2. Approval of Agenda – For Possible Action

Member Roberts moved to approve the agenda

Member Gardner seconded the motion

The motion passed.

3. Member Announcements and Correspondence – Informational

Member Roberts explained the need to generate a 5-year plan for the Area 10 MDEP Team. The plan will help guide future projects and provide direction in coming years.

4. Area 10 Project Proposals – Department Representative – For Possible Action

An overview of the 2021 project submissions and the fate of those projects was given. Multiple projects were presented and considered but the Subcommittee agreed to submit only 2 projects. The first project was a continuation of the 2021 seedling planting project on the Corta Fire, with another round of seedlings being secured in the 2022 funding cycle. The second project for submission is a remote sensing project of the Triple B HMA. The project will focus on the long-term degradation of the winter ranges in Units 104, 108, and 121. The remote sensing will generate a product to be used to overlay other land use datasets as well as environmental datasets.

5. Public Comment

No public comment was received.

6. Future Subcommittee Meetings – For possible Action

The Subcommittee agreed early September would be the target date for the 5-year plan meeting.

The meeting was adjourned at 7:29 PM.
