

Species: Desert Bighorn Sheep

Unit Group: 263

Hunt Geometry ID: 2

Hunt ID: [599, 662]

Access: Unit 263 is situated in southern Clark County and comprises the McCullough Range, Highland Range and Lucy Gray Mountains. Topography varies from rolling hills on the south end of the Highland Range to rugged, broken cliffs encountered throughout much of the unit. Lands within the unit are administered by the Bureau of Land Management (BLM). Included within the McCullough Range are two Wilderness Study Areas. Due to proximity to Henderson, Boulder City, Las Vegas, Searchlight and Jean adequate access exists throughout much of the unit. Please be aware that sections of this unit are in a wilderness area. Motorized equipment, mechanized transport, including wheeled game carriers and chainsaws, are prohibited in wilderness areas. Contact BLM for more information.

Recommended Hunting Areas: In the McCullough Range, hunters tend to find bighorn sheep between McCullough Pass and Black Mountain.

Biologist Comments: Sheep hunting in the unit is physically demanding, as much of the terrain is extremely steep and rocky. Full services are available in Henderson and Las Vegas. Generally, primitive camping is the rule.
