TO: All Interested Parties

SUBJECT: 2024 Wildlife Heritage Tags - Authorization of Vendors

FROM: License Office – Chrissie Rose

N.R.S. 502.250 authorizes the Wildlife Commission to designate Wildlife Heritage game tags to be auctioned each year. During the January 2023 Board of Wildlife Commission meeting the Commission approved the seasons and authorized species for the 2024 hunt year:

- two Nelson (Desert) Bighorn sheep tag
- two Mule Deer tags
- two Pronghorn Antelope tags
- two Rocky Mountain Elk tags
- five Wild Turkey tags

The purpose of this letter is to inform you of the Wildlife Commission's intent to select vendors for the auctioning of all 2024 Wildlife Heritage tags at the June 2023 commission meeting. The Department will post the meeting date on our website at www.ndow.org. If your organization is interested in being considered to auction off one or more of these tags for 2024, you may submit a proposal to be a vendor. The deadline for the proposal is in the vendor procedure.

Enclosed are copies of the procedure for vendor proposal submission including the deadline date, CR 23-10 2024 Wildlife Heritage Tags season, quota and special regulations and Commission Policy P-10, including a form for the required information for your proposal.

If you have any questions or need further information, please contact Chrissie Rose, Program Officer I, License Office, at (775) 688-1512 or FAX (775) 688-1509. Lastly, since there were questions last year, we would like to remind vendors that if they are selected to auction a tag or tags the full amount of the bid is to be remitted to the Department.

Thank you for your interest, and we look forward to hearing from you.

The Commission will review all proposals and select vendors to auction the respective tags. If no proposals are received, the Commission may authorize other organizations within or outside Nevada to auction the tag. If no acceptable organization can be found to administer an auction, the tag may be sold by sealed bid.

The Commission reserves the right to refuse any proposal received for auctioning Wildlife Heritage Tags annually.

All vendors who submit proposals will be notified in writing of the results by the Department.

By the deadline established in the regulation, all vendors must provide the successful bidder information on an application provided by the Department and the Wildlife Heritage donation.
