5. Advisory Board Items for discussion: Walt Mandeville – Mason Valley Wildlife Management Area – mentioned that someone is growing onions and garlic on the MVWMA farm land. He suggested that consideration be taken prior to leasing the land for crops that are beneficial to wildlife. Is there a way to specify crops that can or should be grown? Wheat, corn or alfalfa would be beneficial. Walt thinks that it may be beneficial for the Wildlife Commission to look at this issue if possible. This has been going on for a long time and would like to suggest that it be re-examined.
