MEMORANDUM**December 29, 2021**

To: Nevada Board of Wildlife Commissioners, County Advisory Boards to Manage Wildlife, and Interested Publics

From: Mike Scott, Administrator, Game Division

Title: **Commission Regulation 22-07, 2022-2023 Restricted Non-resident Guided Mule Deer Seasons and Quotas – For Possible Action**

Description: The Commission will consider adopting the 2022 hunting season and quota recommendations for restricted non-resident guided mule deer including hunt boundary restrictions.

Presenter: Wildlife Staff Specialist Cody Schroeder

Summary:

Quotas for restricted non-resident guided mule deer seasons are prescribed by Nevada Revised Statute 502.147. This statute dictates that the quota for the restricted non-resident guided hunt is subtracted from the total non-resident rifle (i.e., any legal weapon) quota, the total restricted non-resident guided quota must not exceed 16% of the total non-resident quota from the previous year, or 400 tags, and the number of restricted non-resident deer tags issued for any management area or hunt unit group must not exceed 37.5%, rounded to the nearest whole number, of the rifle deer tags issued to non-residents during the previous year for that management area of hunt unit group. Additionally, restricted non-resident guided seasons are aligned with standard seasons to ensure seasons are concurrent.

The Department is presenting the seasons and quotas to the Commission and requesting approval of this regulation. The Department and Commission have little latitude to make changes to this regulation as directed by statute after approval of standard seasons and quotas. Quotas for 2022 are based on the number of tags issued to restricted non-resident guided and non-resident any legal weapon seasons the previous year.

Recommendation:

The Department recommends that the Commission **VOTE TO ADOPT COMMISSION REGULATION 22-07, 2022-2023 RESTRICTED NON-RESIDENT GUIDED MULE DEER SEASONS AND QUOTAS AS PRESENTED.**
