MEMORANDUM

December 31, 2019

To: Nevada Board of Wildlife Commissioners, County Advisory Boards to Manage Wildlife, and Interested Publics

From: Kimberly Munoz, Data and Technology Services Division Administrator

Title: **Commission Regulation 20-04, 2021 Heritage Tag Seasons and Quotas**

Description: The Commission will review, revise and adopt recommendations for the establishment of the 2020 Heritage Tag seasons and quotas.

Agenda No:

#18G

Summary:

This regulation is to establish the 2021 seasons and quotas for Heritage auction tags. The Department must mail, email and post Heritage tag vendor proposal packets by March 1, 2021. The Heritage Committee will review vendor proposal packets during their May meeting and provide recommendations to the County Advisory Boards and the Commission for review and adoption at the June meeting.

Combined Heritage and Silver State tag quotas may not exceed 15 big game tags and 5 wild turkey tags per Nevada Revised Statute 502.250.

Brief Explanation of the Proposed Regulation

The Department recommends no changes to the previous year's Heritage tag species or quotas, allowing two (2) mule deer tags, two (2) pronghorn antelope tags, two (2) elk tags, two (2) Nelson (desert) bighorn sheep tags, one (1) California bighorn sheep tag, and five (5) wild turkey tags. The Department recommends no changes to the previous year's Heritage tag seasons.

The Department continues to recommend the closure of the hunt units where the Nelson (Desert) Bighorn Sheep Heritage Tag No. 1 and Heritage Tag No. 2 were filled in the prior year if the tag quota for those hunt units for that year was less than ten (10). The Department also continues to recommend the closure of the hunt unit where the California Bighorn Sheep Heritage Tag No. 1 was filled in the prior year if the tag quota for that hunt unit for that year was less than seven (7).

Recommendation:

The Department recommends that the Commission review and adopt the proposed regulation as presented.
