2) Agenda item Commission Policy 22

Recommendation

In Support In Opposition _____ See comment below

Other comments, including a dissenting viewpoint (different than the majority) or issue brought up during discussion:

Change to say: To give transplanted Big Game animals a better chance of establishment, predator control shall be accomplished by Wildlife Services or another appropriate entity before and after a Big Game transplant occurs.

3) Agenda item Commission Policy Number 27

Recommendation

In Support In Opposition _____ See comment below

Other comments, including a dissenting viewpoint (different than the majority) or issue brought up during discussion:

Change to say: 9. It is the policy of the Commission to oppose the establishment of a population of wolves in Nevada. The Commission recognizes wolf sightings will continue in Nevada. Like other predators the Commission supports management of wolves if they are determined to be negatively impacting other wildlife species.
