

IMPROVED PRACTICE

CUSTOMER PERSONAL INFORMATION

- Ask one time when customer accesses their account.
- Update anytime in account settings.

~~“Remove from public and sellable lists?”~~

“Your name and contact information may be requested by third-parties, such as guides, taxidermists, market researchers, and other entities. How would you like the Department to respond to such requests?”

“Please keep my information private.”

“Please allow my information to be shared.”

IMPROVED PRACTICE

CUSTOMER PERSONAL INFORMATION

- The following information will be listed as “Customer information removed upon request” on lists distributed by the Department:
 - Name
 - Mailing and physical street address
 - Phone number
 - Email address
- Customer city, state, or zip code may be included to represent anonymous customers, depending on data requested.
- Social security numbers, or other identifiers, are never included on lists distributed by the Department.

IMPROVED PRACTICE

DRAW RESULTS

- Ask one time per year when customer first applies for draw tags.

“The Department publicly posts the results of each big game draw on www.ndowlicensing.com every year. How would you like the Department to manage your draw results this year?”

“Please keep my draw results private.”

“Please include my draw results on the list.”

IMPROVED PRACTICE

DRAW RESULTS

- Draw results list will be posted on ndowlicensing.com immediately after results have been updated on customer accounts and results emails have been sent.
- Draw results will be posted in PDF and CSV formats.
- Results will be grouped by hunt name and display customer name, draw result (successful/unsuccessful), and successful choice (season, unit group, weapon class).
- Customer name will be replaced by an anonymous customer ID number if they requested their results remain private.
