, Sunrise Pass Area, Adrian Valley, Mill Canyon and the northeastern side of the Pinenut Mountains.
