The motion carries.

6. Commission General Regulation 499, Bonus Point Only Application Period – The Commission will review language amending NAC 502 chapters that would decouple the hunt application periods from bonus point purchase periods, remove the requirement for a 7-day bonus point only purchase period, and allows for the creation of a separate period for bonus point purchases to facilitate a more timely draw process and potentially provide increased opportunity for customers to obtain a bonus points in the future. The change also outlines the definitions for “awarded” or “successful” relative to obtaining a big game tag. **For Possible Action** A motion was made by Eric Blondheim and 2nd by Darell Mancebo to accept the Departments recommendations. The motion carries.
