MEMORANDUM

December 23, 2019

To: Nevada Board of Wildlife Commissioners, County Advisory Boards to Manage Wildlife, and Interested Publics

From: Brian Wakeling, Administrator, Game Division 

Title: **Commission Regulation 19 - 12, Amendment #1, 2019–2020 and 2020–2021 Restricted Non-resident Guided Mule Deer Seasons and Quotas – For Possible Action**

Description: The Commission will consider amending 2020–2021 hunting seasons and quotas for restricted nonresident guided mule deer including hunt boundary restrictions.

Presenter: Wildlife Staff Specialist Cody Mckee

Summary:

Quotas for restricted nonresident guided mule deer seasons are prescribed by Nevada Revised Statute 502.147. This statute dictates that the quota for the restricted nonresident guided is subtracted from the total nonresident rifle (i.e., any legal weapon) quota, the total restricted nonresident guided quota must not exceed 16% of the total nonresident quota from the prior year or 400, and the number of restricted nonresident deer tags issued for any management area or unit must not exceed 37.5 percent, rounded to the nearest whole number, of the rifle deer tags issued to nonresidents during the previous year for that management area or unit. In addition, restricted nonresident guided seasons are aligned with standard seasons to ensure season coordination.

The Department is presenting the seasons and quotas to the Commission and requesting approval of this regulation. The Department and Commission have little latitude in relation to these seasons as dictated by statute after approval of standard seasons and quotas. Quotas for 2020 are based on the quotas established by the Commission in May 2019 for fall 2019 seasons.

Recommendation:

The Department recommends that the Commission **VOTE TO ADOPT COMMISSION REGULATION 19-12, AMENDMENT #1, 2020-2021 RESTRICTED NON-RESIDENT GUIDED MULE DEER SEASONS AND QUOTAS AS PRESENTED.**
