**PROPOSED REGULATION OF THE  
BOARD OF WILDLIFE COMMISSIONERS**

**LCB File No. R042-21**

October 28, 2021

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: § 1, NRS 501.105, 501.181, 502.160 and 502.175; § 2, NRS 501.105, 501.181, 502.030 and 502.160; §§ 4 and 5, NRS 501.105, 501.181 and 502.160.

A REGULATION relating to wildlife; establishing the circumstances under which a tag is awarded or successfully drawn; revising provisions regarding the application process for certain tags; revising provisions regarding the bonus point program; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, tags are required to hunt certain species of wildlife and the Board of Wildlife Commissioners may adopt regulations governing the manner of applying for and receiving such tags. (NRS 502.130, 502.160) Existing regulations set forth certain requirements governing the process of applying for, drawing and awarding tags. (NAC 502.310-502.42905) **Section 1** of this regulation provides that, for the purposes of these provisions, a tag is awarded or successfully drawn at the time of the: (1) drawing of the applicant's name; (2) purchase of the tag; or (3) offer, grant or assignment of the tag.

Existing regulations set forth the process for applying electronically for a tag, permit or bonus point. (NAC 502.4175) **Section 2** of this regulation authorizes the Commission to establish an application period for a person to submit an application solely to earn a bonus point, which must follow the posting of the results of all drawings of big game tags for that season. Existing regulations provide that if an application solely to earn a bonus point is submitted with a hunter choice number, the Department of Wildlife is required to ignore the hunter choice number. (NAC 502.4175) **Section 2** removes this provision.

Existing regulations provide that: (1) an application for a tag, permit or bonus point may be withdrawn by written request if the written request is received by the Department on or before the Friday immediately preceding the draw; and (2) a person who withdraws an application or fails to submit an application may submit an application solely to earn a bonus point within 7 days after the deadline for the draw. (NAC 502.4183, 502.41895) **Section 4** of this regulation instead provides that an application may be withdrawn by written request if the written request is received on or before the deadline for the receipt of applications for the draw. **Section 5** of this regulation provides that an applicant may submit an application for a bonus point: (1) during the application period established by the Commission for the submission of applications solely to earn a bonus point, if one has been established; or (2) by the deadline to submit an application for the draw, if an application period has not been established by the Commission. **Section 3** of this regulation makes conforming changes to remove the exception for an application to be received after the deadline for the draw.

**Section 1.** Chapter 502 of NAC is hereby amended by adding thereto a new section to read as follows:

*For the purposes of NAC 502.310 to 502.42905, inclusive, a tag is awarded or successfully drawn at the time of:*

- 1. The drawing of the applicant's name;*
- 2. The purchase of the tag; or*
- 3. The offer, grant, assignment or any similar action, as determined by the Department, of the tag.*

**Sec. 2.** NAC 502.4175 is hereby amended to read as follows:

~~{9}~~ 8. An application to obtain a tag that is issued by random selection may be submitted by a person who is under 12 years of age if he or she will attain the age of 12 years before the commencement of each season to which the application relates. An application to obtain a tag that is issued on a first-come, first-served basis may not be submitted by a person who has not yet attained the age of 12 years.

***9. The Commission may establish an application period for a person to submit an application solely to earn a bonus point, which must follow the posting of the results of all drawings of big game tags for that season. An application for a bonus point submitted during this application period must comply with the requirements of subsection 6 and is subject to all other applicable laws and regulations governing bonus points.***
