

2022 KEY PITTMAN WILDLIFE MANAGEMENT AREA WATERFOWL HUNT RESERVATION

The Waterfowl Hunt Reservation Program at the Key Pittman Wildlife Management Area (WMA) is designed to provide a safe, quality hunt by limiting the number of hunters within the Key Pittman WMA during opening day. Hunters wishing to hunt waterfowl at the Key Pittman WMA on opening day must secure a reservation to do so.

1. Hunters wishing to make reservations for the opening day of the duck and goose seasons at the Key Pittman WMA will do so via this paper application. This reservation only hunt will be conducted on October 15, 2022. Reservations are not required to hunt Key Pittman WMA on legal hunt days during the remainder of the season.
2. The maximum hunter capacity during the opening day of duck and the opening day of goose season will be 55 at any time.
3. A hunter wishing to participate in the reservation only waterfowl hunt may submit and be listed on only **one** application for the hunt day on which reservations are required. A hunter whose name appears **on more than one** application for that hunt day will be **rejected** from the drawing.
6. A maximum of **four** hunters may apply as a party on one application. Only those hunters listed on the application and who receive a reservation for a given hunt day will be allowed to hunt. Successful reservation holders will be allowed to substitute one person of a hunt party but that substitute must not have been included in an application of the mail-in process or part of a stand-by group.
