**2. Approval of Agenda – For Possible Action**

Subcommittee Member Cooney motioned to approve the agenda,

Subcommittee Member Mahan seconded the motion.

The motion passed.

**3. Approval of Minutes (November 29, 2021 & April 21, 2022) – Department Representative – For Possible Action**

Subcommittee Member Chris Jasmine motioned to approve the Minutes

Subcommittee Member Cory Mahan seconded the motion.

The motion passed.

**4. Member Announcements and Correspondence – Informational**

There were no member announcements or correspondence.

**5. Area 6 and Hunt Unit 065 Project Proposals – For Possible Action**

The Subcommittee discussed a wide range of habitat restoration projects from herbicide application to overseeding snowstorm and immigrant forage kochia, drill seeding grasses and shrubs, seedling planting and the pros and cons of those tools. The Subcommittee discussed several different fence projects that would benefit deer in and around migratory corridors and stopover sites. The Subcommittee discussed different ways livestock can be used as a tool, and the need to keep livestock rotations in mind when selecting sites for restoration. Several ideas came together, and 3 projects were selected present to the Oversight Committee. The Subcommittee agreed the following projects would be written up by Department representatives and presented to the Subcommittee at its next meeting for final approval.

**Subcommittee Member Jeffress motioned to approve the Izzenhood Wildlife Management Area Mule Deer Habitat Restoration project for proposal,**

**Subcommittee Member Glenn seconded the motion.**

**The motion passed.**

**Subcommittee Member Jasmine motioned to approve the Toe Jam Fence Modification project for proposal,**

**Subcommittee Member Glenn seconded the motion.**

**The motion passed.**

**Department Representative Allen motioned to approve the 065 Mule Deer Habitat Restoration project for proposal.**

**Subcommittee Member Jasmine seconded the motion.**

**The motion passed.**

**6. Area 6, Unit 065 Five-Year Plan – Department Representative – For Possible Action**

The Subcommittee briefly discussed the need for fuel breaks along the Izzenhood Front, and that the 5-year plan should be created while considering the Habitat Conservation Framework as to not duplicate efforts. No action was taken on this item.

**7. Public Comment**

There was no public comment.

**8. Future Subcommittee Meetings – For possible Action**

Meeting was adjourned at 7:52 pm.
