MEMORANDUM

August 30, 2022

To: Nevada Board of Wildlife Commissioners, County Advisory Boards to Manage Wildlife, and Interested Publics

From: Chris Crookshanks, Administrator, Fisheries Division

Title: **Commission Regulation 21-15 Amendment #1, Fishing Seasons and Regulations for the Two-Year Period January 1, 2022, through December 31, 2023 – Fisheries Division Administrator Chris Crookshanks – For Possible Action**

Description: The Commission will consider amending Commission Regulation 21-15 to modify the fishing hours for the Ruby Lake National Wildlife Refuge and adopt a limit of three game fish for Sportsman’s Park Pond in Nye County.

Presenter: Fisheries Division Administrator Chris Crookshanks

Summary:

The Commission will consider Amendment #1 of Commission Regulation 21-15, Fishing Seasons and Regulations for the two-year period of January 1, 2022 through December 31, 2023. The Department is proposing an amendment to modify the fishing hours for the Ruby Lake National Wildlife Refuge (RLNWR) in Elko County and adopt a limit of three game fish for Sportsman’s Park Pond in Nye County. This memorandum presents a synopsis of Department recommendations for the amendment of Commission Regulation 21-15 including county specific recommendations for fishing seasons and regulations as well as descriptions and rationale for those changes.

Background:

The Ruby Lake National Wildlife Refuge has a major warmwater fishery in northeastern Nevada that also provides an excellent coldwater fishery during the cooler months of the year. NDOW works cooperatively with the US Fish and Wildlife Service Refuge staff to manage this popular fishery. NDOW staff recently learned that the fishing hours in our regulations are inconsistent with the RLNWR hours of operation. Currently, CR 21-15 identifies fishing hours as 2 hours before sunrise to 2 hours after sunset. RLNWR hours of operation are posted as 1 hour before sunrise to 1 hour after sunset. This amendment would make fishing hours consistent with refuge hours of operation.

Sportsman’s Park Pond is a small fishing pond located approximately 15 miles northeast of Tonopah. Under existing CR 21-15 regulations, it falls under the Nye County General Regulations which is 10 trout and 15 warmwater game fish of which not more than 10 may be black bass. NDOW staff has received numerous requests from Nye County residents to reduce the harvest limit at this popular community pond. This amendment will establish a limit of three game fish for Sportsman’s Park Pond in Nye County to be consistent with other urban fisheries throughout the State of Nevada.

There are no changes proposed for waters in the following counties:

<u>Western Region</u>	<u>Eastern Region</u>	<u>Southern Region</u>
Carson City	Eureka	Clark
Churchill	Lander	Esmeralda
Douglas	White Pine	Lincoln
Humboldt		
Lyon		
Mineral		
Pershing		
Storey		
Washoe		

The following changes are proposed for fishing seasons and regulations for Elko and Nye counties:

ELKO COUNTY

All regulations in Elko County are proposed to remain the same with the exception of the following (changes are delineated in (red) strike-out text):

Ruby Lake National Wildlife Refuge

Proposed Regulation:

<p>OPEN WATERS:</p> <p>Ruby Lake National Wildlife Refuge</p>	<p>Open year round</p>	<p>From Jan. 1 – June 14: Limit is 3 trout and 5 black bass*.</p> <p>From June 15 – Dec. 31: Limit is 3 trout and 10 black bass*.</p> <p>*Minimum size for black bass is 10 inches total length.</p>	<p>2 1 hours before sunrise to 2 1 hours after sunset</p>
---	------------------------	--	---

Description and Rationale:

The Department is proposing to modify the fishing hours at the Ruby Lake National Wildlife Refuge to be open 1 hour before sunrise to 1 hour after sunset. This change is being proposed to ensure fishing hours are consistent with Refuge hours of operation.

NYE COUNTY

All regulations in Nye County are proposed to remain the same with the exception of the following (changes are delineated in (red) strike-out text):

Sportsman’s Park Pond

Proposed Regulation:

OPEN WATERS: Sportsman’s Park Pond	Open year around	3 game fish	Hours park is open to public use
--	-------------------------	--------------------	---

Description and Rationale:

The Department is proposing an amendment to CR 21-15 modifying the season and harvest limits for this water to “*Season is open year around, during hours the park is open to public use. Limit is 3 game fish.*” This is consistent with the regulations established for other waters statewide that are managed under the Urban Fishing Concept. Without adoption of this regulation, the Sportsman’s Park Pond would continue to be managed under the Nye County general regulation of 10 trout and 15 warmwater game fish of which not more than 10 may be black bass. Urban ponds, including this one, tend to experience high use, especially after stocking events, so harvest of these fish is rapid, requiring frequent stocking throughout the fishing season to maintain recreational fishing. Reducing harvest limits at Sportsman’s Park Pond would allow stocked fish to persist in the pond for a longer period allowing those fish to be distributed among a larger user group.

Recommendation:

The Department recommends Commission approval of the proposed changes to Commission Regulation 21-15 after consideration of public and Commission input.

**STATE OF NEVADA
BOARD OF WILDLIFE COMMISSIONERS**

**FISHING SEASONS
CR 21-15 Amendment 1**

The Board of Wildlife Commissioners, under the authority of 501.181 of the Nevada Revised Statutes, does hereby adopt the following regulation for the management of the fisheries resource:

2022/2023 FISHING SEASONS
JANUARY 1, 2022 THROUGH DECEMBER 31, 2023

LIMITS

“Limit” means the maximum number of game fish that may be lawfully taken and reduced to possession by a person in one day. The limit includes fish caught in Nevada which have been processed or preserved and are stored at any location. Fish that are caught and immediately released back to the water alive are not considered to be reduced to possession or part of the limit.

A person shall not reduce game fish to possession if he already has the number of that fish in possession which equals or exceeds the limit of the water being fished.

General limits are listed by county as all waters, all lakes and reservoirs or all streams and rivers. Exceptions to general limits and special regulations are listed by individual water.
